SELECT DOG SELECT BITCH

The following categories of dogs may be entered and shown in Best of Breed (Variety) Competition: Dogs that are Champions of Record and dogs which according to their owner's records, have completed the requirements for a championship, but whose championships are unconfirmed. The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a championship according to the owners' records. If at the end of the 90 day period the championship of a dog has not been confirmed by the American Kennel Club, no further entries of the dog for Best of Breed competition are to be made until its championship has been confirmed by AKC.

NOHS and Awards of Merit will be chosen immediately following Best of Breed competition. This will be followed by Best Puppy & Best Bred-by Exhibitor. (See Pages 8 & 9)

IRON DOG IRON BITCH

Open to AKC registered Vizslas of all ages, who are entered in the Iron Dog event (only), including neutered dogs & spayed bitches. Dog entered in Iron Dog/Bitch may not be eligible to compete in any other conformation class competition. (Not eligible to compete for Best of Breed)

** Per AKC Rules Applying to Dog Shows, effective June 28, 2023, neutered dogs and spayed bitches are allowed to compete in Veterans and all other single entry non-regular classes only at independent specialties which do not offer any competitive classes beyond Best of Breed.*

Note: Points for Reserve - VCA will award at its National Specialty a three point major to Reserve Winners Dog/Bitch if the Regular Class Dog/Bitch entry is twice the required number for a five point major in the division where the National Specialty is held.

CLASSIFICATION - ALL EVENTS (CONTINUED)

Non-Regular Classes (Involving multiple dog entries)

Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class: Each entry is allowed two get/produce. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get/produce that forms the basis for the judge's decision. All get/produce must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get/produce must be entered in another class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get/produce being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Both dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class." If more than one brace is entered by the same owner, it must be so designated "Brace #1," "Brace #2," etc.

For Best Bred-By Exhibitor, the eligibility criteria involving the individual handling the dog applies only to the original class entered and all competition specific to the special attraction (i.e., BBE Groups and BBE BIS). There are no restrictions as to who may handle the dog in any subsequent classes it may become eligible.

NOTE: Best Puppy or Best Bred By Exhibitor competition will be forgone if the Best of Breed is one of the above.

JUNIOR SHOWMANSHIP COMPETITION

NOVICE CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show.

OPEN CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

MASTER CLASS: This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

NOVICE AND OPEN CLASS DIVIDED: Junior-9 years old and under 12 years old on the day of the show; Intermediate-12 years old and under 15 years old on the day of the show; Senior-15 years old and under 18 years old on the day of the show.

After the judge has awarded the Best Junior Handler, the second place winner from the class that the Junior was awarded Best Junior Handler is to return to the ring to compete for Reserve Best Jr. Handler.

Ample crating space will be available. Please use mats underneath all crates. Dogs with space or barking issues should not be crated near the agility field. Crates may be left overnight; however, VCA, Omaha Sports Complez and JPAWS Agility Trial Services will not be responsible for any lost or damaged items left at the show site. Dogs may NOT be left overnight.

There is ample parking available in the parking lot around this facility.

NOTICE TO EXHIBITORS
Entry fees will not be refunded in the event that a dog is absent, excused, disqualified, or barred from the competition by action of the Trial Committee. No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

The trial giving Club assumes NO responsibility for any loss, damage, or injury sustained by exhibitors, handlers, or any of their dogs or property and further assumes no responsibility for injury to children. Owners/handlers enter at their own risk and agree to assume responsibility for any damage caused by them, their dogs, or their children.

The Club reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending this agility trial hereby waive any claim for damages against the Club for such removal.

Bitches that come into season will have their entry fee refunded less a $12 administrative fee per day. Any dog sustaining an injury after the closing date may have their entry fee returned less a $12 administrative fee per day. In both cases, the owner must provide the Trial Secretary with written notification at least 30 minutes before judging begins.

Dogs are not required to be at the trial until the scheduled time of judging; however, handlers arriving after the scheduled course walk through for their class has taken place are not guaranteed a chance to walk the course. All dogs not needed for further judging are excused. The owner/handler is solely responsible for being ready at ringside when the class is to be judged.

All dogs must be on a leash no longer than 6' (flexi-leads must be kept under 6') at all times except when in the ring or when in the designated warm-up areas. Exhibitors and spectators are expected to keep the trial site clean. Please pick up after your dogs. Anyone witnessed not picking up after their dog will be excused from the trial weekend with no monies refunded.

Hotels and Campgrounds are an extension of the trial site and expectations are extended from the trial site to the hotels and campgrounds used by our exhibitors.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations.

Chuck-A-Duck being played. See details at:

https://jpawsagility.com/upcoming-events.html

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is offered in all classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Handler has 45 seconds for Time 2 Beat, Standard and JWW classes (course time in FAST). Exhibitors must quickly move towards the exit when the horn sounds.
- Dogs may be entered in any level. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

INSTRUCTIONS

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by *a* Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners℠** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SEARCH AREA AND RING CONDITIONS

Search Area Conditions. Searches may be indoors on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

Search Area Sizes refer to the Scent Work Regulations for search area sizes and other requirements. Search areas may be of any shape and of the size specified in the Regulations for each class.

Exhibitors MUST check in by picking up your armband label at the secretary's table. *Times listed are approximate and may change after entries close or on the day of the trial. Check the schedule and information sheet included with your final entry confirmation to be sure.*

SCENT WORK STAGING AREA, HANDLERS' BRIEFING, AND WARM-UP INFORMATION

Staging Area and search areas will be in a climate-controlled building, including check-in, warm-up, and waiting area, as well as the secretary table for posting of running order, results, and ribbons. Public restrooms will also be in this area.

Crating Space will be available on first-come first-claimed basis; gear may be left inside overnight. Crates are okay, but NO ex-pens. *Reactive or noisy dogs may be asked to stage from their vehicles*.

Dog Exercise Area –Dogs must remain on leash at all times, and handlers must practice social distance of at least 6 feet between humans.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the grounds.

There will be a group **Handlers' Briefing** prior to the start of the day's judging and will include a walkthrough of the areas. A handler's briefing may be conducted onsite by the judge as you enter the search area.

Warm-Up Area One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. The warm-up area is not for training or relieving of the dog. (Chapter 5, Section 34 of the Scent Work Regulations).

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future. (Chapter 3, Section 15 of the Scent Work Regulations).

Possession of Odors and Training, Chapter 5, Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area."

Vizsla Club of America

National Specialty
Iron Dog Competition

April 21–26, 2025

Welcome to our 10th annual Vizsla Iron Dog Competition at the National Specialty Events. In celebration of our versatile Vizslas, this competition highlights the wide-ranging abilities of the breed. Entries in Iron Dog are open to AKC-registered Vizslas, including spayed and neutered dogs of all ages. Iron Dog points accumulate from classes entered in Conformation, Rally, Obedience, Agility, and Scent Work. After all competitions are completed, the overall winners will be crowned.

Dog-and-handler teams will collect points from 4 of the 5 venues. If a team chooses to compete in all 5 venues, their best scores will be used toward the final Iron Dog results. Conformation, Obedience, and Agility are mandatory venues. Rally and Scent Work are 2 flex venues that may be dropped. (For example, if you competed in Obedience, Rally, Agility, and Scent Work but not Conformation, only 3 of the 4 venues would have scores, and Conformation would be a zero.)

Professional handlers will be allowed; however, amateur owners will receive a 30-point bonus added to their Conformation score for handling their own dogs in all venues. Any professional handler who is listed as an owner and handles the dog in all other Iron Dog events is eligible for the bonus.

AWARDS: Gold, silver, and bronze medals and ribbons will be awarded to the top three point earners.

RULES:

- Only scores earned on designated National Specialty Event days will count.
- To be eligible in the companion events, the dog must be entered at the level in which it is currently competing in AKC events.
- A dog may be entered in any or all of the companion event types. Its highest score from the events will be used in Iron Dog scoring (e.g., Conformation would use the dog's highest placement in Sweepstakes or Conformation and its best score in Rally Excellent or Rally Advanced).
- Handlers who reside in the same household and share a dog may split handling (e.g., one owner handles in Obedience and another in Agility) and still receive the owner-handler bonus. Professional handlers may not split handling with co-owners.
- Handlers who reside in different households and split the handling of a dog are not eligible for the amateur bonus.
- Overall tiebreaker: We will use Agility times. Averaging the JWW and STD rounds, the dog with the fastest clean run in yards per second wins.

SCORING: A perfect score is 1,000. There are 250 points available in each venue: Agility, Obedience, Rally, Scent Work, and Conformation. (Only 4 of the 5 venues will count.)

Agility: Jumpers and Standard scores will be added together plus any achievement bonuses. Master dogs earn achievement bonuses with speed points for each second under the course time to a maximum of 20 points. Preferred dogs will divide their speed bonus points in half.

For the purposes of the Iron Dog score tabulations only, the following penalties will be applied to faulted rounds:

- **"R"** – Refusal/run-out, 5 penalty points
- **"W"**– Wrong course, 5 penalty points
- **"T"** – Pause table fault, 5 penalty points
- **"F"** – Failure to perform, 10 penalty points
- **"E"** – Excusal (NQ), 0-point score for class

The following achievement bonuses will be added to your Agility score for a maximum of 250 points:

- **10 points** for Open (10 points per event, i.e., 20 points for JWW and STD)
- **15 points** for Excellent (15 points per event, i.e., 30 points for JWW and STD)

The All Star Review

Thursday, April 24, 2025

This unique showcase is designed to spotlight the dogs that have achieved the pinnacle of success in our breed. Open only to AKC Show Champions that also hold either a Field Championship, Amateur Field Championship, Master Hunter title or NAVHDA Utility Prize 1 title, this prestigious competition highlights the importance of form to function in a breed where this remains a priority.

ALL STAR REVIEW RULES

Format: A panel of three knowledgeable Vizsla fanciers will judge the All Star Review. The identities of the judges will be kept secret until the night of the event. The dogs will be judged using the breed standard.

There will be no division into classes by sex or title. Two winners will emerge from the ranks of the breed's most accomplished dogs. The Best in Review and Best Veteran in Review results will be announced at the conclusion of the All Star Review showcase.

PLEASE NOTE: The purpose of the All Star Review is to showcase the quality and accomplishments of Vizslas and their owners. Your hard work, dedication, commitment of time and resources are being honored and recognized by your peers. In order to do so, we ask that each exhibitor be owner-handled. PROFESSIONAL HANDLERS (INCLUDING PRO FIELD HANDLERS/TRAINERS) MAY HANDLE ONLY DOGS THAT THEY OWN OR CO-OWN. A professional handler/trainer is defined as anyone who accepts compensation for handling a dog in the show ring or field.

Entry Requirements: AKC Champion dogs/bitches that also hold a Field Championship, Amateur Field Championship, Master Hunter title or NAVHDA Utility Prize I title on or before the close of entries. The completion dates of BOTH titles must be entered on the entry form. Neutered dogs and bitches may compete.

Exhibitor Class: Previous winners may enter the Best In Review Exhibitor Class. This very special class recognizes past winners of this prestigious event. Participants will be showcased in the catalog, presented an All Star engraved ribbon, presented in the ring,but will not be eligible for the Adele Neupert Memorial Trophy.

Prizes: Each participating dog will receive a rosette engraved with his or her name. The Best In Review and Best Veteran In Review will receive a special trophy. A plaque will be added to the Adele Neupert Memorial Trophy to honor the winner of Best in Review. This is not a traveling trophy.

Entry Fee: The entry fee is $65 for the All Star Review and $35 for the Best In Review class made payable to "All Star Review." This fee includes entry into the All Star Review, a 2-page catalog advertisement, which includes a half-page picture and biography plus a 3-generation pedigree, a special engraved rosette with the dog's name, event and year. Please add $5 to reserve a catalog.

The biography, photo, pedigree and fee must be received by Diane Fazio by the closing date of March 28, 2025. (Info on bio page). Please sign the signature waiver for all overnight-mailed entries. All Star entry and fee do NOT go to the show superintendent.

For additional information, please contact:

Ashley Uffman (214) 642-8991 ashleyuffman@gmail.com or Diane Fazio (724) 478-2783

A cash bar will be available during the All Star Review
