

The Vizsla Nationals Are Calling

The Hilton San Diego/Del Mar has an excellent location in one of the country's most dog-friendly cities, and it is less than a mile from an off-leash dog beach. The hotel layout is quite conducive to socialization. The view from one open central area spans from the bar through the patio and into the restaurant. If you want to spend time with your fellow Vizsla friends as well as meet new people, this hotel is ideal.

Del Mar's climate is considered subtropical/Mediterranean with warm, dry summers and mild winters. It is considered one of the most desirable climates worldwide. During the month of May, the maximum temperature is 71.8°F, the mean temperature is 62.6°F and the minimum is 53.3°F.

San Diego is home to many of Southern California's top tourist attractions, which provide exhilaration, education and excitement for adults and kids of all ages. San Diego's close proximity to Anaheim also makes for an easy day trip to Disneyland.
