BRINGING THE VIZSLA STANDARD TO LIFE!

This seminar is geared towards people beginning their adventures in conformation and/or breeding, as well as those who have been participating in the wonderful world of Vizslas for a long time. We will discuss Vizsla structure and movement, the Vizsla standard and breeding practices.

After the seminar portion, we will have a hands-on opportunities. This will include physically going over dogs to feel their structure to apply what we covered in the seminar.

All are welcome, but newer members of the Vizsla community will have hands on opportunities. Experienced breeder/show dog owners, please check the “audit” option when registering.

Please come join us!

REGISTRATION CLOSE APRIL 10, 2019.

See registration form at
