Y'ALL COME

A LETTER From PRES.

Dear VCOA Members,

With pleasure and anticipation I accepted the Presidency of our national club. This is the first of what I hope will be a number of communiques from the Board and myself. Hopefully, this may tell some of the things the Board is trying to do, clarify some of the questions in the general membership's mind and just generally "spread the word."

This is not meant as a pat on my own back or any member of the Board, but an attempt to convey to you the functions of the Board and the people on it. Please remember we are your elected representatives and it is our desire at all times to act in the best interest of the Club as per the Constitution and by-laws.

Too often (practically always) a great furor is raised over some judgment made by the Board or by one of its committees. This is not a gripe, just fact. At this point I would like to sincerely open the door. We welcome any and all criticism, advice and ideas. Please read on -- When I say criticism, I mean it, but please, and I repeat, PLEASE accompany criticism with constructive advice!

In the same vein, every spring at least six people are elected to the Board. The nominating committee would be pleased to put your name in contention if you are willing and qualify. Willing means you are ready to go to the spring and fall field trials, spend a good many hours on Friday, the day before the trial, and often a good many hours on Saturday night after the general meeting, working, haggling, voting, and discussing the business of the Club. It means doing a job on one of the committees (We have many.). A Board member is required on almost every committee. Letter writing is endless as the great physical expanse of our Club requires communication the year round. The salary isn't good, as a matter of fact, there is none. Some day check the expense sheet turned in by Board members. To quote figures would be ridiculous and out of place, but I will guarantee you there isn't an individual on the Board that doesn't put out a good bit of cash every year for mail, phone, trophies, automobile, etc. They don't ask for monetary compensation and they don't get it. "Big Deal!" you say--"Why don't you quit?" This isn't the point. There isn't a person on the Board who doesn't gladly give of his time, effort, and resources. The point is, volunteer and we'll take you, criticize us but make it constructive, "boo" us when we're bad, applaud us when we are good. Don't sit and sulk if you don't get your News because the mailing list is off. If you don't get something you ordered, or if some judge is bad for the Breed (gulp), let someone know so we can prevent it from happening again. Remember we are all volunteers (This includes our present and past great News staff). Please accept this in the sincere vein in which it is written.

Next month - HAPPINESS!

May your Vizslas be great ones,

Paul Rothan, President, VCOA

OPEN FORUM

Dear Editor,

In October 1965 the VIZSLA NEWS Editor (Jane Graff) stopped all advertising unless dogs had been cleared of hip dysplasia through the University of Minnesota. The Board of Directors later supported this action.

Would you believe that the June 1968 Vizsla News has for the first time matched the one page of ads that were normal previous to that decision?

My question is: Has it been worth the loss in revenue? I read the June issue and find no mention on the ad page that all dogs advertised are free of hip dysplasia or have met the club's requirement for advertising. The February issue is the last one to mention it.

Is this an oversight on the part of the Editor? Or has the club policy changed again without the membership being informed?

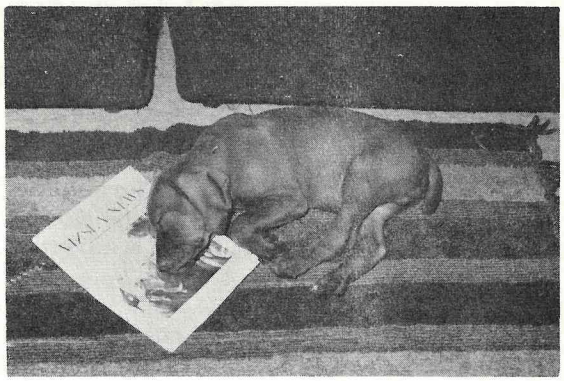
The reason I ask is that we have never learned the results of the Constitutional amendments voted on sometime ago by the membership. Did that pass? The VIZSLA NEWS is our ONLY contact with the officers, directors, and members and their activities, including the club business. It still is and always will be THE CLUB.

Are the communication channels between the Editor and the club officers such that the membership can once again be effectively served?

Clif Boggs
51 Cherry Drive
Springfield, Ohio

Ed. note: Club policy remains the same. We did not feel that it is necessary to include the statement each month that all of the dogs have been cleared for advertising by the Breed Improvement Committee. But perhaps we should once again include this statement every time.

The constitutional amendments referred to were passed.



Dear Editor,

The Vizsla News puts me to sleep. Can't some one send you some interesting stuff to put in it?

Buck
Waverly, Iowa

Dear Editor,

Why will the VCOA issue certificates only to dogs whose x-rays have been read by the University of Minnesota? Sarah Clark, Conn.

Ed. note: The Board felt that it is unnecessary to duplicate the certificates already issued by the OFA.

Have you bred a bitch in the last 30 days? Did you enter it in the Field and Bench Futurities? It is not too late. Bitches bred until October 31, 1968 may be entered in the Futurities.

The Field Futurity has 14 bitches nominated. Of these litters, 7 are entered with a total of 73 puppies. The Bench Futurity has 9 bitches nominated. From these 9 bitches, 4 litters are born and their 34 puppies are eligible. This is a good start for our First Futurity. The nomination fees and forfeits are divided among the winners after expenses. Contact Hilda Boggs, 51 Cherry Dr., Springfield, Ohio, 45506, for the Futurity Rules.

This is YOUR Trial

Field trials are for breed improvement, but in addition they offer many hours of wholesome recreation. It gives one an opportunity to meet new people and make friends, each having a common denominator -- the VIZSLA.

The club function being offered this fall is for every Vizsla owner the world over. It is not for profit but is a service to the breed owners.

The fall field trial will cost between $ 1200 and $ 1400 to run, and most of this cost will be paid by the club treasury if there are not enough entries. Six stakes are being offered at an average cost per entry of $12. It will take at least 100 entries to break even. Birds and horses will cost $700. The balance is for advertising, printing, stationary, stamps, judges, marshals and gunners expenses, rosettes, trophies, licenses, and miscellaneous sundry costs. Many hours of volunteer help are needed to make a successful field trial.

Plan now to attend the trial November 9 & 10 at Killdeer Plains Wildlife Area, Harpster, Ohio. Come and see what other owners are doing and how well their Vizsla looks and stacks up incompetition. This will help you judge your individual success in breeding or training.

The trial takes much effort for many people to plan and execute, but so little effort for you to drive a 100 or 1000 miles, to fly 3000, in order to come and spend a very enjoyable weekend with other Vizsla owners from across the country.

If you need help or advice in preparing your Vizsla or any information about the trial, just write to me and I'll find the time to help you. Perhaps you have never been to a trial before. You are welcome to come and watch. Come for whatever reason, THIS IS YOUR TRIAL !

new york club

On May 27 the Vizsla Club of Greater New York held the first of its regular meetings at Rosoff's Restaurant in New York City. After a dinner at which all members were present, the meeting was called to order, the minutes were read, and each officer was called upon to give a summary of his activities since the last meeting. The various committee chairmen were then given the opportunity to relate the results of their endeavors.

Among other things, the club was advised that a trophy is to be donated to this year's Specialty Show at Chagrin Falls, Ohio, and that the first of our annual match shows will be held on July 21 at Bedford, New York. Plans are also being formulated for our first Field Trial, with a tentative date of late September or early October.

Following the business meeting, the program chairman introduced our guest speaker, Dr. William DeHoff, resident surgeon at the Animal Medical Center in New York. He lectured on the advances Veterinarian Medicine was making in the field of animal surgery, with particular emphasis on the subject of Osteopathy. His discussion was presented with the liberal use of slides, culled from the Animal Medical Center's film library, to enhance the listeners knowledge and give a clear meaning to what he was saying.

The club plans to have a guest speaker at each of its future meetings, and we wish to extend an open invitation to anyone who cares to attend.

In closing, I would like to mention the names of three Vizslas who have recently earned enough points to qualify for their show championships: Banik's Regal Hun owned by Steve Wyssling and Marjorie Sharp, Magyar's Mimi Zem Biro owned by Toby DelGiudice and Peggy Magyar, and Kiralyz Rokudvar owned by Aimee Whitman.

The National German Pointing Dog Association is presenting a championship directed specifically toward gun dogs like the Vizsla in this running. It will be a walking stake, with no scouts. The stakes will run for one hour unless picked up earlier. Champion and runner-up will run the minimum one hour. Judges will be Del Glodowski, one of the judges at the VCOA spring trial, and Frank Nuzzo from Illinois.

In order to enter this championship, a dog must have placed in any recognized stake except Puppy or Derby.

For entries and information contact Max Cooperstein, 616 Lavergne Ave., Wilmette, Illinois 60091.

YOUR DOG ?

WOULD YOU LIKE TO SEE YOUR DOG IN THIS SETTING? You will have your chance to score a win like this at the V C O A Specialty in Chagrin on August 25.

Above is Szekeres' Kis Szereto, known as Bratt, shown going Best of Winners and Best of Breed at the Merrimack Valley show on May 25. She placed over 25 Vizslas, of which five were specials, for a 5-point major. Owner and handler was Carole Smith of Chester, New Hampshire. The Vizsla Club of Central New England supported the entry at this show.

•HELP•

After reading the column on page 6 by Clif Boggs concerning the expenses for the fall trial, don't you feel that you would like to do something to help with the expenses? You may donate to the trophy fund and have your name listed in the catalog, or you may send an ad for your dog or kennel at the rate of $2 per inch. Please send donations and ads to Paul Rothan, 315 Circlewood Drive, Cincinnati, Ohio 45215.

1968 Field Trials

Following are the fall field trials known to the editor. Let's get other areas represented next month!

HAWKEYE VIZSLA CLUB, (sanctioned), September 7-8, Bird Layne Farms, New Sharon, Iowa. Sec. Allan Hahn, 932 Hancock, Muscatine, Iowa 52761.

Eastern Iowa GSHP Club, Sept. 14-15

VIZSLA CLUB OF AMERICA, November 9-10, Killdeer Plains Wildlife Area, Harpster, Ohio. Sec. Clif Boggs, 51 Cherry Drive, Springfield, Ohio.

1969 FUTURITIES

CHAIRMAN - HILDA BOGGS, 51 CHERRY DRIVE, SPRINGFIELD, OHIO 45506

Preparations for the 1969 Futurities are already in full swing in many areas of the country. And justifiably so -- in addition to a very prestigious win, the owners and breeders of the top dogs will split a nice amount of cash. Entries are already as high as the number entered in other breeds' established Futurities.

The Field Futurity will be held in conjunction with the VCOA Fall Field Trial which has tentatively been set for New York. The Show Futurity will be held in conjunction with the V C O A National Specialty Show, the site of which is not yet set.

The VCOA Futurities are open to all Vizslas properly registered in the American Kennel Club and Field Dog Stud Book, and whose owners are members of the Vizsla Club of America. Puppies bred on or after November 1, 1967 through October 31, 1968, will be eligible to compete in the 1969 Futurities. No dog with a disqualifying fault will be permitted to compete in either Futurity.

Bitches must be nominated within 30 days after being bred. The nomination must be accompanied by a forfeit of $10.00 for the Field Futurity and/or $5.00 for the Show Futurity. Litters must be registered 30 days after being whelped. The litter registration must again be accompanied by $10.00 for the Field Futurity and/or $5.00 for the Show Futurity.

A forfeit of $3.00 to keep each individual pup eligible for the Field Futurity must be paid by midnight, July 1, 1969. A starting fee of $20.00 for the Field Futurity must be paid at closing date for the regular trial. Anyone neglecting to meet the individual pup registration may do so with a penalty of $10.00. All money must be paid at the time the starting fee is due.

There are three forfeits of $5.00 each which must be paid for the Show Futurity. Deadlines are July 1 and November 1, 1968, and March 1, 1969. Owners must pay forfeits when pups are whelped on or before forfeit date. Anyone neglecting to meet the 1st and 2nd forfeits may do so with a penalty of $2.50 for each lateness. All money must be paid by midnight, March 1, 1969.

All dogs in the Futurities are required to be tatooed with an identification number which must be submitted with the last forfeit.

If a bitch fails to whelp, or gives birth to a dead litter, her nominator will be permitted one substitute nomination or may transfer nomination to another person, in the same or succeeding stake, providing said nominator shall give notice within ten days after the date the bitch normally should have whelped. If notification is not made in accordance with this requirement, the nomination fee shall be forfeited. A substitution must be made under the rules that govern original nomination.

Of all the money paid into the Field Futurity Fund, 45% will be split among the first three winners and 25% will be split among the breeders of the first three winners. The VCOA will provide a trophy to be awarded to the owner of the sire of the 1st place winner as well as rosettes to the three placements.

In the Show Futurity, 35% of all money paid in will go to the Best in Futurity and the breeder of the best in Futurity. This money will be divided 60% to owner and 40% to the breeder. 30% of all money paid in will go to the Best of Opposite Sex in Futurity and to its breeder. This money will also be divided with 60% to the owner and 40% to the breeder.

The Field Futurity will be run on a single course with a bird field containing quail. There will be one-half hour heats. AKC Derby rules and the VCOA's Running Rules will be used.

Complete Futurity Rules may be obtained from Hilda Boggs.

NOTICE

The fee for diagnosis of x-rays through the University of Minnesota HAS BEEN CHANGED TO $7.50. A certificate will be issued to dogs that are cleared. Readings from the OFA are still accepted.

Glen Cottage Bar Rit Jay Jay is shown finishing her Championship at Springfield KC, undefeated. Breeder/Owner - Sarah E. Clark. Judge - Edwin L. Pickhardt.

This is Ch. Tokay Betyar Secundus C. D., Canadian dog owned and handled by Mrs. Wes Basler, Manitoba. He finished his championship in 1966 and recently completed his C. D. degree.

QUIT TRAVEL TROPHIES

The editor's notes did not include the notation that the Board of Directors at their meeting at the spring trial decided to discontinue the practice of awarding traveling trophies. A decision was not made concerning disposition of present traveling trophies. The matter is under study.
