Vizsla Club of America and Electronic Balloting

The VCA Board of Directors has approved the use of Electronic Balloting for any issue that requires a membership vote. The AKC requires the member(s) to affirm their intentions with respect to electronic balloting (further, this consent is revocable at any time and this form will be posted on vcaweb.org). Finally, AKC requires the club to retain the signed consent forms. Thus, this form has been created. Please print neatly! It is especially important that Regular Household memberships give an email address for each member.
