You PHEASANT

By JOHN MADSON

You ornery, yaller-eyed heathen Chinee!
Who ever said you were a game bird?

Not the quail hunter, for you insult his dogs.
Not the pa'tridge hunter, for you scorn his forests.
The turkey hunter can't talk your heathen lingo
And the dove hunter says you fly like a plowhorse.

You're a brass-bound, hell-for-leather, unblushing roughneck,
And that's a fact!
You're shingled with galvanized feathers
And you spout cusswords when you fly.
You run a good bird dog all forenoon to work up an appetite
And likely eat the dog for lunch.
You'd spur the devil himself,
And when you're killed you're too mean to die.

You're even too mean for decent bird country.
You favor summers that raise feverblisters on rawhide
And winters that jell your cussedness at forty below.
You get fat on a ration of bobwire and blizzard.
Why, you're no game bird . . .
You're a cross between a cottonwood stub
And a Dakota dust-devil.

But out here in the corn country
Where we've plowed under our prairie chickens
And planted eighty million acres to cash grain,
What other birds will put up with us.
You're about all we've got.
And we reckon that you're all we need!

2ND VIZSLA SPECIALTY "CH. BROK SELLE SON OF A GUN"

CONGRATULATIONS TO "Brok" as BEST OF BREED at the 2nd National Vizsla Specialty held at Chagrin Falls, Ohio, August 27, 1966. He is owned by Dr. and Mrs. Maynard D. Wolfe, Montclair, New Jersey; handled by Jerry Rigden in this show and was bred by Dr. I. S. Osborn, LeSueur, Minnesota. Brok is sired by Brok Olca; his dam is Bodka Hana. This classy male reflects much of our breed from his rich golden-rust color, dark eyes and robust but light build, as well as his standard height, 24" at the shoulders.

THE 2nd VIZSLA SPECIALTY
from reports and catalogues sent by Kathy Hartl, Genevieve Wolfe, Hilda Boggs and picture by Dick Buhman.

(My thanks to these people for taking their time in getting this report in the Vizsla NEWS. Some came as marked catalogues, some typed. What happened to the official report or the publicity committee? I have not heard from them. I am sorry for the long delay in getting this event reported to the membership.)

In setting the stage, Hilda Boggs writes, " The day was hot, but no rain...the green lawns at Chagrin Falls were filled with Vizsla enthusiasts and we had all sizes and ages: we had children handling their puppies to grandmothers with their fine companions. There were 23 people at the dinner on Saturday night. Clif entertained with nonsense and movies -- he also took some of this year's show, and of me arguing with the kitchen help over the prices... RATS!!! "

A breakdown of the Vizsla placements is as follows: Total entry was 66, I think, with 17 Specials.

In the absence of any further details about the show and the people participating, I am taking the liberty of sharing a personal letter sent to me in that moment of great joy by Gen Wolfe, owner of this year's winner. While it was not intended for publication, I hope she will not mind me using it.

Dear Jane:

I have had to wait a bit to try to get off cloud 9 before writing and telling you of our big news. I suspect by now you know the results and can imagine how happy we both are to have won Best of Breed AND Stud Dog at the "national". I shall try to take our wins with the same refreshing modesty Brok does, but it won't be easy!

Another thing on my mind is the constant advice from fellow dog folks NOT to make a pet or house dog of the show dogs if one ever expects to do any serious winning....I think I can now say, "it just 'taint so!" Brok (and Olka, too) sleep on our beds, go almost everywhere with us, and treat the house and every thing in it as their own. I am sure the constant affection Brok received and the close contact with both of us only accentuates his desire to get in the ring and do his darndest to win. I'm sure he knows we take him to the shows for that reason -- and by George, he's going in there and give it everything! If I had to have a champion at the expense of a companion, I'm sure I would choose the latter!

I enjoyed very much meeting the Hartls; it was nice getting to know them, and enjoyed meeting Elizabeth Mignotte from Canada, with whom I have corresponded since the show. People were so enthusiastic ...talk about "and when they gave him best of breed my tears I couldn't hide"...I surely was glad I had my dark glasses.

Fondly,
Gen

VIZSLA CLUB OF AMERICA's

FALL FIELD TRIAL 1966

By now you should have received the entry blanks, flyer from Crab Orchard, and note from me as to the names of Motels in the Cartersville and Marion area. Reports and information were just beginning to trickle in when the entries arrived. With one look at the calendar, another at the list of items needed before this issue could possibly go to press, it was decided (after a sleepless night) to put out a special mailing of the necessary information. Now, I needed something extra to do like another hole in my head -- but something had to be done, and that minute, so cancelled my other plans, enlisted some school kids to help fold, stuff, staple, stamp and address them. Will review it again here:

DATE: November 12-13, 1966
PLACE: Crab Orchard, Illinois

MOTELS: Pin Oak Motel
Carterville, Illinois

Carterville Motel
Carterville, Illinois

Marion Motel
Marion, Illinois

I do not have prices or sizes on these accommodations, however, I have asked that when these are filled, that the reservations be forwarded to Carbondale and made there, so that time will not be wasted in needless correspondence.

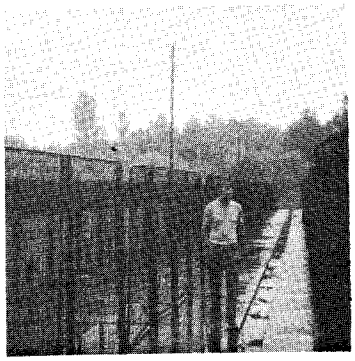
In addition to these accommodations for field trailers, there are "Bachelor Quarters" at the Crab Orchard Sportsmen's Association Clubhouse where you fellows can bunk for $2.25 a night. Kennel runs are also available for $1.00 per day for one or more dogs. Don't have a limit on the number they can handle, but suggest that reservations be made with Mr. Futrell for this also.

The clubhouse at C. O. and something of the terrain in that part of the country.

There is a commercial airport in Carterville, Illinois, so travelers should be able to get right to the location without any difficulties. The headquarters for OUR trial will be the "Sportsmens Club" -- not the one on the map called "Field Trial Headquarters".

It is also noted by the F. T. Chairman, Dick Buhman that the roads in that part of the state are slow-going and suggests that those planning to drive to the field trial this year allow ample time.

The day when Dick and his field trial secretary, Harold Wingerter, were at Crab Orchard making the final arrangements, the weather did not allow some of the picture taking they hoped to get done...



This view of the kennels, with Harold checking them out will give you the reasons further pictures were not taken. It rained -- like everything!!

It is supposed that there will be meetings of the Board of Directors, and of various committees on Friday (which is a holiday for many people), November 11th. Notice of these will have to be made by the secretary.

The Field Trial will officially begin with a "WELCOME DINNER" on Friday evening. Cost for this meal is $1.75. It is good to "start at the beginning" and get acquainted and oriented, if at all possible. There will be some introductions and the always-interesting "dog-talk" for sure, and probably some program.

Saturday's running will start at the crack of dawn, and probably run until dusk. The "JUDGES BANQUET" is always a highlight of these trials. Don't miss this one. Cost will be approximately $4.00 and a lavish menu is promised by these people who know how hungry trialers are after a day in the saddle.

Sunday will see the conclusion of the regular line of stakes, and the drawing and running of the "Limited" -- with some interesting additions.

Information on the running of Vizslas in Field Trials has been carried in many of the past issues of the VIZSLA NEWS. May I suggest you review:

"New Rules for an Old Game" by Bud Graff, April 1966, V. NEWS
"Preparing for a Field Trial" by Paul Sabo, July 1966, V. NEWS
"American Field and A. K. C. Field Trials" by Joan Hunt, August 1965, V. NEWS
"Judging Trials" by Fredz White, April 1965
"Running Rules for Vizsla Breed Field Trials", by the Running Rules Committee, January 1965.

and as many of the field trial accounts as you run across! What the judge ranks as the reasons for placing, and the difference between placings is the things you need to know!

If you did not get your entry blank -- write or call me immediately. I'll get them right out to you!

One more thing: Be a VIZSLA BOOSTER! If you haven't sent your donation or listing -- do it NOW!

IN MEMORIAM

He is gone! He shall be missed! But, look back with tender affection.....

On the good years! Remember him - a flash of wheaten gold - crossing the fields like a graceful gazelle! Remember the quail - the partridge - the pheasant - the woodcock! Remember the joy of hunting with him - he for you! Remember his quiet pleasure when praised for a job well done! He was a gentleman!

Remember the field trials - his wins! Remember the beauty of him in the show ring - his wins! Remember the pride when he attained the highest goal of Vizsladom - first and only dual champion.

Fate beckoned - he was called away - he is gone! But - fate in her cruelty was merciful - it was sudden - a stroke! He had but five tender years to give us, but wonderful and full years for those of us who knew him. He gave such joy and happiness - we have lost a friend!

He is gone! Sadness has come to the hills of New Hampshire. He sleeps - on the land he loved so well! But, his progeny have been left a legacy of love, kindness and loyalty - he will not be forgotten! Think of him - sleeping!

Words cannot express to Ai and Bela Hadik - our hearts are heavy with sadness! It is quiet - the shotguns are stilled - the hills echo only silence!

BUT - someday that flash of gold will cross our fields again - silhouetted against the hills in the eve of twilight. His golden ghost will run to meet his sons and daughters - he will lead them and show them the way!

He is gone! But his memory will linger with us - we shall not forget him - he is just ..... sleeping.....

Our weather was beautiful but just a little warm during the late afternoon, in the high 80's. We tried a new idea for a food tend this time. We used a camp trailer. I would recommend this to any club as an easy, clean and convenient way of fixing a meal. We had a lot of customers and even ran out of things a few times.

We had 51 people that attended the banquet. We had entries from Nebraska and New Mexico and thank them and all other pointing breed owners for participating in our trial. We all worked hard and got sore feet but we enjoyed ourselves and want to invite everyone that can, to come to our spring trial next year.

NEBRASKA VIZSLA CLUB FALL A. K. C. TRIAL

by Dr. Clint A. Wilber, Norfolk

"The best yet..." was the common expression describing the Nebraska Vizsla Club's Fall Field Trial held near Rising City, Nebraska, September 17-18, 1966, A large and enthusiastic (but wet) group of field trialers overcame the problems of a rain-drenched Saturday and produced a first class event!

Judges Don Higgins, Omaha; Leigh Coffin, Beatrice; Bud Graff, Seward; and Bill Fisher, Lincoln, Nebraska; proved to be first class arbiters. Naturally the placed dogs in all stakes were not clear cut and easy, but a minimum of gallery grumbling lent class to the trial and was a tribute to the judges.

Special credit and gratitude also is extended to the Field Trial Committee for a smooth running program, to the gunners Bob Luft, August Jensen, Mike Loftus to whom caution was the watchward but very few misses were recorded.

Open Puppy (21 entries: 7 Vizslas 10 GSHP 4 Brits) Both judges, Coffin and Fisher, agreed that this was an excellent puppy class and nearly all could have been placed. The stake was run in heavy cover, full of native pheasants, and in a steady drizzle. A Brittany, Rusty's Royal Rebel topped a barnstorming backcourse with 3 birdfield finds to carry away the blue ribbon. GSHPs Frosts Onna caught the judges' eye with a good backcourse, a natural back and 2 finds for 2nd place; Don Higgin's Fieldacres Hayu Zeiger placed 3rd with very good puppy birdwork; and Loreta Lutz' spotted pup Charm placed 4th with a slightly better backcourse but fewer finds... all of whom had to really push to top the fine braces put out by the Vizsla entries.

The Derby Stake (17 entries 3 Vizslas 11 GSHP and 3 Brits) consisted of nearly all good dogs, however, the excellent cover made for a handling problem and some good running dogs went birdless. There were enough good dogs so that placements became a matter of which dog pointed and which didn't. The heartbreaker of the class was Rigo z Povazia (V) handled, while Steve DePetro is away at school, by his father. Rigo had a good brace, but the gun failed to sound over his find -- which was all that was needed to put him in the 2nd place spot, however Dad (feeling that he had blown it) wasn't around for the call back. We hope Steve wasn't too hard on Dad -- everybody else sure chewed him out!

Topping the stake was that same little Brit; who came back with an even better effort than before with 1 birdfield find and good derby manners. 2nd place went to Weedy Creek Lobo (O/H Harold Wingerter, Iowa) (V) who had good bird work, 1 find, but not quite the performance that Rusty put out. 3rd went to Jodo Red (V) (O/H Jim Rose, Colorado) who put out a good run and handled in fine derby style -- and might have been slowed up by some surgery 3 weeks earlier. No 4th place was awarded.

The Amateur Gun Dog Stake, judged by Higgins and Graff, was for Vizslas only and had 7 entries. The dogs hunted well as a group but only two dogs could be placed due to lack of manners and handlers' errors. Weedy Creek ChaCha placed 1st (Weedy Creek Skol x Merya) o/H Allen Hahn, Iowa. Presented a good backcourse and handled a native find with style, and had a good birdfield find, all mannerly. 2nd place went to Weedy Creek Duchess (Weedy Creek Skol x Shirbob's Honey Dew) O/H Hank Rozanek, Norfolk, Nebr. This Vizsla barn burner of Derby days proved a little too much dog for a gun dog stake and demanded more handling than the judges liked for a gun dog performance. She handled the course, however, was mannerly on her birds. 3rd and 4th were withheld.

Open Gun Dog (15 entries: 6 V, 8 GSHP, 1 Brit) This was rated by everyone as the class stake of the trial and selecting the placements proved a real headache. The judges had 7 dogs that turned in performances that would win many gun dog stakes and were forced to measure fine points of handling, dog response and style to come up with a winner. A pleasing difficulty in this day and age.

1st B Ace of Hearts III (GSHP) O/H Warren Townsend. This grand old campaigner had his day and produced what both judges regarded as a near perfect gun-dog course on grounds made to order for him. He had a backcourse find and 3 in the birdfield all mannerly and in good style, and topped it off with a completely automatic honor on the call-back. (Shortie, with hands in his pockets, let "B" do it all on his own -- and the confidence paid off in that little bit of difference -- and those magic points for his F. T. Championship.)

2nd Shiloh Fay (GSHP) O/H James Dewey, that was equal in almost every way to "B", with a slightly erratic backcourse with one find. She also cleaned the 3 birds in her birdfield with perfect control, and had a back, with only a caution from Dewey, a fine line of control.

3rd Rasmussens Dutches Jagdharr (GSHP) O/H Dick Rasmussen, who ran a good course and had one clean find, but was just not quite as neat as the top 2 that day.

4th Jake Jacaranda (V) (Pepper Olea x Shirbob's Honey Dew) O/H Len Hartl, Iowa. The retrieve made the difference between 3rd and 4th.

Open All Age (19 entries: 4V, 13 GSHP, 2 Brits) The All-Age Stake was another excellent stake, however the judges, Higgins and Coffin, stated that poor handling knocked several excellent dogs out of placement. Top dog was Worsters See (GSHP) O/ Don Brown H/ Nile Hemphill. Wide ranging See produced an outstanding backcourse for Nile with a minimum of handling topped off with 2 birdfield finds and a natural honor -- all in excellent style. Jake Jacaranda placed 2nd (given above) Another excellent backcourse with 1 birdfield find and a nice natural honor, but Jake didn't quite give off the sparks that See did. 3rd went to Weedy Creek Duchess (given above) with a good brace 2 finds and 2 natural backs -- all clean. and 4th to Shady Oaks Yankee Pacer (GSHP) O/H Bob Joneson, who had a very stylish and classy find in the birdfield, however his course was too short for all-age competition.

The Limited All-Age (11 entries 5 V, 6 GSHP) the judges rated as a bit of a let down for all dogs... after a day and a half of cool, rainy weather, it turned quite hot and sultry and the poor scenting conditions took its toll. The first half of this course took the dogs downwind and none really opened up until after the turn.

1st Haans v Selle (V)(Kosa v Selle x Konya v Selle) O/H Dick Reinhardt. Haans displayed a good backcourse with one bird find and four in the birdfield all handled acceptably, and he also showed the gallery a nice honor.

2nd went to Rasmussens little GSHP, who really gave the judges something to think about with a good backcourse and 2 stylish finds, however her bracemate stole 1 point, flushed it and chased it right over her, causing the little dog to go down. She did not regain her posture until the command was given -- this devided 1st and 2nd.
3rd went to Jake Jacaranda, who had a good run with medium to close range for this stake, also produced 1 bird and had 1 nice back.
4th went to Weedy Creek Duchess. The diminutive Duchess had a fair course and held 1 point for a long period of time. A command was needed for a back and her retrieve was just fair.

Before announcing the final placings, Judge Don Higgins expressed high praise for the excellent work the gunners had put forth. All trialers agreed that the grounds, facilities, banquet, and the fine support and interest from the people of Rising City combined to make this one THE trial that will long be remembered.

MACOMB ILLINOIS RESTRICTED BREEDS TRIAL

by Dick Buhman

Vizslas again make their mark for the people over this way... In the puppy stake, "Yankee Doodle Danny" (Amber-Soni) O/H D. Buhman placed 1st, and "Big Indian Buddy" (Babe-Jake) also owned by me, came in 3rd. The Derby was won by "Khan v Selle" (Konya v Selle- Max Devina) owned and handled by Wm. Shake, Macomb, and "Buddy" placed 3rd here too.

GOOSE LAKE ARROWHEAD HUNTING CLUB TRIALS

Weedy Creek Sasha, owned and handled by Mel Uhlenhopp, Muscatine, Iowa took 1st place and was the only Vizsla entry among the 13 entries -- mostly pointers and setters. Ferro v Hunt topped the Restricted breed Shooting Dog Stake of 17 entries, O/H D. Buhman, Muscatine, Iowa.

IOWA VIZSLA FIELD TRIAL

The Iowa Vizsla Club will hold their Fall Field Trial on November 19-20. It will be run using AKC rules. For location, further details and entries contact Allen Hahn, F. T. VIZSLA CLUB OF ILLINOIS

A. K. C. Sanctioned "B" Match, September 25, 1966

by Karleen Gengler

The day started out wet and cold, but that didn't stop dogs and handlers from having a good time. At the training session held in the morning put out some very nice bird work by the puppies and older dogs as well.

As the afternoon arrived, the weather cleared and it turned out to be a beautiful day. The "B" Match got underway at 1:30 p.m. with 27 entries. Harvey and Eva Dauffenback, Oshkash, Wisconsin, did a wonderful job of judging, thanks and our appreciation to you both.

This was the Illinois Club's first "B" Match, and we are going to plan more of them in the future, with the hope of eventually havinga licensed show for championship points.

THE VIZSLA CLUB OF OHIO
FALL FIELD TRIAL

By Clif Boggs & Virginia McHaney

The trial was run on the Indian Lake Pheasant Farm at Lewistown, Ohio, under the American Field rules.

The grounds were very good for the one course trial, and the birdfield cover ideal for the birds to hide while the dogs were visible to everyone there. October 2, 1966

The shooting preserve is run by Lowell and Helen Howard. They saw to all the pre-trial details and made final arrangements to have horses and food for the Ohio club's running. Incidentally this was the first trial they ever watched.

The Howard children handled the food and beverage sales from an old railroad caboose.

The running was under a warm beautiful sun, but the small pond next to the caboose was just right for the dogs after running.

There was a large gallery from around Indian Lake (a resort area). Ted Stifel was over from Jackson Center to watch the running and was last to leave. He was our Ohio fall trial judge last year, and as a national judge he is held in high esteem.

We also had quality judging this year with Carl Johnson, Woodburn, Indiana and Martin Walter, Defiance, Ohio.

Because of the late arrival of our horses, we went ahead and ran the Children's and Junior Handlers stake on foot with the judging done only in the birdfield.

Both judges agreed that they liked what they saw in the derby dogs best. And best of all they enjoyed their day in the saddle. Not only do they want to come back and judge for us, but we would like them back because they are truly fine gentlemen.

Their placements were as follows:

OPEN PUPPY

1st Little Feller (GSP)/Robin Herald, Defiance, Ohio.
2nd Behi Asze Tromf/Hilda Boggs, Springfield
3rd Szekeres' Csavargo/D. Floyd, New Castle, Kentucky.
4th Enon Jack's Frieda/Jack McHaney, Enon

OPEN DERBY

1st Flick/Pat Walsh, Chardon
2nd Ch. Szekeres' Kelet Szel/ Clif Boggs, Springfield
3rd Rusty Royal Ruler/Kenneth Zack, South Euclid
4th EQUAL
Enon Jack's Vihar/Jack McHaney, Enon
& Rustic-Fun-Galore/Al Sulesky, Cleveland (Ch.)

OPEN SHOOTING DOG

1st Pumpkin-Fun-Galore/Al Sulesky, Cleveland
2nd Shayo-Fun-Galore/Al Sulesky, Cleveland
3rd Ch. Csinos V Hunt, CD/Paul Rothan, Cincinnati
4th Rothan's Csinos Asta/Paul Rothan, Cincinnati

CHILDREN'S STAKE (Under 10 years old)

1st Mitzie/Lisa Rihl, Cedarville
2nd Ch. Szekeres' Kelet Szel/Randy Boggs Springfield

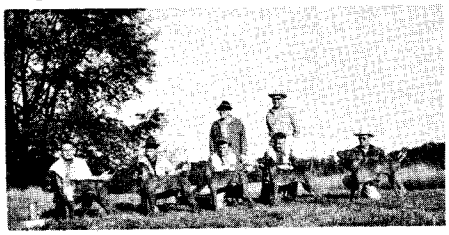
JR. HANDLING (Ages 10-16)

1st Behi Heves Hanos/Diana Boggs, Springfield
2nd Little Feller (GSP)/Mike Klopfenstein, Defiance
3rd Behi Asze Tromf/Nancy Boggs, Springfield

(The stakes for the younger set were judged on demonstrated knowledge of field trial handling. Not on the performance of the dog. The reason of course is that some ran puppy, derby and all-age which does make a difference in performance.)

Ch. refers to Champions in the American Kennel Club all-breed shows.

Puppy Stake placings: Little Feller; Behi Asze Tromf; Szekeres' Csavargo; & Enon Jack's Frieda. Standing: Carl Johnson & Martin Walter, judges.



Open Derby: Flick; Trump; Rusty and Vihar and Rustic-Fun-Galore.

Open Shooting Dog: Pumpkin; Shayo; Csinos and Asta -- the first two handled by Al Sulesky, the second two by Paul Rothan.

ONE PICTURE WORTH 1000 WORDS

A typical scene in a "Vizsla family", suggests Chris Mende of Coronda del Mar, California, winner of this month's picture contest.

She titles it "Child and Dog". The boy is her son, Rolf, and the vizsla is "Tawny" (Asta Vites v Margren) who belongs to Ralph Auf der Heide, a new VC of A member.

POPULAR DOG MAGAZINE News

by John x Strauz

A special subscription campaign is available to VC of A members, and members of Regional Vizsla Clubs. By writing to me at Middletown, New York, (Route # 2) you can find out about the special group rates ($2.50 per year -- just half the regular rate). These subscriptions will be credited to our breed, to help keep the regular Vizsla column going -- and also the advertising for our breed.

A second item should also be noted: January is the deadline for the special Sporting Group issue of Popular Dogs. Vizsla people wanting space in this should contact the magazine directly or let me know of their intentions. Let's have a full page this year!

A suggestion to the club.....

A VIZSLA BREEDER's CODE

by Peggy Magyar

I have been working on a suggested "breeder's code" for some time. We Vizsla lovers need it to protect our wonderful animals from being ruined by indiscriminate breeders, like so many other breeds have been. I am so glad to see that we aregoing to have a Vizsla yearbook. I suggest that we need a permanent Breed Historian for the club as well.

IN KEEPING with my dedication to the perfection of the Vizsla as hunter and companion, I therewith pledge myself to the following practices:

1. to maintain the best standards of health, care, and cleanliness in my kennels.
2. to refuse to deal in any way with known unethical breeders, wholesalers, or retailers, and to refuse to sell to ANY buyer unless certain the dog will be properly cared for.
3. to keep and pass on adequate records of breeding, showing, registration, and health and make certain all dogs bred by me are registered.
4. to clearly indicate whether a dog has field, show or pet potential, and sell only animals of sound health and temperament.
5. to replace in good faith any animal for show which does not maintain show potential, or field, which does not have the desire to hunt, by age of one year.
6. to refuse to breed to any of the following:
   a sick animal
   unsound temperament
   unsound in structure, especially of hips
   a poor specimen of the breed
   an unregistered animal unless pups are registerable.
7. to always conduct myself and my business in a manner befitting a noble Vizsla, and strive to maintain and protect the breed in all I do.

(Editor's note: comments, further suggestions or endorsement of any or all of these items might be directed to Pat Carter, secretary of the VC of A to be included in her report to the Board of Directors meeting in November.)

THE VIZSLA YEARBOOK

by Connie Johnson

I'm most excited about the Yearbook project and have good news as to the progress to date. I now have a list of Vizsla Champions (100, even) C. D's (68) C. D. X's (11) U. D. (1) and T. D (1) and Field Trial Champions (4) -- which I hope is all complete. (New ones will be added as they are noted.) This list includes the names of the owners at the time they were campaigned. 48 Group placements are noted.

I have also sketched a form to be sent to all the people owning these dogs when the addresses are received. This includes the full name of the dog, its numbers, sex and date of its birth. The name of the owner; breeder and addresses of same, as well as the titles attained, dates and other achievements are requested. The yearbook will also note whether the dog is alive at present, its height, weight, white markings, if any, and also if it has been cleared by the committee for advertising. (It is not necessary for dogs to have had an x-ray for inclusion in this book. Dogs cleared shall be so noted. Measurement also need not be officially recorded -- the information is wanted only as an aid to breeders and to give a more accurate record than just a picture.)

This completed form, plus a black & white glossy photo of the dog and a copy of the pedigree should give us the material for a permanent accounting of all the Vizslas in the United States .

In addition to these dogs, we should also include all the Vizslas that have contributed to the breed -- whether they were Champions, F. T. Champions or not! My knowledge, here, is greatly limited so I will have to depend on the back copies of the News, and reports from people owning or knowing about such worthy dogs, to complete the list in this department.

The lists of all VC of A events --from the very beginning on will be included. Awaiting further developments.

REPORT ON SHOW WINS IN NORTHERN CAL....

by May Carpenter

We have three new champions, a C. D, and two group placements to report. The new Champions:

Ch. Boske von Debretsin, C. D. owned by Mrs. Henrietta O'Brien of 2141 San Vito Circle, Monterey, Calif; handled by 16 year old Kathy O'Brien (Ch. Sandor v Debretsin -- Csilla v Debretsin)

Ch. Bolen's Geza Bell, owned by Mervin & Connie Johnson. (Ripp Baret -- Bolen's Athena)

Ch. Ginger Karpat, C. D. owned by Dr. Jean Haver Green, 201 Mt. Hamilton Ave., Los Altos, Calif, handled by Charles Wunderling. (Blitzen K Karpat -- Shasta Ginger)

Ch. Heidi von Chappel, owned by Robert L. Miller Box 2069 Pebble Beach, Calif, handled by Frank Housky. (Golden Pharoah -- Romanze von Trutzhof)

Dr. Green's Cha. Ginger Karpat is the new C. D. having earned it in three consecutive shows, with Charles Wunderling handling. O'Briens Boske had earned her's some time ago, and is now in training for her CDX.

The two group placements went to Ch. Bolen's Geza Bell, and Ch. Boske von Debretsin, C. D. "Bell" placed 2nd in the Sporting Group at the Gallatin Dog Show in Bozeman, Montana. Boske placed 4th at Santa Barbara. This win is even more exciting for all concerned as she was handled by young Kathy, who has had her share of wins in Junior Handling competition. Boske had won Best of Breed also the previous day at Ventura. These two fine bitches take their turns in the winner's circle -- at Salinas - Santa Cruz shows, Geza Bell got BOB one day, and Boske the other. At Ventura-Santa Barbara shows, Boske's litter mate, Ch. Akil von Debretsin got BOS both days. Akil is owned by Dr. and Mrs. William Crawford of Pebble Beach.

Worthy of mention also are two group placements in recent AKC Sanctioned Puppy Matches at Santa Cruz and Contr Costa. One was a female pup owned by Jack & Mary Atwood, Hillsborough, (7 months old) 2nd in Sporting Group. the other, also a female owned by Ed and Alice Sorokowski, Mountain View, (5 months old) also 2nd in Group. Atwood's pup "Decreceny Sosija"(Ch. Sandor v Debretsin -- Macias' Tina) Sorokowski's pup "Debreceny Tisza" (Herzog Schloss Loosdorf -- Ch. Besa v Debretsin).

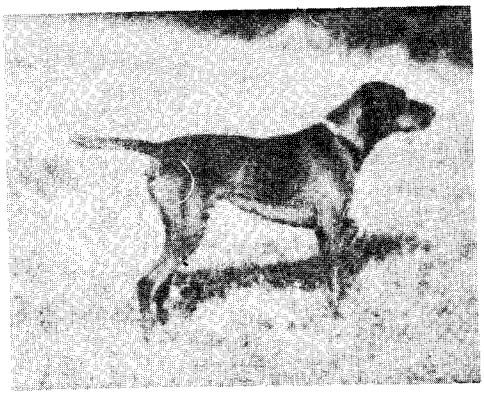
PICTURES FROM HERE AND THERE

In paging through the stack of pictures sent to the Vizsla Club of America by Mike Kende in Hungary I found this one of a Hungarian Vizsla male "Makk"



by name, pointing partridges. This dog won the top prize at the show in Keszthely (no year is noted) Owner: Albin Lingauer, a member of Parliament.

Bela Hadik, who translated these for us, commended on the article: A rifle and trap-shooting event is advertis ed. Eighty rounds to be fired in specified positions. The entry fee plus amunition is 2.50 pengos, or about 50¢ in American money... Can you beat that?

This lovely picture also arrived this last month, of Ch. Csinos v Hunt,CD. as she finished her championship in Sandusky, Ohio on July 30, under Mr. Robert Waters. She is handled here by Harley Plummer, and is owned by Dr. and Mrs. Paul Rothan, of Cincinnati, Ohio.

Shirley added, "...we had our Ohio Fun Trial Sunday. One thing about attending a trial like that -- it gives you a pretty good idea of just how much work you need to do on your dogs! It was a beautiful day and we all had a great time."

A new book.....

CANINE HIP DYSPLASIA & HOW TO CONTROL IT

The authors of this book, Dr. Wayne H. Riser and Mr. Harry Miller, have done an excellent job of bringing together the known facts about the disease and putting them into the language of the breeder.

Dr. Wayne H. Riser, who has worked with hip dysplasia for several years, undertook the task of gathering together and abstracting the literature written on the subject. Harry Miller, a popular writer and columnist in the canine field, has edited the manuscript to make these facts about hip dysplasia accessible to the layman.

This book, handsomely bound and illustrated, begins by describing the nature of the ailment. It takes the reader back into the early history and the discovery of this crippling condition. It touches upon the incidence of the disease in all breeds, and explains why hip dysplasia occurs in the larger breeds but seldom is seen in the toy breeds. The terms used in connection with this problem are explained and illustrated with line drawings. This information will be of particular help to breeders as they view radiographs of their own dogs and have them interpreted by radiologist and discussed with their veterinarian.

The cause and predisposing factors are explained. Hip Dysplasia is discussed from a mechanical and an architectural point of view: it results from structural failures similar to those encountered by designers and builders when parts fail under the stress of prolonged heavy use.

The genetics of hip dysplasia has long been a controversial subject. It is now agreed that hip dysplasia is an inherited disease. The subject is thoroughly reviewed, quoting some of the most noted geneticists. Suggestions for reducing the occurrence of hip dysplasia through selection are put forth and explained.

One of the first steps in a successful hip dysplasia control program is to obtain high quality diagnostic pelvic radiographs. A single chapter is devoted to instruction for veterinarians on producing diagnostic radiographs. It is emphasized that the examination and interpretation of radiographs is a highly responsible task. In most instances the dog must be one year of age before a positive opinion can be given on whether it has normal, near-normal or slightly dysplastic hip joints. Hip dysplasia develops between birth and four and one-half months of age; in the milder cases, however, the changes are so slight that it is difficult to make a radiographic differentiation before the dog has reached maturity.

A breeder's responsibility as to sound hip joints in the dogs he sells is discussed. Finally, a control program for the elimination of hip dysplasia is described in detail. This book and the discussions will be of interest to all breeders who are raising, training and selling dogs, as well as to veterinarians and all other interested in the welfare of the dog.

Canine Hip Dysplasia and How to Control It will be a valued addition to the libraries of all dog breeders and enthusiasts. It gives encouragement: hip dysplasia CAN be controlled and eliminated, and participation in controlling this defect will be a rewarding experience and well worth the effort involved.
