The VCOA held its 2nd show futurity in conjunction with the annual specialty show. It was held on May 31 at the Stone City K. C. show, New Lenox, Illinois. Mr. Gladowski said that he was pleased with the quality of the Vizslas entered and commented on their classiness and spirit in the ring.

VIZSLA CLUB OF AMERICA

SPRING TRIAL

The Vizsla Club of America's Spring Field Trial was held at the Three Rivers Game Management Area, Baldwinsville, New York on April 4 and 5. Field Chairman Dr. B. E. "Bud" McGivern and Field Secretary Carl Richey did a truly great job in running our first Eastern "National" with the aid of their excellent committee of helpers Del Seelye, Ed Wallencheck, Carole Smith, Carl Gawenus, Allan Hahn, Anton Tinnesz, Ann Brawner, Charles DuPuy, Dick Yonda and Don Morin. LeRoy Camp and his team performed the gunning chores most proficiently. It would be impossible to list the many others who pitched in to plant birds and to give assistance wherever it was needed. We were most pleased and impressed by the fantastic support of our Midwestern members who ran their fine dogs on the big Baldwinsville grounds with great success. They certainly went home with the trophies!

The weather, cold and windy on Saturday, warmed up slightly on Sunday as the winds lessened and the sun broke through. Considering the earliness of the date we were actually lucky not to have snow on the ground in this part of New York State.

Our experienced and knowledgeable judges, Mr. Kenneth A. Marden, New Jersey, Dr. Richard Reinhardt, Nebraska, Mr. C. Paul Barry, New York, Mr. Patrick Walsh, Ohio and Mr. Martin Walters, Ohio, carefully looked over a field of 95 dogs in the five stakes. Following are some of their comments on the stakes and the top dogs.

OPEN PUPPY -14 entries-Judges-Mr. Martin Walters and Dr. Richard Reinhardt.

1. Lucky Lobo's Relentless, F, O/ Richard & Caroline Bakotic, H/ R. Bakotic
2. Golden Girl of Highland Hills, (F), O/ C. Baumhover
3. Lucky Lobo's Lad (M) O/Jack Bodine H/ H. Rozanek
4. Papai Bakony Ferko (M) O/H William Robson

Comments of Judge, Dr. Richard Reinhardt:

"The puppy stake, although maybe not the most coveted win at most trials, is probably the most important stake that we run at our breed club trial. This, because, it is in our puppies that our future lies. We know that our Vizsla matures slowly in the field as compared to some other breeds, and this is usually evidenced as an extreme difference in the performance between our puppy and derby dogs. This difference was even more promounced this year due to the fact that a larger than usual number of the puppy entries were very young and inexperienced.

The first place dog, LUCKY LOBO'S RELENTLESS, hunted a consistent back course at medium range and went to objectives in an aggressive manner. She used the wind with intelligence, had style on point, and could be a first place pup at any trial.

The second place pup, GOLDEN GIRL OF HIGHLAND HILLS, was a very hard working bitch with a great deal of potential. Being apparently a younger dog, she had not yet developed the forward pattern of the first place dog, but hunted all the way with independence.

The third place dog, LUCKY LOBO'S LAD, had an excellent back course that varied from medium to wide range. He pointed one bird on the back course with good style but lacked this same style on his birdfield find.

The fourth place pup, PAPAI BAKONY FERKO, hunted well but seemed to tire and shorten during the middle of the course. He did not reach to some of the desirable objectives at times but demonstrated desire in hunting and good bird sense for a puppy.

These placed dogs, as well as several others, showed promise for the future of the Vizsla in the field."

OPEN DERBY-22 entries-Judges, Mr. Patrick Walsh and Mr. "Rusty" Barry

Comments of Judge, Mr. "Rusty" Barry

1. BUNDLES RED DUDE (M) O/Willard Sherman, H/ H. F. Rozanek

"In 19 years of active involvement with bird dogs and in judging almost 50 field trials I've never seen a better Derby dog than this. From breakaway to pickup this dog ran with the speed, class and range of a great All-Age dog in any of the best of the gun dog breeds. This dog took each possible objective completely and logically, in turn displaying great intelligence and maturity. Had an excellent find on backcourse - again outstanding intensity and style - holding until bird was flushed. Added note - this dog's bracemate ran a very restricted, close race. Dude's race therefore was not the result of competitive effort as is sometimes seen in Derby stakes, but one of complete independence and desire. Further evidence of this dog's great desire and class were his four rapid-fire finds in the birdfield."

2. REDSTONE'S SKOL (M) O/Harold Wingerter, H/H. Rozanek

"Another outstanding Derby prospect running well forward and turning forward on his casts. Lacking only the exceptional drive and range of the first place dog. Again a very stylish dog. One find on backcourse and two in birdfield."

3. REBEL ROUSER DUTCH (M) O/ Robert Ekeler

"Ran a more restricted race than first two dogs with some show of indendent range. Unusually fine breakaway. One find in birdfield. (Easier handling would help this dog develop.)"

4. BLITZKRIEG BUCK (M) O/Mike Strottman, H/ Len Hartl

"Ran an excellent Derby race equal in range with third place dog, but displaying less maturity in handling objectives. Lots of style here. One find on backcourse and one in birdfield."

Open Derby Comments - Two General Observations

(A) This breed is improving. Looking back to my first Vizsla trial at Bela Hadik's several years ago as measured by Derby stakes - which is the real acid test - improvement in the most important quality - desire - is significantly increased.

(B) These dogs, as a breed, and as measured by the Derby stake, certainly offer both qualities that most Gun Dog trialers want. First, they almost without exception are great birdfinders and secondly certainly show a significant percentage that will really run."

AMATEUR GUN DOG - 20 entries-Judges Mr. Patrick Walsh and Mr. "Rusty" Barry

Comments of Judge, Mr. "Rusty" Barry

1. HEIDI OF WINDSWEEP (F) O/Terri Reinhardt, H/Dr. R. Reinhardt

"Clearly the class dog of the stake with respect to running a well forward, searching race with excellent style. Had a perfect backcourse find at about 15 minutes. Backed bracemate on sight. Had two perfect finds in birdfield."

2. CH. PIROLIN (M) O/Carlo Zezza, H/ E. L. Zezza

"Ran a more restricted race than the first place dog but displays lots of style and 'hunts to the fun well without direction'. One outstanding find in birdfield occurring when quail in brush would not fly, choosing to run, and causing Pirolin to stand on point for about 5 minutes well beyond any control of handler. Certainly this is a well broken dog."

3. CH. CSINOS V. HUNT (F) O/Dr. & Mrs. Paul Rothan, H/Dr. Rothan

"Ran a more restricted race than the first two dogs finishing stronger than she started. Had a perfect find on backcourse and backed on command on backcourse. Had four faultless finds in birdfield."

4. CH. PAPRIKA MAGYAR (M) O/H Donald Morin

" Ran a nice race lacking some consistency. One excellent backcourse find and two complete finds with a stop-to-flush in birdfield."

"In general all dogs displayed excellent bidability and manners along with lots of birdfinding ability."

OPEN GUN DOG-26 entries-Judges Mr. Martin Walters and Mr. Kenneth Marden

Comments of Judge, Mr. Kenneth Marden:

1. BOBO BUCK SELLE (M) O/H Sylvester Armstead

"Carried in first place from the third brace on, Buck showed us a hard-driving back course, which found him deep in the cover or hunting the hedgerows all the way. He sight backed his bracemate's non-productive on the back course, and had a beautiful find of his own in a hedgerow. Two stylish bird field finds capped his outstanding performance; one was deep in a hedgerow where his handler really had to thrash around to produce a flying bird. Buck was under perfect control at all times with absolutely no pressure applied by his handler during any of his bird work.

In the shoot-to-kill series, he pointed stylishly and was steady to wing and shot. His bird work here was marred slightly by a reluctance to retrieve promptly, but his overall performance far outweighed this shortcoming. This win finished Buck, and in our opinion, he certainly deserves to be a Field Champion."

2. RIPP BARAT'S BUNDLE (F) O/ Willar Sherman, H/ H. Rozanek

"This little bitch really tore the course apart. She dug deep into every piece of cover, and although her exuberance made her a bit rough to handle, her hunting ability and excellent nose produced three back course finds. Her manners were flawless and she pointed with style. In the bird fiel she had two more finds and a back on her bracemate. Her handler blocked her slightly when her bracemate's bird was flushed.

We rated her almost even with the first place dog before the shoot-to-kill call back. Despite a snappy retrieve and steadiness to wing and shot, we couldn't place her higher after she sat briefly while handler was flushing her bird."

3. CH. CSINOS V. HUNT (F) O/Dr. & Mrs. Paul Rothan, H/Dr. Rothan

"Hunting at medium range, Csinos failed to exhibit the drive of the first two dogs. However, she searched out most of the likely spots and finished her back course with three finds on which she was steady to wing and shot, plus one stop to flush. Three mor bird field finds with perfect manners placed her high on our list. Her handler never had to apply pressure - we bet she's an absolute joy to hunt with.

Her shoot-to-kill work was accomplished with style, and though she was a bit slow in picking up her bird, she did retrieve to hand.

4. YONDA'S CENTURIAN'S DREAM(F) O/Richard Yonda, H/ C. M. Smith Jr.

"A busy, hard-hunting back course made us sit up and take notice. Popping in and out of the cover, she soon had an opportunity to show her steadiness to wing and shot. We particularly liked her style and intensity on point. She was really wound up by the time she hit the bird field, which could account for her one jump as handler flushed her first bird.

She backed her bracemate's find on command, and then, as time was running out, she stabbed a quail in a hedgerow. She remained statue-like for two minutes as her handler flailed and thrashed away in an eventually successful effort to flush the bird.

One back course non-productive did little to help her move up in the standings but her overall drive and intensity overshadowed this minor flaw in an otherwise outstanding course.

On the call-back, she was steady to shot and retrieved nicely."

COMMENT:

This was an outstanding stake to judge and the course was the ideal place to show a gun dog. We had thirteen clean dogs and seven of these could have placed in any gun dog stake.

It was one of those heartbreaking days (for handler and judges!) when the one dog that was tail and withers above any other in the stake went down the drain at the last minute. When BROOK'S AMBER MIST failed to honor, you could've head the judges' groans from here to Baldwinsville!"

LIMITED ALL-AGE-13 entries- Judges, Dr. Richard Reinhardt and Mr. Marden

Comments of Judge, Mr. Kenneth Marden:

1. REBEL ROUSER DUKE(M) O/H H. F. Rozanek

"Duke was the only dog who ran a true All-Age course. He ranged well and hunted the objectives he hit, although he went birdless on the back course. Three finds in the bird field enabled him to show the gallery the style which impressed us during the previous forty minutes. He was credited with an honor and never showed the slightest inclination to break as bracemate's bird was flushed.

On the call back, he again pointed with intensity, remained steady to wing and shot and retrieved smartly."

COMMENT:

The only other clean dogs we had in this stake were strictly gun dogs- the wide 45-minute course was just too much for them. Several dogs ran well and showed us some excellent bird work; however, the judges felt that if the stake is to be judged as an All-Age, only a dog who hunted the course and objectives at much greater range and speed than a wide gun dog should be placed.

In the final analysis, only one dog combined the qualities of speed, range, hunting the objectives and flawless bird work that characterizes an All-Age contender. All other placements were withheld."

A further interesting note is that REBEL ROUSER DUKE achieved his field championship with his outstanding performance in this Limited All-Age Stake. Congratulations to the dog and to Owner-Handler H. F. Rozanek.

REPORT FROM THE TREASURER

Several weeks ago I spent about five hours with Bobbi Holmes working on her mailing file for the NEWS and my address file for the membership. You wouldn't believe the people she had living one place and I had them living some place else and the Post Office was convinced they didn't even exsist. But in all seriousness we did get most of our cards corrected.

Each month I send a list of new and renewal memberships to the Secretary, President, NEWS Editor and Permanent Field Tiral Chairman. I'm going to start including in this list the people who have subscriptions only and current members who have a change of address during the year. We are hoping this will help the NEWS file, Secretaries file and mine to be as current as possible and all of us have down the same address for each member.

You can see why it is very important to let me know when you do have a new address. Also please notify sec. May Carpenter.

I have been getting some inquiries about the prices of the Vizsla pins. The large pins are $5.00, the small ones and the tie tacs are $2.00, patches are $2.00, pedigree forms are $.25 or a dozen for $1.00 and the training Book is $1.50. I also have the phamplets "PRESENTING THE VIZSLA" which are free.

Vizsla Club of Illinois "A" Match
By Jane Wierschem - Match Secretary

It was a beautiful warm, sunny day Sunday, May 3, 1970 when the Vizsla Club of Illinois had its first AKC sanctioned "A" Match. It was held at the Thunderbird Hunt Club near Crystal Lake, Illinois. The setting was perfect too--open fields all around a scenic lake, a trout pond near and in the center, a grassy knoll with a few shade trees. This is where the 16 dogs with 28 entries were judged by Bob Eldridge, a professional handler. Our judge and many spectators were impressed with the quality of the Vizslas. The judge said the conformation of the Vizsla has improved in the past two or three years.

Best of Breed went to Amber's Windy Autumn, above, left, a beautiful bitch owned by Phil & Dorothy Rosenberg. She was bred by Tony Lucas. Her sire was FT Ch. Jodi of Czuki Barat and her dam was Ch. Brook's Amber Mist. Best of Opposite Sex went to Ed's Golden Gypsy of Hanover, right, owned by Edward Stoeke. Ch. Gypsy's Bronze Bomber was the sire and Weedy Creek's Elsie was the dam. Both sire and dam are owned by the breeder, Harriet Anderson.

THE VIZSLA CLUB OF NORTHERN NEW JERSEY

By Al Mentes

Although a conflict of dates with the Vizsla Club of Central New England undoubtedly hurt the entry to some extent, the first Specialty of the Vizsla Club of Northern New Jersey must be rated an outstanding success. It was held May 23 at the Monmouth County Kennel Club, Oceanport, N. J. A fine array of marble-bases trophies and handsome tankards awaited the 28 entries.

Best Vizsla was CH. Gold-N-Rust Daredevil, CD; Sarah and Herbert Clark, breeders-owners, and handled by John B. Lindsay. Daredevil went on to place 4th in the Sporting Group, no mean achievement in a show of the size of Monmouth with an entry of 1824 dogs. The Clarks must be congratualed also for their interest in Obedience trials, certainly an underutilized sport among Vizsla fanciers in the East. To round out his interest in Vizslas, Herb Clark is active in Field Trials - maybe not winning, but certainly doing his level best.

Winners Dog was Futaki Spice, owned by Ann Brawner, Ed Larsen, handling; with Matai Ceger, owned by Ken Winters, handled by Walter Morris, going reserve.

Richard and Catherine Soares' Sienna Gold Tasha, Ellen Hoffman, handler, went Winner's Bitch; later to be selected Best of Opposite Sex. Reserve was Gold-N-Rust of Go Leor, owned by Jim and Mary Long.

Other winners were, Puppy Bitches, Herb and Irene Ernest's Balatoni Sasha Barat; Puppy Dogs, Great Guns Star Gaza, owned jointly by Mrs. Roberta Jacklin and Mrs. Myrtly Launsbach. American Bred Dog was Ric-mar's Copper, owned by Jack Sadowitz. In the Field Trial Class, Ray Damiano's Thunderbolt of Great Notch was selected Best Dog, with Jobi's Gremlin Tina, owned and bred by Denes Burjan, taking Best Bitch.

Judge Theodore E. Gunderson awards Best Vizsla ribbon to CH. Gold-N-Rust Daredevil, owned by Sarah and Herbert Clark, shown with handler, John B. Lindsay at the first Specialty of the Vizsla Club of Northern New Jersey, Monmouth Kennel Club. Later Daredevil placed fourth in Sporting Group.

Vizsla Club of Illinois
Stud Dog Registry

The Breed Improvement Committee of the Vizsla Club of Illinois is happy to announce that its Stud Dog Registry is ready to be loaned out. At present there are 36 stud dogs listed and this number is growing. Recently there have been a number of requests for the questionaire, so that within a month there will be at least 40 dogs listed. Of the 36 dogs presently listed there are 6 field champions, 15 bench champions, and 1 dual champion.

The Registry is available on loan, free of charge, upon request. Since there are a limited number of copies, we would appreciate it if you would return the Register as soon as possible (within a month) so that (1) it may be brought up to date, and (2) others can have a chance to use it. Requests should be made to: Ken Wierschem, 590 Phillips Circle, Antioch, Illinois 60002.

VIZSLA CLUB OF GREATER CLEVELAND

Our Spring Field Trial can be described as a huge success. A total of 67 starters of which 44 were Vizslas competed in the Five Stakes - Open Puppy - Open Derby - Open Gun Dog - Amateur Gun Dog - and - Open All-Age. The other 23 dogs were German Shorhaired Pointers. For the first time in a two day trial, we had 70 dogs entered. One of the dogs was scratched prior to the running and the other two dogs did not show for the trial.

The weather was far from ideal. Saturday morning March 21st, it was very cold with a steady breeze blowing. Sunday morning a wet snow was falling that melted on contact with the ground. The course was soggy in spots on Saturday but on Sunday, it was a lot worse. The weather conditions did not deter the enthusiasm of the dogs.

The Judicial saddles were filled by Mr. Ivan Lawyer of Chesterland, Ohio and Dr. C. C. Conklin, Jr. of Marion, Ohio.

The Stakes and Winners are listed below:

OPEN PUPPY 8 V, 4 GSP
1. Lucky Lobo's Relentless, (F), V, O/H Richard Bakotic
