

Vizsla Club of America

National Specialty

Iron Dog Competition

May 1–5, 2017

Welcome to our third annual Vizsla Iron Dog Competition at the National Specialty Events. In celebration of our versatile Vizslas, this competition highlights the wide-ranging abilities of the breed. Entries in Iron Dog are open to AKC-registered Vizslas, including spayed and neutered dogs of all ages. Iron Dog points accumulate from classes entered in Conformation, Rally, Obedience and Agility. After all competitions are completed, the overall winners will be crowned.

Professional handlers will be allowed; however, amateur owners will receive a 30-point bonus added to their conformation score for handling their own dogs in all venues. Any professional handler who is listed as an owner and handles the dog in all other Iron Dog events is eligible for the bonus.

AWARDS: Gold, silver and bronze medals and ribbons will be awarded to the top three point earners.

RULES:

- Only scores earned on designated National Specialty Event days will count.
- To be eligible in the companion events, the dog must be entered at the level in which it is currently competing in AKC events.
- A dog may be entered in any or all of the companion event types. Its highest score from the events will be used in Iron Dog scoring (e.g., Conformation would use the dog's highest placement in Sweepstakes or Conformation, and its best score in Rally Excellent or Rally Advanced).
- Handlers who reside in the same household and share a dog may split handling (e.g., one owner handles in Obedience and another in Agility) and still receive the owner-handler bonus.
- Handlers who reside in different households and split the handling of a dog are not eligible for the amateur bonus.
- Overall tiebreaker: We will use Agility times. Averaging the JWW and STD rounds, the dog with the fastest clean run in yards per second wins.

SCORING: A perfect score is 1,000. There are 250 points available in each venue: Agility, Obedience, Rally and Conformation.

Agility: Jumpers and Standard scores will be added together plus any achievement bonuses. Master dogs earn achievement bonuses with speed points for each second under the course time to a maximum of 20 points. Preferred dogs will divide their speed bonus points in half.

For the purposes of the Iron Dog score tabulations only, the following penalties will be applied to faulted rounds:

- **"R"** – Refusal/run-out, 5 penalty points
- **"W"** – Wrong course, 5 penalty points
- **"T"** – Pause table fault, 5 penalty points
- **"F"** – Failure to perform, 10 penalty points
- **"E"** – Excusal (NQ), 0-point score for event

IRON DOG (continued)

The following achievement bonuses will be added to your Agility score for a maximum of 250 points:

- **10 points** for Open (10 points per event, i.e., 20 points for JWW and STD)
- **15 points** for Excellent (15 points per event, i.e., 30 points for JWW and STD)
- **15 points** for Master (15 points per event, i.e., 30 points for JWW and STD)
- **0–20 speed points** (seconds under time)—minimum of 0 and maximum of 20 points. Speed points apply only to clean rounds in Master JWW and STD.

Obedience: Of the 250 possible points, 20 points can be earned for participation plus your highest Obedience score. Should you receive an NQ, the points you did earn will contribute to your score. The following achievement bonuses will be added to your score:

- **5 points** for Novice or Veteran
- **10 points** for Graduate Novice or Preferred Open
- **15 points** for Open
- **20 points** for Graduate Open or Preferred Utility or Versatility
- **30 points** for Utility

Rally: Of the 250 possible points, 135 points can be earned for participation plus your highest Rally score. Should you receive an NQ, the points you did earn will contribute to your score. The following achievement bonuses will be added to your score:

- **10 points** for Advanced
- **15 points** for Excellent

Conformation: Points from your highest score in Sweepstakes or Conformation class will apply. A special Iron Dog Non-Regular class, designated as “Iron Dog” or “Iron Bitch” on the AKC entry form, will be offered for judging of non-eligible dogs (i.e., spayed or neutered). Dogs age 8 and over must be entered in Veterans. Stud Dog, Brood Bitch and Brace classes do not earn points for Iron Dog.

Of the 250 possible points, 150 points can be earned for participation, 30 points for an owner-handler (see Notes), plus additional points for the following bonus categories:

- **1 point** for each dog defeated in a class for a maximum of 25 points
- **35 points** for Best of Opposite Sweeps or Best of Opposite Veteran Sweeps
- **40 points** for Best in Sweeps or Best in Veteran Sweeps
- **45 points** for Reserve Winners Dog or Reserve Winners Bitch
- **50 points** for Winners Dog or Winners Bitch
- **55 points** for Award of Merit or Best of Winners
- **60 points** for Select Dog or Select Bitch
- **65 points** for Best of Opposite
- **70 points** for Best of Breed

NOTES:

- Add 30 points for amateur owners/co-owners handling their own dogs in all venues.
- Add 30 points for professional handlers listed as owners handling their own dogs in all venues.
- Any dog excused from an event will receive a 0-point score for that event.
- Running totals of scores will be posted daily in a prominent location.
- Entry-level classes (Novice Agility, Beginner Novice and Preferred-Novice Obedience, and Rally Novice) are not eligible for achievement bonus points.
