## **BREED STANDARD QUALIFICATION FOR THE NATIONAL FIELD TRIAL**

All Vizslas running in the National Gun Dog Championship Field Trial must be free of any disqualifying faults as stated in the Vizsla standard recognized by the American Kennel Club.

To comply with this requirement, all dogs (except for those dogs with a permanent qualification number) entered in the 2019 National Gun Dog Championship Field Trial will be examined by an AKC Licensed Conformation Judge, approved to judge Vizslas on a regular or provisional basis, prior to the running of the stake in which they are entered. Examination will take place on the Field Trial grounds in a location selected by the Field Trial Committee. Examination times and judge are as follows:

Corinne Miklos (AKC Judge # 100331)  
2300 Elm Drive, Ford City, Pa. 16226

Mon., May 13, 2:00–5:00 pm. Tues., May 14, 7:00am-10:00am.  
Wed May 15 7am-10:00am Thurs. May 16. 7am-10:00am

Examination times, other than listed above, will be posted on the VCA website and at the field trial grounds. An additional AKC approved judge may be used, at the discretion of the NGDC committee, as needed and to provide additional QOL times pending entry numbers.

It is the responsibility of the owner/handler to present his/her dog for evaluation during the published times. If the owner/handler of a dog cannot present his/her dog for evaluation during the published times due to an unexpected event or illness, the Field Trial Secretary must be advised immediately. Every effort will be made to accommodate a special time for evaluation; however, there is no guarantee that a judge will be available outside of the published times.

Dogs with Permanent Qualifications: The Permanent Qualification Number must be included on the entry form for the stake(s) in which the dog is entered.

The Vizsla standard recognized by the American Kennel Club states the following disqualifications:

- Partially or completely black nose.
- Solid white extending above the toes or white anywhere else on the dog except the fore chest.
- White extending on the shoulders or neck.
- A distinctly long coat.
- Males over 25-1/2 inches or under 20-1/2 inches in height. (Height measurements are taken at the highest point over the shoulder blades.)

- Females over 24-1/2 inches or under 19-1/2 inches in height. (Height measurements are taken at the highest point over the shoulder blades.)

These are the only breed-specific disqualifications and thus are the **ONLY STANDARDS THAT WILL BE EVALUATED.**

### **Types of Qualifications**

#### Permanent:

- Dogs must be 24 months of age or older
- Dogs over the age of 2 years old that have earned an AKC Conformation Championship title may be given a permanent QOL number at the owner's request. If a dog is under 2 years of age when earning a CH title, then they must be measured only at a National Field Event to confirm that height is still within the standard. Burden of proof shall lie with the owner.
- Dogs with permanent qualification are qualified for all future VCA field events even if the breed-specific disqualifications in the standard for the Vizsla breed change.

#### Temporary:

- Dogs that qualify when less than 24 months of age qualify only for the current event and must continue to participate in QOL until eligible for a permanent qualification.

### **Time of the evaluation**

- One hour before starting time of the first stake until 10 a.m. or noon of that day at the discretion of the club (with priority given to dogs entered in the first stake).
- One hour before starting time of the National Gun Dog Championship until 10 a. m. or noon of that day, at the discretion of the club (with priority given to dogs entered in the first stake).
- It is the responsibility of the owner/handler to present his/her dog for evaluation during the published times.
- If the owner/handler of a dog cannot present his/her dog for evaluation during the published times, special arrangements for evaluation must be made in advance through the Field Trial Secretary.
- The time schedule must be posted at the field trial grounds and VCA headquarters (if applicable).

All evaluation decisions by the QOL judge are final. No refund of entry fees will be made for dogs which fail to pass breed standard qualification. No appeal for disqualification is allowed.

**The complete QOL guidelines are available on the VCA website:  
[www.vcaweb.org](http://www.vcaweb.org).**
