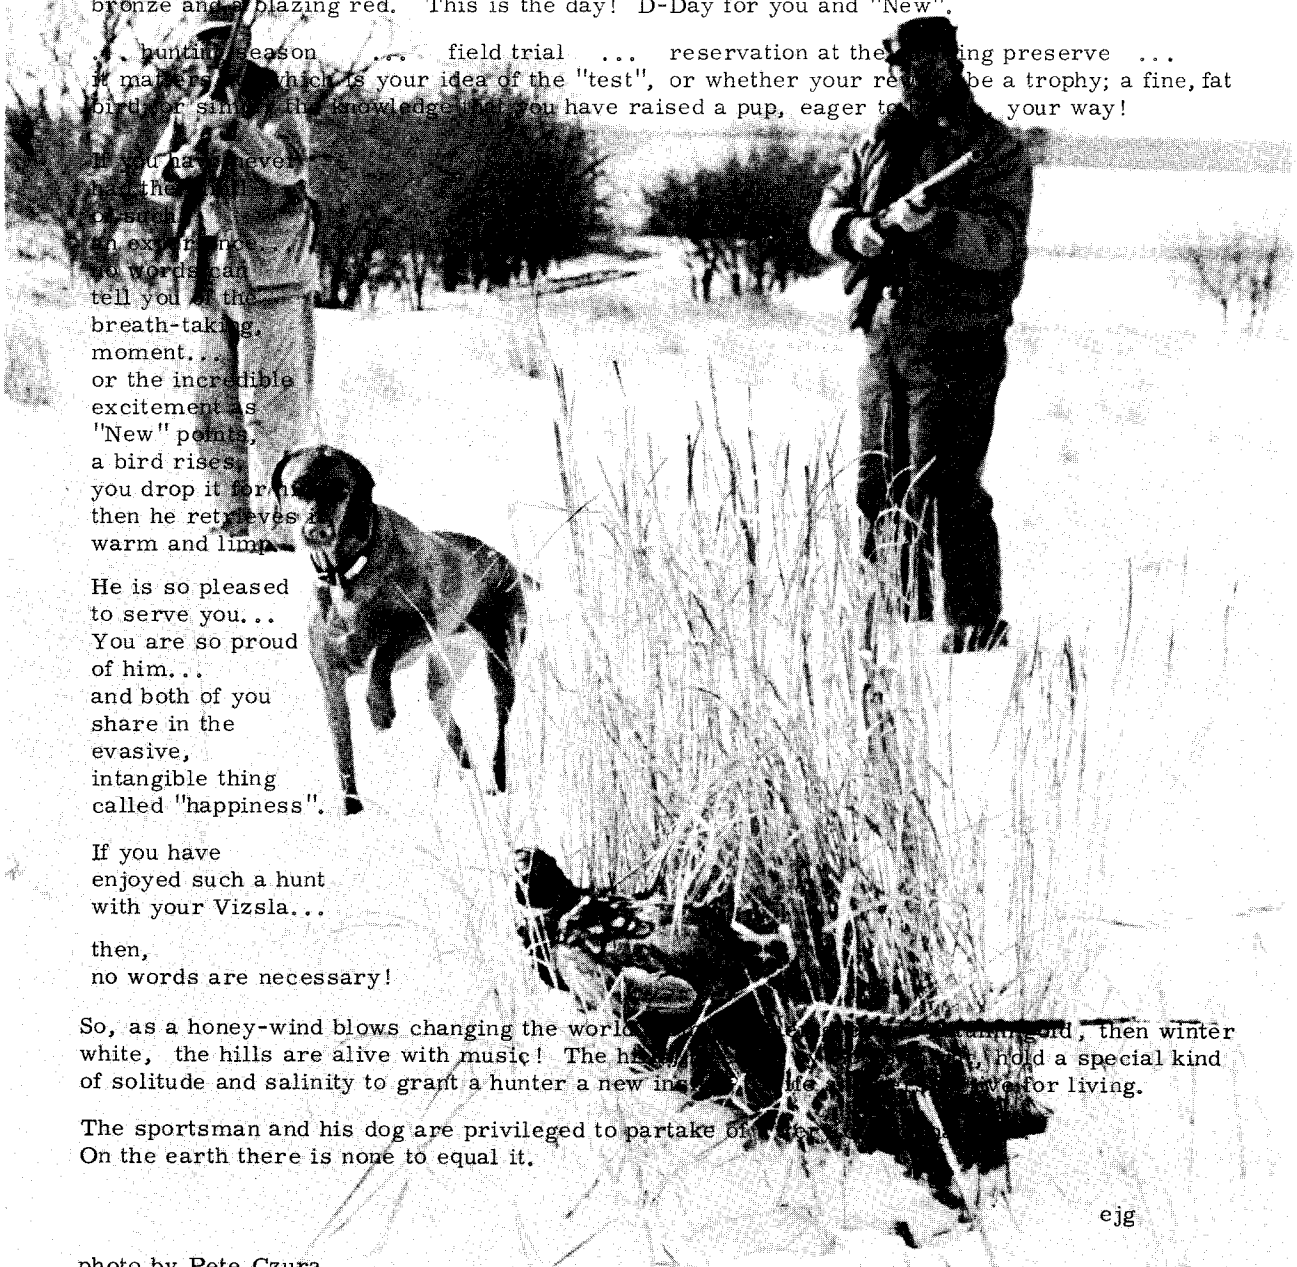
The Vizsla News

VOLUME XI OCTOBER 1964 Number 8

A little breeze puffs at a buttercup on a mountainside in the Yukon...the breeze, joined by others, tumbles down that mountain, rolls through Alberta and Saskatchewan and is by now a full grown wind. Gathering momentum as it surges 'cross the border...it rattles windows and makes a whistling sound through the trees. The garden is garbed in ghost-like coverlets for protection from a predicted frost.

When the sun creeps over the horizon, the air is still. A thick, white, sparkling crust of frost is everywhere, and the trees -- as if touched by God's hand -- have turned bright gold, bronze and blazing red. This is the day! D-Day for you and "New".

... hunting season ... field trial ... reservation at the ...ing preserve ...
It matters ... which is your idea of the "test", or whether your re... be a trophy; a fine, fat bird, or simply the knowledge that you have raised a pup, eager to ... your way!



If you have ever
had the ...
of sending
an exciting dog
no words can
tell you of the
breath-taking
moment...
or the incredible
excitement as
"New" points,
a bird rises,
you drop it for ...
then he retrieves ...
warm and limp...

He is so pleased
to serve you...
You are so proud
of him...
and both of you
share in the
evasive,
intangible thing
called "happiness".

If you have
enjoyed such a hunt
with your Vizsla...

then,
no words are necessary!

So, as a honey-wind blows changing the world ... gold, then winter white, the hills are alive with music! The ... hold a special kind of solitude and salinity to grant a hunter a new ... for living.

The sportsman and his dog are privileged to partake of ... On the earth there is none to equal it.

Dear Jane:

This has really been quite a fall... things keep piling up, but I believe that everything is in order... except for this letter for the NEWS.

First, I want to invite every Vizsla owner to come to this Vizsla Club of America Field Trial. The ever increasing participation of owner-handlers from across the country make these events not only exciting field competition but valuable personal experience, visiting with other Vizsla owners.

Ed Lloyd has promised to have everything in readiness. In view of the "weather" that Iowa has dealt us on several occasions, we have ordered a tent (from Purina) to give us some protection in the vicinity of the bird-field. He has two courses laid out, birds and horses ready and waiting. Ed has also assured me he will cooperate with our wishes to keep all entrants off of the courses for the 2 weeks prior to the trial. He has other grounds available for exercise dogson.

The Board of Directors, Regional Governors and other committees will be holding meetings on Friday and Saturday. The Community Hall in New Sharon has been engaged for these groups... and also as a Club "headquarters" for the week-end. Judy Holcomb and several other Board wives will be on hand there in the lounge with hot coffee, cookies and doughnuts. All Vizsla Club members are invited to congregate here as you arrive Friday afternoon or evening. Will have name tags helping all to get acquainted and the list of braces and other information will also be available there.

Dick Buhman, F. T. Secretary and I plan to set up Field Trial Headquarters at Bird Layne Farms on Friday. A variety of hotels and motels are suggested. We also will arrange rides for those of you who are arriving by plane or train... please notify us as early as possible your arrival time, so that we can make our plans as soon as possible.

We hope for entries from all over! and pray for fair weather.

Brok Selle Don Anderson Denver Colo. First A.K.C. Field Trial Champion

reported by Bob Holcomb

I am very happy to report that Don Anderson of Denver, Colorado, owner, trainer and handler of BROK SELLE became the first Vizsla to acquire the coveted Field Trial Championship in American Kennel Club records. He did it the hard way, too...topping the Gun Dog Stake over 18 entries...several of them F. T. Champions, and in a German Shorthaired Pointer Field Trial. 99 dogs entered in all, this fine Vizsla male, not quite 5 years old has made a lasting impression on the minds of many a Field Trialer in this area.

The statistics on the Field Trials in this area are as follows:

VIZSLAS SHOW GOOD BATTING AVERAGE --- Colorado-Wyoming Weimaraner Field Trial On September 19-20, this trial was held near Denver on much improved grounds. There were 69 entries and the quality of dogs was very good. The weather was mild and ideal for trial. Nine of the 69 entries were Vizslas, with most of them being young dogs. The Vizslas placed as follows:

Open All Age - 1st place BROK SELLE, owner, Don Anderson, Denver. (Brok seemed to be in great condition and looked better than ever before.)

3rd place HAANS V SELLE, owner, Dr. Richard Reinhardt, Scottsbluff, Nebraska. (Haans is always ready to hunt and showed a lot of class on several birds.)

Open Derby 2nd place - PAT BROK HUNT, owned by Buck Rollins, Denver, Colorado. (A very good dog in real tough competition)

Open Gun Dog 1st place - BROK SELLE, owned by Don Anderson. (Brok ran against a a tough field; he showed a good pattern with speed and natural backing; three well handled birds in the birdfield topped a fine performance.)

Mr. Dick Gilbertson (a well-known judge) had much praise for Don's dog and was particularly impressed that Don did all of his own training.

BROK SELLE BREAKS THE BARRIER -- German Shorthaired Pointer Club of Colorado, September 26-27. The trial was held at the Rocky Mountain Arsenal near Denver on ideal grounds. The weather was cool one day, warm the second. Ninety-nine entries listed with ten of the entries being Vizslas. The Vizslas were represented in the winners' circles, thus:

Open Gun Dog - 1st place BROK SELLE, owner, Don Anderson, Denver. 18 dogs in this stake, with many F. T. Ch's. This was the win that made Brok Selle an A. K. C. Field Trial Champion. Brok's performance was outstanding in earning this win. (This was a 4 point Major Stake win!!)

Amateur Gun Dog 2nd place BROK SELLE, (20 entries) Brok ran a very intelligent back course with a total of four finds and two backs.

4th place RIPP BARAT, owner, Betty Kenly, Phoenix, Arizona. (Ripp had a good seeking back course and showed his famous high-style backing and very long nose.)

BROK CONTINUES WINNING WAYS -- Skyline Brittany Club, October 4 - 5. This trial, also held on the Arsenal grounds in windy weather (which made good scenting conditions.) 50 entries competed with eight of them being Vizslas. (The Field Trial spark seems to be catching on to the local Vizsla owners.)

Amateur All-Age 1st place BROK SELLE. (Brok ran an excellent back course and showed good style and complete staunchness on all four finds.)

Open Gun Dog 1st place, LADY OF QUAIL, (Brittany) owned by Jim Krizner...this win made her an AKC Field Trial Champion.

2nd place, BROK SELLE. (Brok found six birds with the help of a strong wind.

By now it is obvious that Brok Selle has dominated the first and second placements in the fall Field Trials in this area. He has now accumulated a total of fifteen AKC points. And, as one well-known judge said, "There is truly a class dog!"

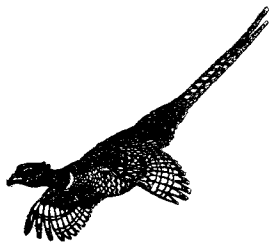
NEW SHARON, IOWA



We are happy to welcome all Vizsla Club of America people to Bird Layne Farms for their 1964 Fall Field Trial. We look forward to renewing acquaintances and meeting new-comers. We will try to make your stay here an enjoyable one.

We have plenty of room here for trailers and station wagons -- of course, no electrical facilities. The hotel in New Sharon has 5 or 6 rooms available, all with double bed. It is not fancy but CLEAN. . . and closest to activities.

In Montezuma (8 miles north of us on #63) has a 6 or 7 unit motel, Gilbert Motel. . . in a variety of size rooms. There is also a hotel there, the Hotel Carter with 6 or 7 rooms available with one or two double beds. This might give quite a few people a chance to stay fairly close together and not so far from us as Oskaloosa -- make closer headquarters for them.

Oskaloosa, 17 miles from here on #63 South, has several motels. The Mahaska Motel has served as a headquarters several times. The Motel Oskaloosa also has many units, but does not permit dogs.

I would like to remind all those who will want to ride the trial to write us so that we will have enough horses to fill the reservations. There is a limit to the supply, so prompt orders will be appreciated.

See you soon!

REPORT OF CANADIAN VIZSLA NATIONAL FIELD TRIAL

by Brad Jorgans

The 1st National Field Trial of the Vizsla Club of Canada was held on some extremely fine grounds at Craigdhu, Alberta, which is located approximately 35 miles NE from Calgary. There seemed to be quite an abundance of pheasant in this area with game contact made with Huns and Prairie Chicken also. I must report that the hospitality of the VCC people was tremendous as they certainly went out of their way to make my stay an enjoyable and interesting one. I was a house guest of Mr. and Mrs. J. F. S. Anderson during my stay in Calgary and believe me these were two of the hardest working people in gettingthis trial lined up. The night before the trial found these two catching horses out on the prairie to make sure mounts were available for the morning's running. This was no easy task, and as Liz Anderson put it, "Have you ever tried to find and catch a black horse after dark?" They had quite a time of it and to compound the difficulties, the farmer also had cattle mixed in with the horses. The judges didn't know how lucky they were...they might have wound up riding Hereford cows if the hunt for the black horses hadn't been successful. Dr. and Mrs. Bill Kemenes-Kettner proved to be very interesting people and I spent many hours visiting with them enriching my knowledge of the Vizsla breed. These two fine people are from Hungary and have had experience with the Vizsla for a great many years, both in the old country and in Canada. They certainly have done a fine job of promoting the breed in the Calgary area and in Canada.

Results of the running were:

PUPPY (8 Vizslas)

1st - Chico of Nikk's Arco; O/H, Herschel Storms, Great Falls, Montana
2nd - Bakony Betyar Fruzsi; O/H, James F. Gorrill, Calgary, Alberta
3rd - Bakony Balatoni Kende; O/H, A. Dechenne, Calgary, Alberta
4th - Bakony Balatoni Katka; O/H, JFS Anderson, Calgary, Alberta

DERBY (9 Vizslas)

1st - Ripp Barat's Apache; Owner, Bob Holcomb, Denver Colo; Hdlr, Paul Sabo.
2nd - Chico of Nikk's Arco; O/H, Herschel Storms, Great Falls, Montana
3rd - Bakony Betyar Fruzsi; O/H, James F. Gorrill Calgary, Alberta
4th - Miss Golden Firebird; O/H, Brad Jorgens, Clara City, Minnesota

SHOOTING DOG STAKE (9Vizslas)

1st - Ripp Barat's Rippy; O/ Bob Holcomb, Denver, Colo; H/ Paul Sabo
2nd - Ch. Egerhegyi Tincsi; O/H Mrs. E. Kemenes-Kettner, Calgary, Alberta
3rd - Ch. Csic-Ked's Jodie; O/ Dr. W. C. Meminger, H/ Paul Sabo
4th - Ch. Rigo V Klein; O/H, E. E. Klein, Vancouver, British Columbia

OPEN ALL AGE STAKE (4 Vizslas)

1st - Imp. Ajax Olca, O/H, Brad Jorgens, Clara City, Minnesota
2nd - Witheld
3rd - Ch. Rigo v. Klein, O/H, E. E. Klein, Vancouver, British Columbia
4th - Ch. Egerhegyi Tincsi, O/H, Mrs. E. Kemenes-Kettner, Calgary, Alberta

One highlight of the trial was the win by Rippy as it gave him sufficient points to qualify him as a Canidian Field Trial Champion, in fact, the first Vizsla to win a Field Trial Championship in Canada.

(Championship points in Canada are awarded as follows: Puppy (5 or more starters) winner, 1 point; Derby (5 starters) winner 2 points; Shooting Dog and Open All-Age Stakes (8 or more starters) 1st place - 5 points, 2nd place - 2 points, 3rd place - 1 point.)

I had a nice visit with Paul Sabo, who really seems to be at home in Canada, I believe he said this was his 21st year that he had brought dogs to Canada for training. This really makes me feel like a novice (which I am, believe me)

The Canadian Vizsla people are a fine hardworking group exhibiting excellent cooperation within their group, and they extend a great big HELLO to their American friends and asked me to carry this message home. I am sure the future of the Vizsla breed on this continent with two fine clubs such as the VCA and the VCC working towards the common good.

CONGRATULATIONS are most certainly in order for Paul Sabo, trainer and handler of Ripp Barat's Rippy, upon this, the first Vizsla to complete a F. T. Championship in Canada.

Bob Holcomb, owner of Rippy, is also from the Denver, Colorado, area. Bob has done a great deal for the Vizsla breed and spares nothing when he feels it is for the good of the breed. It is so very nice that this honor comes to him.

The best wishes of the Vizsla Club of America are extended to our Canadian neighbors upon their first successful Field Trial...and our hope for many more!

TEXAS-OKLAHOMA VIZSLA CLUB TRIALS

by Jack Merrill

Our first field trial in Edmond, Oklahoma, was lots of fun and we are talking about next time. We had a total of 52 entries for the 8 stakes. None of us have had any experience with trials and the pointer and Brittany people were of great help. They are willing to give us all the support we will need in the future. (Some became very interested in our dogs.)

Vizsla owners in this area are a long way from other field trial groups, so until we have enough Vizsla owners willing to go and participate, the way we covered expenses might be of help for other local groups trying to get started.

We held a set of stakes for Vizslas only, and then the same stakes for all pointing breeds. The total entries brought in enough so that we could buy trophies (24...for the first 3 places in each stake), birds, judges dinners and expenses, ad in the American Field, and incidentals. We broke even, but that is all any of us had hoped for! The pointer people have an advantage on us...there is always a trial near at hand, but we have to travel half way across the country. For a working man, this becomes impossible! (This business of time, expense and responsibilities is so true!)

We will not be able to come to the Fall Trial in spite of our desires, but our best wishes go with you and the club. We will help here to get more national support. Who knows, in ten years we might have the Nationals down this way! (Ed. note: In view of the fine progress being made by the National Club and the excellent organization of local clubs like yours, I think it will be much sooner than that when we will be able to take National Vizsla events to a much wider circle. My personal congratulations to you and your club for the fine leadership that you have shown in setting up and managing a field trial geared to the needs and resources in your area.)

Results of the Vizsla stakes were:

OPEN ALL-AGE

(1) Miss Vickie Olca, O/H Jack Merrill, Houston, Texas
(2) Triangle's Big Bad Red; O/ Shirley Welch, Pampa Texas, H/ Tommy Smith

OPEN DERBY

(1) Welch's Seven, O/ R. S. Brumley, Clarendon, Texas, H/ Shirley Welch

OPEN PUPPY

(1) Miss Vickie Olca, O/H Jack Merrill, Houston, Texas
(2) Triangle's Big Bad Red, O/H Shirley and Ray Welch, Pampa, Texas

CHICAGO SET FOR 2nd "A" MATCH

The Vizsla Club of America will hold its 2nd Plan "A!' Match on January 30, 1965, in Chicago, Illinois. The application has been received by AKC and I was informed by telephone that plans may proceed, and formal approval will be forthcoming in the later part of November.

The Match Chairman, Joseph Malicek, and National Board Member, George Solberg and his wife, Betty, already have much of the groundwork done. A building has been reserved, judge engaged, committees set up, etc.

A member of the Illinois Club who is a printer is taking care of the premium lists, and other members of the club will be donating and serving the lunch.

The thing for YOU to do, right now, is reserve that date on your calandar and plan to attend and support this National event.

NEW YORK - NEW JERSEY AREA CLUB IS FORMED

by Miles M. Kreuger

Genevieve Wolfe, Regional Governor of the VC of A arranged for a meeting of all Vizsla owners in the area at the Friar Tuck Inn, Cedar Grove, N. J. on Sept. 14th. People from New York, New Jersey and Pennsylvania showed up...about 35 in all. After a discussion of general aims of a regional club, we elected temporary officers who will continue to serve through our fourth meeting. They are: Dr. Bernard (Bud) McGivern, president; Burton M. Abrams, vice-president; Mrs. Virginia Tinnesz, secretary; and Dr. Maynard Wolfe, treasurer.

A committee of 3 (Dr. McGivern, B. Abrams and M. Kreuger) visited with Mr. Stifel, Executive Secretary at AKC on October 7. He was most enthusiastic in helping us to form our club...but said that our tentative name "North Eastern Vizsla Club" was too general, geographically, to be acceptable. In every other aspect things were fine...at our second meeting, October 12, will work further on a name and plans for a B Match.

PRAIRIE STATES VIZSLA CLUB

The Prairie States Vizsla Club held it's annual fall field trial at the Granite Falls Shooting Preserve on October 11th, 1964. Dogs were in attendance from South Dakota, and Iowa, along with dogs from Minnesota. A total of 24 dogs were entered in the trial which proved to be very successfull although the performance of some of the dogs was hampered by the steady rain which fell in the morning. However, the weather cleared in the afternoon and the gallery was treated to some very fine birdwork by some of the older, experienced gun dogs. The results of the field trial were as follows:

VIZSLA PUPPY STAKE

(1) Stormy ,O/ Ole Gunderson, H/ Vern Clausen, Aberdeen, S. D.
(2) Corrie, O/ Dr. C. L. Peterson, Mintevideo, Minn, H/ Brad Jorgens.

AMATEUR EUROPEAN GUN DOG STAKE

(1) Gyp, -- Bob Bull
(2) Imp. Ajax Olca -- Brad Jorgens
(3) Joe Schloss Loosdorf -- Ross Eggestein

HUNTERS' SPECIAL STAKE

(1) Goldie Girl Povazia, O/H Dan Ralicki, Minneapolis, Minnesota
(2) Belle (GSHP) O/H Art Barber, Granite Falls, Minn.
(3) Queen Marishka, O/H Brad Jorgens, Clara City, M.

It was unanimously agreed by all participants that this was a real successful pointing dog field trial and the officers of the club thank Mr. and Mrs. Art Barber and Mr and Mrs. Lee Barber for the wonderful cooperation and hospitality shown at the Granite Falls Shooting Preserve. The excellence of the grounds and other fine facilities will no doubt attract other dog clubs and many such events in the future. An indication of the very fine layout is the fact that most spectators watched the action in the birdfield right from the warmth of the club house. (This was especially important during the morning hours when it was raining.)

Attending to the judicial chores and doing a real fine job were two very capable and experienced pointing dog men, namely, Gary Thell, St. Paul and Pete Kempner, South St. Paul, Minnesota. To demonstrate the versatility of the area, Pete and Gary were treated to an hour of duck hunting prior to the starting of the trial. The trial received fine coverage as far as news prior to the start of the trial, and adequate newspaper coverage and also a film was made by Bud Gorham of KCMT-TV for showing on future sports programs.

There is no doubt that the Vizsla breed has become much better known in this west central Minnesota area as a result of this field trial and a spring trial will definitely be held at the Granite Falls Shooting Preserve in 1965.

Respectfully submitted
Brad Jorgens, F. T. Chairman

DEAR EDITOR .....

Out of time and space!!! Will add only these notes:

I sincerely hope that all Vizsla owners within a reasonable area will attend and participate in this National Fall Field Trial. I am looking forward to meeting you.

There are such a lot of letters that have come into this office this past month that there is no place to begin or end...there are 6 articles that have had to be set back because of lack of space...(this special field trial issue, with entry blank, can only be 10 pages...and this is filled now.) If time permits, will try to get another issue out before the middle of November...there is another editorial by Fred Z. White, article about Field Trials from the Wy-mar Magazine, the History of the German Pointing Dog Club, and a 3 page accounting of the Canadian Field Trial by Paul Sabo. These and other items will more than fill another issue... time is the only factor, and I might as well warn you...hunting season has opened here in Nebraska ...so I become your "rainy day editor"! (You certainly don't expect me to work my fingers to the bone when there are pups begging me to look for pretty birds, do you?)

CONGRATULATIONS for Don Anderson for his F. T. Champion Brok Selle have come from many people:

Dick and Shirley Reinhardt write, "please add my congratulations to Don on Brok's Championship. He is a great dog and deserves our admiration for the way he finished out in tough competition."

George Solberg, president of the Illinois Vizsla Club extend their congratulations to you, Don, and your F. T. Ch. Brok Selle.

Clif Boggs, says "after an experience at a GSHP trial in Ohio this fall, I realize more than ever what a terrific accomplishment Brok Selle's win was!"

As secretary of the Vizsla Club of America I send congratulations from the entire membership and say, "It couldn't have happened to a nicer guy and dog!"
