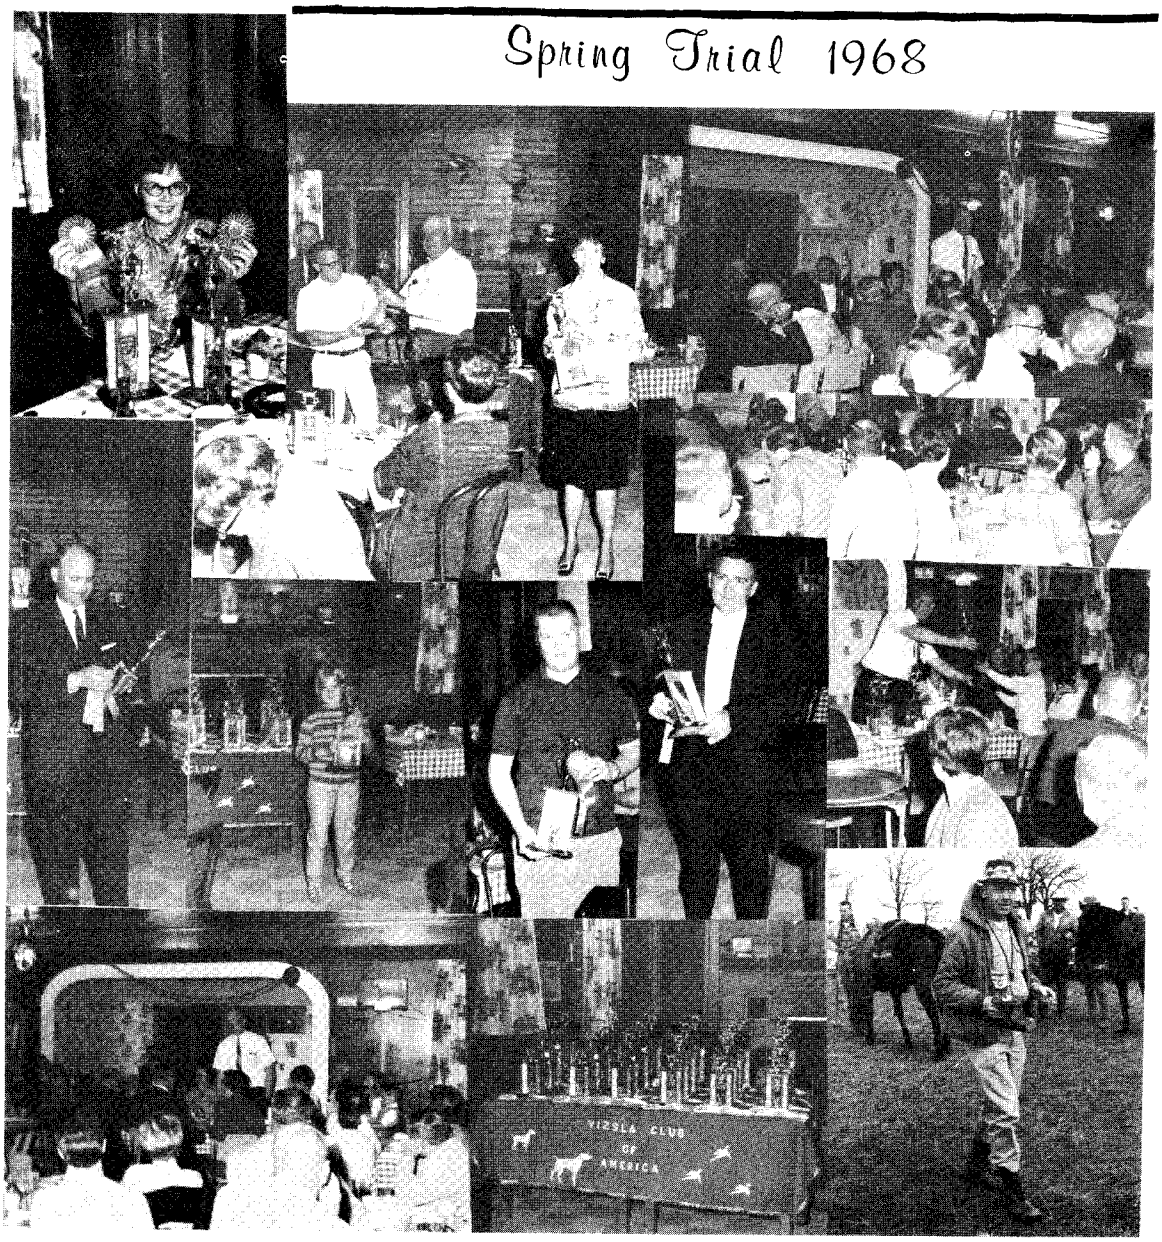
Spring Trial 1968



V C O A SPRING TRIAL

The Vizsla Club of America's spring field trial was held on the 20 and 21 of April at Bong Wildlife Area near Kansasville, Wisconsin. Saturday started out cold, rainy, and windy; but the weather improved as the week end wore on. Sunday was a beautiful day for the spectators, but perhaps a little windy and warm for the dogs. The banquet and meeting were held Saturday night at the Norshore Resort in Antioch, Illinois. There were 63 Vizslas entered in the six stakes.

Thanks for a well-run trial go to the field trial committee headed by Dick Olson. The judges were Kai Hansen and Curt Medine, Del Glodowski and Joe Vavra. The following are the judges' comments on the dogs which placed and on the Vizsla breed in general as recorded on tape at the field trial:

Judges Kai Hansen and Curt Medine were very surprised and pleased with the exceptionally good puppy stake. They noted that the dogs are more conformed-looking and smoother, and are getting more uniform in size--the females are getting larger and the males are standardized in size now. "Perhaps that's the reason the Vizsla is becoming a better-running dog. Breeders are breeding a better type of dog. In their range and in hunting ability, they are the ideal dog for this type of area where we have small hunting grounds. For these reasons the Vizsla will probably become a very popular breed."

OPEN PUPPY (8 entries)

1. GOOD UPLAND JET, (M), (Rozsdas Antal - Pittro's Smart Girl) O/H Ronald Dobrey. He moved ott real well and ran big. He had nice points and found quite a few birds.
2. OLD WEIRD HAROLD, (M), Pike of Duke-Valines Bulba) O/H Roger Paluska. This dog gave Jet a good run for the first place, but he didn't run quite as big or find as many birds. He had nice steady points, and showed a lot of promise.
3. JUMP-N-JIL, (F), (Ch. Gypsy's Bronze Bomber - Gypsy's Flicka) O/H Fred Austin. She had real nice style and class in running.
4. HONEY OF HOLZWORTH FARM, (F) (Fritz V Loosdorf - Belle of Honey Dew) O/H Dr. Paul Holzworth. This puppy ran a good course, out in front and wide at times. She found birds, but wasn't too steady.

AMATEUR GUN DOG (13 entries)

1. PITTRO'S SMART GIRL, (F), (Rusty Red - Ridgeland's Olca Selle) O/ Gerald Pittro, H/ Wayne Lambrecht. She was clean all the way through, ran a beautiful course, found six birds and was steady. She's a wonderful dog.
2. CZUKI'S LUCKY BARAT, (F) (Can. & AKC F. Ch. Ripp Barat - Czuki of Lake Catherine) O/H Richard Olsen. She found nine birds in the back course, more than any other dog in the trial. She had a small mistake (snapped at a bird that flushed right under her nose) that made the difference between first and second place.
3. CH. CSINOS V HUNT C. D., (F), (Ch. Csiskas of Goncoltanya - Asta V Schonweide) O/ Dr. and Mrs. Paul Rothan, H/ Paul Rothan. She ran real nice, but the first and second place dogs were a little bit better.
4. FLICK PHEASANT WOOD, (M), (Shayo Fun Galore - Gemma Fun Galore) O/H Patrick Walsh. This dog didn't run as big a course, but was clean and held his birds well. He is a coming dog, who should show good in the future.

OPEN ALL AGE (7 entries)

1. F. CH. JAKE JACARANDA, (M), (Pepper Olca - Honey Dew) O/H Len Hartl. Jake was good and clean all the way through. He did a very exceptional job in the birdfield. He pointed and handled his birds well, and he had a good retrieve on a molting bird.
2. BIG INDIAN BUDDY, (M) (F. Ch. Jake Jacaranda - Bronze Babe) O/H Richard Buhman. Buddy was good but not as good as our number one dog.
3. WEEDY CREEK LOBO, (M), (Weedy Creek Skol - Weedy Creek Merya) O/ Harold Wingerter, H/ Leonard Hartl. Lobo was in consideration for first place, but made a slight mistake. He ran real big and will be an exceptional dog.

4. F. CH. RIPP BARAT'S RIPPY, (M), (Can. & AKC F. Ch. Ripp Barat - Sissy Selle) O/ J. R. Holcomb & Paul Sabo, Jr., H/ Paul Sabo, Jr. He found seven birds while running a real good back course. In addition, he was clean on one bird in the birdfield, and made a miscue on his final bird.

OPEN DERBY (11 entries)

1. HONEY OF HOLZWORTH FARM, (F), (Fritz V Loosdorf - Belle of Honey Dew) O/H Dr. Paul Holzworth. She demonstrated the makings of a very good potential gun dog. In the backcourse, this dog was always moving forward and quartering, just what you'd be looking for in a gun dog. She was very stylish on her birds, and her staunchness on points was outstanding. She had 3 finds in the birdfield, and the handler had to flush the birds in each occasion.
2. ROTHAN'S BETYAR GAZA, (M) (Flick Pheasant Wood - Fenyes Farazs) O/ Dr. and Mrs. Paul Rothan, H/ Paul Rothan. He ran more of an all-age course. He ran a better-than-good course and was seeking objectives. He had two finds. On the first one, the bird moved out and the dog caught the bird. He brought the bird back to his handler acting very proud of himself. On the second point, he was staunch while the handler went to flush the bird. He was excellent on style.
3. KLASIK FUN GALORE, (M) (Shayo Fun Galore - Gemma Fun Galore) O/H Al Sulesky. He had a fair back course. He seemed to tire near the end of it, but picked up steam as he entered the birdfield. He had three finds in the back course and 1 find in the birdfield, which he didn't point, but came in fast and caught the bird.
4. NIK V ROMARLIN, (M) (Ferro V Hunt - Honey Toots) O/H Ronald Holmes.

OPEN GUN DOG (15 entries)

1. JODI OF CZUKI BARAT, (M), (Can. & AKC F. Ch. Ripp Barat - Czuki of Lake Catherine) O/ Lewis and Sharon Simon, H/ Lewis Simon. Jodi ran a good course, maybe a bit wide for a gun dog. He handled his first find on the back course very well. On the second find, the dog had to relocate three different times before producing the bird--a very good piece of work. The third find was an unproductive. In the birdfield, he had a real good find. The bird flew into a crowd of people, but was brought down about 50-55 yards out with excellent gunning. As this happened, the dog moved a vew feet to mark the bird. He had a good retrieve to hand and was excellent on style.
2. CZUKI'S LUCKY BARAT, (F), (Can. & AKC F. Ch. Ripp Barat - Czuki of Lake Catherine) O/H Richard Olsen. She moved fairly well in the back course, but seemed to be keeping an eye on her handler all the time. She had an automatic back without command. She had a nice find in the birdfield, was steady to wing and shot, had a little trouble with the retrieve, but finally got the bird to the handler.
3. CH. CSINOS V HUNT C. D., (F), (Ch. Csisckas of Goncoltanya - Asta V Schonweide) O/ Dr. and Mrs. Paul Rothan, H/ Paul Rothan. Her first bird was a divided find, both dogs working together. On the second one, she had a real good relocation, was steady to wing and shot, retrieved to hand and her style was good. She backed good on two occasions, but used too much ground trailing as an overall performance.
4. COUNT LAZSLO V WEEDY CREEK, (M), (Soni Brook Selle - Maggie Z Selle) O/H Gregory Fisher. This dog had a divided find and worked the bird with the third place dog. The two dogs alternately backed each other.

OPEN LIMITED ALL AGE (9 entries)

1. JODI OF CZUKI BARAT, (M), (Can. & AKC F. Ch. Ripp Barat - Czuki of Lake Catherine) O/ Lewis & Sharon Simon, H/ Lewis Simon. Jodi ran well, keeping everyone on edge all the while he was out. He is an exciting dog to watch. He had a beautiful point way out on a side and handled the bird very well. His second point was a tough one to handle. He relocated, but the handler couldn't find the bird, so he asked for another relocation. Jodi would not move and finally the handler found the bird 4 feet away from the dog. Jodi had intense style all the way through this. It was an outstanding piece of work. Jodi ran an outstanding course, reaching way out in front, stylish as could be,

running to objectives. He had a real fine, stylish point in the bird field and backed on command during a callback with the bye dog.
2. F. CH. RIPP BARAT'S RIPPY, (M), (Can. & AKC F. Ch. Ripp Barat - Sissy Selle) O/ J. R. Holcomb & Paul Sabo, H/ Paul Sabo. Rippy had very good control and was also an exciting dog to watch. The handler flushed the first bird on a relocation, but the dog was steady. He had three more finds in the back course, which were all steady. He backed without command. In the birdfield, he was very staunch and steady, but had a little trouble with the retrieve. He and his handler formed a very good team.
3. PUMPKIN FUN GALORE, (M), (Shayo Fun Galore - Gemma Fun Galore) O/H Al Sulesky. He had good birdwork, but the course he ran left a lot to be desired. He had two back course finds, and had good retrieves on two birds in the birdfield.
4. CH. CSINOS V HUNT C. D., (F) (Ch. Csisckas of Goncoltanya - Asta V Schonweide) O/ Dr. & Mrs. Paul Rothan, H/ Paul Rothan. She ran a fairly good course, but could have been a little wider. She seemed to tire near the end. She had a good find in heavy cover, and was steady to wing and shot. She seemed a bit puzzled with the retrieve of the second bird in the birdfield.

BOARD DECISIONS

At the Board of Directors meeting in Antioch, Illinois, on April 1, the following officers were elected:

President, Paul Rothan
Cincinnatti, Ohio
Secretary, Carlo Zeppa
Chester, Vermont
Treasurer, Bill Fisher
Lincoln, Nebraska
2nd V. P., Dick Olson
Antioch, Illinois

Regional governors' appointments also expired, and Allan Kahn was asked to submit to the president a report concerning success of the regional governor program and recommendations for improvement.

The subscription charge for the Vizsla News was raised to $5.00. However, if a breeder wishes to give subscriptions to new subscribers with a litter of pups, he may do so at the old rate of $3.00 per year for each subscription. The names and addresses must be sent to the treasurer with a statement that the people are new subscribers who have purchased a puppy from the litter.

The board also decided to print a certificate for owners of dogs cleared for advertising in the News. Certificates will be sent at the time of approval in the future. People owning dogs that are presently cleared may obtain a certificate upon request to Dick Reinhardt.

The fee for reading hip x-rays at the University of Minnesota has changed to $7.50. This fee covers reading of x-rays and is put into a special VCOA fund for future use in the field of hip dysplasia.

The board authorized printing 2000 copies of The Vizsla in Training and Afield. Copies are now available at $1.50 per copy, $1.00 per copy in lots of 25 or more, and $.75 each in lots of 100 or more. Local clubs are encouraged to buy them in quantity for resale to individuals. Experience has shown that people are much more interested in buying something directly than they are in ordering it from a central office. Orders should be placed with the treasurer. These are available now.

The board also authorized the printing of 1000 copies of the Pedigree Book, which should be available soon. This will have a page devoted to each champion in the Vizsla breed.

Ohio was set as the site for the fall trial. The 1969 spring trial was tentatively set for Denver and the 1969 fall trial will possibly be in New York.

Len Hardt, outgoing president, would like to thank everyone in the VCOA who helped to make his term of office enjoyable and productive. He would also like to thank the N. E. group for the can of dehydrated water.

OBEDIENCE

This is the second part of Shirley Rothan's discussion of requirements for obedience degrees.

UD (Utility Dog) -This is the PhD of the dog world, the highest degree a dog can earn. The first test of a UD dog is "Scent Discrimination". There are three sets of identical articles,one set consisting of wood, one metal and one leather. The Judge choses one of each type and the handler rubs this particular article to impart his scent. The rest are placed (using tongs so that no foreign or handler's scent is imparted) at random in the ring about 6 inches apart. The handler will stand about 15 feet from the articles with the dog sitting at heel position with its back to the articles. One at a time, the articles are placed with the other articles and the dog is told to fetch and in each instance must retrieve the article with his handler's scent, bring it smartly to his handler and go to a proper heel position.

In the "Seek Back" the dog will start with a "heel free" and upon orders from the Judge the handler will drop an article behind the dog and continue the heeling for about 30 feet. The dog is then told to fetch and either by sight or scent, retrieve the article and promptly return to the handler and sit in front of him, holding the article until told to release it and upon command go to a proper heel position.

The "Signal Exercise" is done in the same manner as in the "Heel Free" exercise except that throughout the entire exercise the handler uses signals only and must not speak to his dog at any time. Upon a signal from the handler the dog will stand and the handler will then leave the dog in that position and proceed to the far end of the ring and face the dog. The handler will then signal his dog - to drop - -to sit - to come to a sit in front - and - - to heel position.

In the "Directed Jumping" two jumps are used, the bar jump and the hurdle. The jumps are placed midway in the ring close to the sides. The handler, from a position on the center line of the ring about 20 feet from the jumps, commands his dog to go forward to the other end of the ring. The handler then stops his dog by command, whereupon the dog sits facing his handler. The Judge will then designate which jump is to be taken first, whereupon the handler commands his dog to come and jump, returning to sit immediately in front of his handler. The dog is ordered to heel position and the same procedure is followed for the opposite jump.

In the "Group Examination" all the competing dogs perform together. All handlers and dogs file into the ring and upon orders from the Judge to "Stand

VIZSLA CLUB OF NORTHERN NEW JERSEY
by Al Mentes

The election of officers and board members for the current year resulted as follows: president, Denes Burjan; vice president, Anton Tinnesz; corresponding secretary, Al Mentes. Joyce Burjan was re-elected recording secretary while Jenan McCabe was reelected treasurer. Serving as the board of directors will be Dr. Maynard Wolfe, Joe Urso, Ray Riley, Bob Commandini and Virginia Tinnesz.

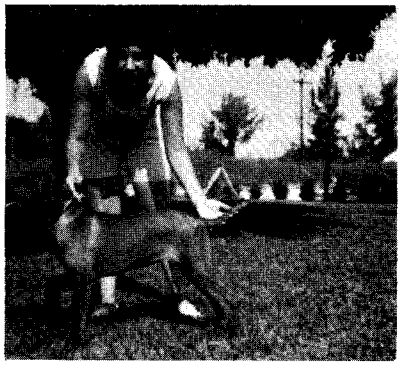
The Vizslas that brought home the trophies at the field trial of the Gordon Setter Club of America, Allentown, Pa., March 30-31, shown during a workout are left to right:

Hubertus Aprod, owner Denes Burjan; Sir Lancelot, owner Bill Goodman, first place Open Derby; Thunderbolt of Great Notch, owner Ray Damiano, first place Amateur All Age. Aprod was second in Open Gun Dog.

your dogs" and "Leave your dogs" the handlers will walk forward, then turn and face their dogs. The Judge will approach each dog in turn from the front and examine each dog as in conformation judging. Each dog must remain standing at his position in the line, from the time his handler leaves him until the end of the exercise.

TD (Tracking Dog) For obvious reasons these tests cannot be held at a dog show but in a field. One or both of the Judges must personally walk over each track after it has been laid out so as to be completely familiar with the location of the tract, landmarks and ground conditions. At least two of the major turns must be well out in the open country where there are no fences or other boundaries to guide the dog. The track includes at least two turns each approximating a right angle. The Judges make sure that the track is no less than 440 yards and that the tracklayer is a stranger to the dog in each case. The tracklayer leaves an article at the end of the trail for the dog to find and retrieve. There is no time limit, provided the dog is working, but a dog that is off the track and is clearly not working is not given any minimum time just on the chance that it might pick up the track again. The handler may not be given any assistance by the Judges or anyone else. A dog that is working too fast for the conditions may be restrained gently by the handler at the end of the leash, but any leading or guiding of the dog constitutes grounds for calling the handler off and marking the dog "failed". A track for each dog entered shall be plotted on the ground not less than one day before the test. A chart of each track is made up showing the approximate length in yards of each leg, major landmarks and boundaries, if any. Two of these charts are marked, one by each of the Judges at the time the dog is tracking. The Judges sign each chart whether the dog "passed" or "failed" which in turn is then forwarded to the American Kennel Club.

One copy of the Obedience Rules may be obtained FREE from AKC, 51 Madison Ave., New York, N.Y., 10010.



This 7 month-old puppy "Lady" had obedience scores of 183, 196, and 195 out of 200. She is shown with her owner Mrs. Bob (Terry) Roth, Fort Lauderdale, Fla.

COLORADO VIZSLA CLUB
by Jim Rose

The Colorado Vizsla Club held its monthly meeting April 27th. Election of officers was held with the following members being elected: president, John Laucus; vice president, Willard Sherman; secretary-treasurer, Donna Laucus; field trial chairman, John Laucus; field trial secretary, Floyd Greenfield.

The highlight of this meeting was the announcement that Colorado Vizsla Club might host the 1969 spring VCOA trial. We have a lot of co-operative members and the best of trial gournds, so this trial should be one of the best.

One more thing of interest to a lot of VCOA members is the announcement of the June marriage of Don Anderson and Miss Barbara Duff. He is the fellow that owned and trained the first Vizsla field champion in the United States, Brok Selle. She is probably the best looking trial marshall around. Will try to line her up to marshall the nationals. Congratulations, Don and Barbara!

The June issue of Hunting Dog is featuring the Vizsla in an article and pictures by Clif Boggs. VCOA members will probably be interested in reading it.

NEBRASKA VIZSLA CLUB

The spring field trial of the Nebraska Vizsla Club was held on March 23 and 24 with 91 entries. Judges were Warren Twonsend, Omaha, Nebraska; Ray Miller, Grand Island, Nebraska; Don Higgins, Omaha; and George DeGideo, Minneapolis, Minn. The weather was beautiful, although a little warm at times. The highlight of the trial was the winning of the All Age Stake by Hank Rozanek's Weedy Creek Dutches. This win made her a Field Champion. Incidently, it was also Hank's birthday. The following were the placements:

OPEN PUPPY (18 entries, 14 GSHP,4V)
1. Melissa von Nestle Beyere, GSHP, O/H Harold F. Tollas.
2. Kerlacres Core, GSHP, Terry Krommenhoek.

2. Weedy Creek Cha Cha, V, O/ Allan Hahn, H/ Harold Wingerter
3. Soni Brok Selle, V, O/H Bud Graff
4. Withheld

OPEN ALL AGE
1. Weedy Creek Dutches, V, O/H Hank Rozanek. Dutches had quite a wide, hard driving backcourse, which began with a birdfield find at castoff. This was to discredit to her because the castoff point was very close to the birdfield. This brace (which included Cha Cha, too) probably accounted for more birds than any other at the trial. Dutches had a stop to flush in the backcourse, plus 4 clean finds in the birdfield and honored her bracemate's two finds.

2. Weedy Creek Cha Cha, V, O/ Allan Hahn, H/ Harold Wingerter. Cha Cha had an acceptable all-age backcourse and two clean finds in the birdfield with manners intact.

3. Roesgaard Dandy's Ives II, GSHP, O/ Dean Kerl, H/ Nile Hemphill
4. Fieldacres Ibs Dek, GSHP, O/Dean Kerl, H/ Terry Krommenhoek

OPEN LIMITED ALL AGE (7 GSHP, 3 V)
1. Withheld
2. F. Ch. Rasmussens Dutches Jagdherr, GSHP, O/H Dick Rasmussen
3. Maggie Too, V, O/H Joe Dolezal
4. Withheld

A Note from the editor. . . . . .

I have had several letters and comments from friends that an Open Forum column be established in the News. One of the purposes of the News is to exchange ideas of members of the club. I feel that the pages of the News have been available for this, but this is an open invitation to Vizsla owners to establish such a column. The topic most suggested to me has been training. Readers want to know what other people do and how they solve similar problems.

So if you have an idea to express or a question to be answered, feel free to write.

TWO NEW FIELD CHAMPIONS

Weedy Creek Dutches, owned by Hank Rozanek of Norfolk, Nebraska, finished her field championship at the Nebraska Vizsla Club field trial on March 24. She has won several other honors in the last four years. At the 1964 VCOA spring trial, she placed first in both the Open Puppy and Open Derby and came back to win the Derby again in both the fall of 1964 and spring of 1965.

After placing in several trials, Dutches was seriously injured in an automobile accident in March, 1967. But by fall she had recovered enough to win first place in the Open All Age at the VCOA field trial. She also took home the Count Laslo Estherhazy traveling trophy, which is presented each fall to the best bitch in the trial, considering both hunting ability and conformation.

Then at the Nebraska spring trial, Dutches placed first in a major stake where the thirteenth dog almost didn't run. But she is now officially Field Champion Weedy Creek Dutches.

Jodi of Czuki Barat finished his field championship on April 21 by winning the Open Gun Dog and the Limited All Age stakes at the VCOA spring trial. His first placement was first in the Open Derby at the Vizsla Club of Illinois trial in September of 1965. The next spring he placed first in the derby at the Illinois club trial again. On April 22-23, 1967, he placed first in the Amateur Gun Dog stake at the VCOA trial. He won first in the Open Gun Dog at the Vizsla Club of Illinois trial in the fall of 1967. He also placed first at the Fort Dearborn German Shorthaired Club field trial this spring in the Amateur Gun Dog stake. These wins plus several other placements won him fifth place honors for the Dog of the Year Award for 1967 for German Pointing breeds. This award is based on the accumulation of points for trials entered, placements taken, and number of dogs entered in the stake.

Congratulations, Lew and Sharon Simon, Antioch, Illinois.
