

VCA Luminary Walk

On Thursday evening, May 4, 2017, the Vizsla Club of America will host the VCA Luminary Walk in honor of our lost two- and four-legged loved ones. The VCA Luminary Walk will be on display in the Hilton Pool Courtyard after the parades and before the All-Star Review. Please come take a walk down memory lane and pay tribute to those no longer with us.

You may buy one or more luminaries, which will each display the name to be honored. You may bring photos or other special items to decorate your luminary, or simply send your decoration ahead of time if you do not plan to attend. This is truly a magical event that should not be missed.

Cost: \$5.00 per Luminary
