

2019  
VCA NATIONAL  
EVENTS  
APRIL 29 – May 3, 2019  
WELCOME TO WISCONSIN!

The 2019 National Events will be held in Wisconsin at the Washington County Fair Park & Conference Center, with agility at Canine Sports Zone in Middleton, WI. Agility will be held on April 29, obedience/rally on April 30, and conformation will begin on May 1.

The committee is already hard at work planning some special events, including a “hand-made” silent auction that will run from Tuesday through Friday, daily raffles, and a Vizsla statue contest where you could win cash!

An all breed agility trial will be held at the agility site, Canine Sports Zone on April 27 & 28, in Middleton, WI, and the Badger Kennel Club holds its all breed dog show in Jefferson, WI, the weekend following the events on May 4 & 5.

Washington County Fair Park & Conference Center has camping on sites that includes electric and water hookups, with a dump station. There are ample showers on site also.

There are a number of hotels within 15 miles of the show site that are reasonably priced. Reservations can be made any time after June 1, 2018. In an effort to control YOUR costs, there will be no host hotel for this event. All activities will be at the fairgrounds.

Surveys of the membership told us you wanted Nationals to be less expensive for the participants. This site was selected with that in mind. Come and join us as we get back to the “good old days” and have a great time doing it!
