BREED STANDARD QUALIFICATION FOR THE NATIONAL FIELD TRIAL

The Vizsla Club of America, Inc.

Regulations for Breed Qualification for National Field Events

II. Eligibility for Entry

To be eligible to run in a VCA Field Event, all dogs must have an AKC registration number (conditionally registered dogs are not eligible to enter any VCA Field Event), an AKC DNA profile number and a permanent breed standard qualification number (QOL) or pass the breed standard qualification at the event. Eligibility for entry must be printed in its entirety in the field event premium.

A. Regulations for Breed Standard Qualification on the Line (QOL)

The Vizsla Club of America (VCA) requires that all Vizslas, including puppies, competing in the National Field Events pass a Qualification on the Line evaluation confirming the dog is free of any breed disqualifications as defined in the breed standard. Each dog must be examined by a Qualifying Official that is either a licensed AKC conformation judge approved to judge Vizslas or a trained member of the VCA. Further, it guarantees the process operates in addition to and in conjunction with all pertinent AKC Rules and Regulations; in particular, dogs will be evaluated while standing naturally and may not be lifted for the QOL evaluation.

B. Qualifying Official Eligibility:

1. AKC Licensed Judge approved to judge Vizslas or Trained Member of the VCA.
2. The Qualifying Official may not own or handle a dog in the stake for which they are performing the QOL. When multiple stakes are offered at an event, there may be multiple Officials conducting the QOL. All guidelines in this policy must be followed for each Official.

C. Qualifying Official Selection:

1. An AKC conformation judge must be approved for Vizslas.
2. Any other individual must be a member of the VCA and trained in advance by an AKC licensed judge approved for Vizslas. The official may be a member of the VCA Board.
3. Both the representative(s) and the judge performing the training (if applicable) are selected by the host club or field trial committee with VCA Board approval.
4. The representative (s) performing the evaluation must be listed in the premium list.

D. Qualifying Official Training:

a. Trained by an AKC licensed judge approved for Vizslas in how to perform an examination for all disqualifying faults. Training will include:
    i. Current AKC Written Standard for Vizslas.
    ii. AKC Training on how to use a wicket and ways to check height with an uncooperative dog.
b. Training can occur virtually via video conference or in person.
c. One additional VCA member will witness the training.
d. Documentation will be provided to the VCA QOL Recorder indicating who provided the training, who was trained and the witness observing.

E. Time and Location of the Evaluation:

1. Time:

    a. One hour before starting time of the first stake until 10 a.m. or noon of that day at the discretion of the club (with priority given to dogs entered in the first stake). Additional times may be selected by the event committee.
    b. It is the responsibility of the owner/handler to present his/her dog for evaluation during the published time.
    c. If the owner/handler of a dog cannot present his/her dog for evaluation during the published time, special arrangements for evaluation must be made in advance through the Field Trial Secretary.

d. The time schedule must be posted at the field trial grounds and VCA headquarters (if applicable).
e. All the information (items i – iv) must be stated in the event premium packet.

2. Location:
a. On the field trial grounds in a location selected by the field trial committee.
b. The evaluation may be performed at the participant's camp site, at the discretion of the event committee.
c. Out of view of the public so that the evaluation can be performed in a discreet manner.

F. Who Attends the Evaluation:

a. Qualifying Official.
b. Owner or handler of the dog being evaluated.
c. VCA Board member:
   i. It is the responsibility of this member to review these guidelines with the judge prior to evaluations. This member shall serve as an observer to ensure these guidelines are followed and make sure that a list of all dogs that qualify is delivered to the Event Secretary and the VCA QOL Recorder.
   ii. The VCA Board member may be a competitor at the event.
   iii. Should no VCA Board member attend the event, the board may appoint a member of the Field Advisory Committee (FAC) to be present for evaluations.
   iv. If the appointed VCA Board member needs a dog evaluated, any FAC member may preside over the evaluation.

G. Evaluation:

a. Each dog will be evaluated independently but done in the same manner.
b. The evaluation will be an examination similar to that for AKC Conformation whereas the dog will be examined in a standing position. Evaluation will follow the most current procedure permitted by AKC Rules and Regulations. It should be noted that the dogs being examined here are not to determine which dog conforms best to the written standard, but rather to ensure that there are no disqualifying faults.
c. It is the sole discretion of the Qualifying Official to excuse any dog that will not stand or cooperate for an examination and therefore that dog will not be permitted to compete at the event.
d. According to the AKC written standard for Vizslas approved in 2009 the disqualifying faults are as follows:
   i. Partially or completely black nose.
   ii. Solid white extending above the toes or white anywhere else on the dog except the fore chest.
   iii. White extending on the shoulders or neck.
   iv. A distinctly long coat.
   v. Any male over 25 ½ inches, or under 20 ½ inches and any female over 24 ½ inches or under 19 ½ inches at the highest point over the shoulder blades.
e. It is only necessary to measure dogs that, in the opinion of the Qualifying Official, are of questionable height. This applies to puppies as well as adult dogs. If, in the opinion of the Qualifying Official, a dog's height is to be measured, an AKC approved wicket provided by the VCA must be used. Before using the wicket, it shall be calibrated by the Qualifying Official using the procedure described by AKC guidelines.
f. All evaluation decisions by the Qualifying Official are final. No refund of entry fees will be made for dogs which fail to pass breed standard qualification. No appeal for disqualification is allowed.

H. Types of Qualifications:

a. Permanent:
   i. Dogs must be 2 years of age or older.
   ii. Dogs over the age of 2 years old that have earned an AKC Conformation Championship title may be given a permanent QOL number at the owner's request. If a dog is under 2 years of age when earning a CH title then they must be examined at a National Field Event or National Companion Specialty Event (when offered) to

confirm that height is still within the standard. No other examination is required. Burden of proof shall lie with the owner. It is recommended that the owner contact the VCA QOL Recorder in advance with supporting documentation to receive a permanent number. If that is not possible, they must bring said documentation to the event for review by the VCA QOL Recorder at that time.

iii. Dogs with permanent qualification are qualified for all future VCA Field Events even if the breed-specific disqualifications in the standard for Vizslas change.

iv. When entering a permanently qualified dog in a VCA field event, the qualifying certificate number should be included on the entry form.

b. Temporary:

i. Dogs which qualify under 24 months of age qualify only for the current event. If the dog should compete in any future events, it must be re-evaluated for QOL eligibility until it is eligible for a permanent qualification.

I. Certificates for Dogs who Qualify on a Permanent Basis:

a. Permanent Qualifying Certificates will be provided by VCA QOL Recorder.

b. Certificates must contain the following information:

i. Name of dog with AKC number.

ii. Name of owner.

iii. Name and signature of Qualifying Official.

iv. Date the certificate is issued and the issue number of the certificate.

v. Two copies of each certificate will be made. One will be given to the owner of the dog and one copy will be retained for the VCA QOL Recorder.

J. Breed Standard Qualification (QOL) at VCA National Specialty and Companion Events (NSCE):

a. This is applicable for dogs over 2 years of age.

b. If the NSCE host committee desires to provide breed standard qualification service, it is to be included along with the name of the Qualifying Official that will be doing the evaluation in the premium/notice from that event. With VCA Board approval, they may charge a nominal fee to cover the Qualifying Officials expenses. All guidelines in this policy are applicable and must be followed.

K. Ineligibility

A Vizsla is ineligible to compete in VCA Field Events if trained on the field trial grounds 30 days prior to the first advertised date of a VCA Field Trial. This does not include running on those grounds in a field trial, hunting test, or a designated training area during the previous week.

GROUNDS

NOTICE TO TRIAL PARTICIPANTS, VISITORS AND GUESTS: Please keep the grounds clean. Use only designated areas for camping and parking. Regularly clean up after all animals. **This includes filling in any holes that dogs/horses create, spreading/removing horse manure, removing left-over hay, picking up/removing dog waste, taking bagged trash to the designated area and generally cleaning up individual camp areas during and before leaving.** Those who fail to do so may be charged a minimum $50 clean-up fee. Please remove all twine from the grounds as this causes damage to the equipment used to maintain the site.

Running of the Veterans," a very special tribute for our beloved senior Vizslas, will be held during the 2026 NFT. At a time to be announced, all are encouraged to gather on the hill just east of camp for the "Running of the Veterans!" This special stake will not be an "official" event. It is intended for fun and to give our senior dogs a moment in the field. Dogs may be handled on foot or horseback, and run time will be adjusted to accommodate both senior dogs and handlers (not to exceed 20 minutes). This running will be open to any Vizsla who is 8 years of age or older and no longer in field competition and companion veterans of other breeds. The entry fee will be
$20, and prizes will be awarded to all dogs entered. Contact: Maria Harris mhharris99@yahoo.com
