1971 FIELD FUTURITY

The Futurity will be held on Friday, October 22, 1971

Branched Oaks Grounds, Raymond, Nebraska

Judges: J. W. Dewey, Raymond, Nebraska
George Degidio, Bloomington, Minnesota

1971 V.C.O.A. National Specialty

No dog event begins on the advertised date--it always gets going the "night before". The Viva Vizsla Banquet was held in the Montecito Room of the lovely Miramar Resort Hotel on Saturday night. The room was decorated with huge Mexican paper flowers, a colorful pinata, lovely banquet table and beautiful Vizsla people! No one can ever recount the details of a pleasant evening with interesting conversation. Let's just say the affair was enjoyed by everyone (especially when the committee decided on an extended cocktail hour instead of an after-dinner speaker!).

The 1971 Specialty and Show Futurity was held in Santa Barbara, California. We had an entry of 78 Vizslas--with many multiple entries making this the largest "showing" of Vizslas to date. The warm California sun complemented by a welcome ocean breeze made the weather perfect for a dog show. First on the agenda was the Futurity at 8 a.m., judged by Mr. Herman Cox. Best in Futurity was Debreceny Badger owned by Art and May Carpenter. Badger was sired by Ch. Debreceny Dezso (owner, Gary Carpenter) and his dam is Ch. Debreceny Lila (owners, Art and May Carpenter). Best of Opposite Sex was Totton's Stephania of Rotkopf owned by Bill and Elsie Totton. Stephie was sired by Ch. Debreceny Dezso and her dam is Totton's Fenyes Vadasz (owners, Roy and Barbara Stephenson).

After the Futurity judging, we were all busy benching our dogs (this year there were a total of 3662 dogs to be benched under the gigantic "circus" tent on the polo grounds). The decorating committee did a wonderful job providing a beautiful setting for our dogs. The back of the benching was covered with green burlap and the front of the benching was skirted in the same green burlap with a fringed edge. Hanging above each dog was a wooden sign attached with a brass chain with the dog's name in bold, artistic, black letters. Each dog had a white rug to sit on making our entire aisle a spectacular display in green, white and rust-gold. The three California clubs and the VCOA were each advertised with its own bulletin board display of pictures, brochures and club bulletins. We also had a corps of young men in "VCOA uniforms" helping exhibitors carry equipment to and from the benching area and selling the VIVA VIZSLA badges (a few badges are left and are available for $1 from May Carpenter).

The judging for the Specialty began at 10:15 a.m. Mrs. Augustus Riggs, IV completed all the classes of dogs and chose Debreceny Badger as Winners Dog. She had completed American Bred Bitches when a lunch break of about 30 minutes was announced. We decided that the recess was not long enough for the luncheon planned by the hospitality committee, so everyone just waited nervously for the judging to continue. After the break, Mrs. Riggs judged the Open Bitches, choosing Amber Shambles Shamrock as Winners Bitch, Veterans and Field classes and then began the difficult task of choosing the Best of Breed. Imagine 24 Champion Vizslas in the ring at one time! Mrs. Riggs had to divide the 14 dogs into two groups to narrow down her choice. Each dog was carefully examined and individually gaited. Similar procedure followed with the 10 bitches and the final choices were made: BOB: Ch. Debreceny Dezso (this is the second VCOA Specialty win for Dezso), BOS: Ch. Debreceny Dijana and BW: Amber Shambles Shamrock.

Following the BOB judging came the very important and impressive Stud Dog class. Each dog appeared in the ring with two of his get. After being examined statically, all three Vizslas of each entry were gaited together. The Brood Bitch class was conducted in the same manner. Completing the Specialty was the Brace class with only one entry.

Now that the serious part was over, everyone had time for the "tailgate luncheon" (with tacos and California artichokes and avocados) and lots of Vizsla talk.

This was truly a memorable event for me--I was so glad that I had an opportunity to participate. There is not space here to list the many people who worked so very hard to make this event the "showcase for Vizslas" that it was, but I must mention one name--May Carpenter--without her dedication and hard work, this event would never have been--so many thanks to May and to all those who helped her.

VIVA VIZSLA!!

.....An interesting point concerning the SPECIALTY.....

The late HERZOG SCHLOSS LOOSDORF, owned by Dr. John Bussing of Los Angeles, was the Sire of the Best of Breed and Best of Winners in the Specialty. He was the grandsire of the Best of Opposite Sex and the Winners Dog. He also sired the dog that went Best of Breed the day before at Ventura! Talk about consistent judging!! Herzog was also the grandsire of the two Futurity winners, since they were sired by Dezso who was one of Herzog's get.

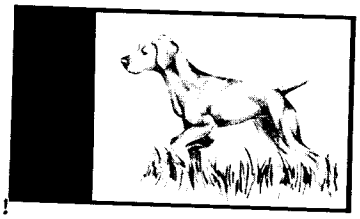
Show News —

CH. DEBRECENY DEZSO, owned by Gary Carpenter, took a Group 4th at the Salinas Valley Kennel Club Show on August 21, 1971. The next day at the Santa Cruz Kennel Club Show, DEZSO won the Sporting Group. His owners tell me that he is still the only Vizsla to ever win a group in a California show!

Congratulations on these fine wins and the Specialty!

*****DON'T FORGET THE FALL NATIONAL AND 1971 FIELD FUTURITY IS COMING UP -- IF YOU PERSONALLY CANNOT ATTEND THESE EVENTS, SUPPORT YOUR CLUB THROUGH THE TROPHY FUND !!

The Vizsla Club Of America, Inc.



THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU!

I would like to take this opportunity to thank the many, many people who made the 1971 Vizsla Club of America Specialty a smashing success. With so many people working in so many different ways, it is difficult to know where to start.

The first "Thank You" must go to the Board of Directors of the VCOA, who voted, way back in 1969, to rotate the Specialty from Eastern, Central, and the Western regions of the USA, with 1971 our turn out west. I am certain I speak for all westerners when I say we appreciated the opportunity to at last participate in a national club event without travelling thousands of mile to do so.

The next "Thank You" has to be for Mr. Sydney Heckert and the Santa Barbara Kennel Club, for co-operating with us in every possible way; for ordering those beautiful trophies; for providing, as always, a real "class" show at which to hold our Specialty. In spite of the largest entry for any one day benched show, we were not crowded in our benching area. We also had more than enough room for our Taco luncheon.

To the two distinguished judges, Mr. Herman Cox (Futurity), and Mrs. Augustus V. Riggs IV, (Specialty), a very special thank you, for thoroughly judging each & every dog entered, and remaining pleasant and polite throughout. After hours of judging Vizslas in hot California sunshine, Mrs. Riggs remained gracious and considerate, giving instructions to each exhibitor, clearly and cheerfully. (If you have ever had judges grunt, gesture or gripe at you, you will understand what I mean).

Next- "Thank You" to the Exhibitors- without them there would be no show at all. More than once during the day remarks were heard to the effect that what had been billed as a National had actually ended up just a California Specialty. While I must admit we were all disappointed in the lack of support from the other states, let us remember we did have entries from six other states. The entries from Montana and Washington state were absent, however, but one dog did come all the way from Virginia, one from Texas, two from Arizona, and four from Nevada. So, to Horace Woodlief, Martha Hutchins, John and Marge Mehagian, and Connie Johnson- a special thanks for keeping the National national. One telegram was sent to us from Mrs. Beryl Taylor, Spokane, Washington, who was unable to attend herself, but did want to wish us the best of everything for our first National event west of the Rockies. Her kind thoughts were greatly appreciated.

There are no words adequate to express my thanks to all the people who worked on all of the Committees, and those who pitched in and helped though assigned no particular task. The committees have been listed in past issues of the News, and on the brochure, so I won't list them again. I hope their names are familiar to all by now. Anyone looking for capable, dedicated Vizsla people to work on club projects will certainly remember their names!!!!!

Another "Thank You" to all who supported the National Specialty financially, either through donations to the Trophy Fund, or the purchase or selling of raffle tickets, or the purchase of the "Viva Vizsla" buttons. If you could have seen the quality of the trophies and rosettes, the attractiveness of the bench decorations, the individual dog's signs and club signs, the brochures mailed out, you would be proud to have assisted in creating this favorable image of your national club and your favorite breed.

VIVA VIZSLA!!!!!!!!!!!!!!!!

And final thank you's : The Southern California Vizsla Club donated the hunting vest that Mrs. Mehagian won in the raffle. The Ione Cypress Club was going to donate champagne for the raffle, but due to a mix up about who was to get the beer for the Taco luncheon, they donated it instead to be served with the luncheon. For the 2 cases of bubbly, we all thank you!

Will and Gini Crawford, who arranged the luncheon, cooked and chopped, and chopped and chopped!!! To all others who helped them with the luncheon. To Marlin Thrasher and Art Carpenter for struggling to get the helium balloons aloft over the spot where the luncheon would be held. (Contrary to what the announcer said, that was not an old sock hanging from the balloon- that was the <u>other</u> balloon that popped.)

THANK YOU AND VIVA VIZSLA

HORSE SAFETY

by JACK STARR

...IT IS NOW TIME to think of the coming Fall Trial season. As you know every season there are a lot of accidents with horses kicking other horses, dogs and occasionally people.

...IF THE HORSE is tied up, there is not much that can be done besides placing the animals away from the main area. However, if you are mounted, and a horse, dog or person gets too close to the rear quarters,, you can be sure that he won't kick, if you reach behind and place your hand just above the tail and press lightly. He will tuck tail and hunch and cannot kick. You can do this in a flat walk, running-walk, or trot. Most horses will break their gait and a dog can run into them and they can't kick.

...THEIR FRONT END is a different story. You have to rein away from the animal or person, since they cannot strike sideways. A dog coming from the rear through the gallery is playing Russian Roulette. If the Marshal would instruct the gallery on this point, a trial would be much safer.

...It is surprising how few people, even horse people, are aware of this fact.

...Thanks Jack, very timely and excellent advice.

The Article on "Horse Safety" was reprinted from the August Issue of the German Shorthaired Pointer News.

New Dog/Man Age Formula Announced

GAINES DOG RESEARCH CENTER reports a new formula for determining dog-man ages.

Previously, a one-year-old dog was said to equal seven years in man. The new comparison method, devised by veterinary researchers, says that the one-year-old dog is equated with the human adolescent, age 15, and the two-year-dog with the human adult, age 24.

From there on, the aging comparison levels off and is assigned a 1-4 ratio. Therefore, a three-year-old dog is equivalent to a 28-year-old-man; a four-year-old dog is equal to a 32-year-old man and a 12-year-old dog is equivalent of a 64-year-old human.
