"It appears on the surface that the Vizsla News is losing money every year. This really is not so. Subscriptions to the News is figured as Income. A subscription costs $5.00 per year.

Members automatically receive a copy of the News as part of their membership, therefore it is only fair that we assume that $5.00 out of each member's dues be applied to the Vizsla News.

400 members @ $5.00 = $2000.00 Income

The News certainly doen't make any money, but it doesn't lose any either. The Treasurer has a complete record of all Vizsla News expenditures if anyone should want to see items in detail.

Respectfully submitted
Carole Smith, Editor"

REPORTS OF COMMITTEES:

1971 Futurity Committee- Roger Paluska, Chairman. Roger outlined the many problems that have come up due to outdated rules, mainly with tattoos and forfeits. It was suggested that the 1970, 1971 and 1972 Futurity Chairmen be appointed to rewrite the rules. They were so appointed:(Tony Lucas, Roger Paluska, and Sylvester Armstead.)

1972 Futurity Committee- Sylvester Armstead, Chairman. Summary of report of 10-22-71: 21Bitches nominated- 16 for Field & Show; 3 for Field alone, 2 show alone. 18 litters nominated with pups totalling 136- 63 females & 70 males.
There are 4 individual pups nominated- 2 for show and 2 for field.
There are 9 states represented as follows:

Iowa	6 litters	New Hampshire	1 litter
Illinois	5 "	Virginia	1 "
Nebraska	2 "	Wisconsin	1 "
Colorado	2 "	Texas	1 "
California	2 "		

SHOW COMMITTEE:Bud McGivern, Chairman. In his absense, Hank Rozanek reported that the Vizsla Club of Greater New York is still the only club to submit an invitation to host the Specialty in 1973. It will be at the Westchester Kennel Club show.

BREED IMPROVEMENT:Jim Rose, Chairman. The following written report was submitted:

Since April 8, 1971- 22 OFA certificates received
a) 12 permanent
b) 10 temporary

6 x-rays received
a) 2 temporary
b) 3 permanent
c) 1 pending

I received a letter from Dr. Francis Spurrell in regard to our dividing the Breed Improvement Committee money with OFA. I forwarded a copy of this letter to Connie Johnson. I then received from her a copy of her letter to OFA but have not yet received word from her as to an answer from OFA.
Due to numerous complaints on the original certificate to be submitted to the VCof A to have a dog approved for advertisement in the Vizsla News, the Breed Improvement Committee would like to have the approval from the Board of Directors to accept notarized photo copies from the owner. Would also like to see dogs temporarily approved only until they are 30 months of age, regardless of when they were x-rayed.

Signed by
Jim Rose.

Jim then made a motion for the Board to approve the rule change suggested in his report. Seconded by Carlo Zezza. Will Sherman moved to amend the motion to

limit the age for clearance to no less than one year; seconded by Ron Holmes. Carried. Vote then called for on Jim's motion; carried.

TROPHY COMMITTEE:Chairman Paul Holzworth reported he and his committee (Zezza, Arrasmith) made the following recommendations: 1. The large trophy discussed at the last meeting be awarded to the winner of the field futurity. 2. The Bela Hadik Memorial Trophy be presented to the winner of the Derby stake at the spring National Trial. These recommendations were put in the form of a motion by Paul, seconded by Carlo Zezza, carried.

PERMANENT FIELD COMMITTEE: Allan Hahn, Chairman read a letter suggesting a permanent site for the Spring National Field Trial at Kildeer Plains, Ohio, starting in 1973- from the 2 Ohio clubs, Miami Valley and Vizsla Club of Greater Cleveland. Allan said he would like to know if the Board would like to have a permanent site for the VCOA spring trial (this would include annual meeting and Board meeting as well). This was put in the form of a motion and seconded and a vote called for and defeated.

Chairman Hahn reported the 1972 spring trial will be in Baldwinsville, New York the first weekend in May. CAROLE Smith is Field Trial Secretary. He then mad a letter from the Colorado Vizsla Club requesting the opportunity to host a national trial as soon as possible.

At 7.45 P.M., the Board recessed for dinner.

At 9.10 P.M., it reconvened, with following members present: Rose, Hartl, Rozanek, Wallencheck, Sherman, Holmes, Zezza, Wingerter, Lucas, Arrasmith, Paluska, Holzworth, Carpenter, and Fisher presiding.

It was brought to the Board's attention that Inc. had been omitted from the first printing of the Constitution and By Laws in the News, and that Carole Smith be notified that the Club is Incorporated, and it should be so noted in the next printing.

NEW BUSINESS:

Duties of Corresponding Secretary (handling of arm patches, pins, pedigree blanks, etc. now done by the Treasurer) will be assigned to Secretary May Carpenter.

2.(See item # 14 of Secretary's report) Letter from the Vizsla Club of Eastern Iowa- copy of letter they received from the AKC. Carlo Zezza moved to write AKC confirming recognition of this club by parent club; seconded by Carolyn Arrasmith, and carried.

3. Secretary showed a form used by the German Shorthaired Pointer Club of America for granting parent club permission to hold regional club events. Carlo made a motion that we have similar forms printed ; seconded, carried.

4. Discussion on club's responsibilities as a parent club. Secretary was instructed to write to AKC for additional copies of their Charter, Constitution and By Laws to send to Board members.

OLD BUSINESS:

1. Bogg's Book- Since only half of the committee was present to give a report, it

was decided to dispense with any report at this time, until all of the committee could be heard from.

2. A letter from F.E. Compton Co. was read, asking for up to date material on the breed. The Secretary was instructed to send all information available.

3. Wire Haired Vizsla- Wes Basler, Canada, had written to President Fisher to ask if he could enter his Wire Haired Vizslas in the fall trial. AKC was contacted, and said if we accept them as a variety of our breed, they could be entered in the trial, if properly registered with the FICA. On a motion by Carlo Zezza, second by Carolyn Arrasmith, it was decided not to accept the Wire Haired Vizsla as a variety of our breed. Motion carried.

4. Regional Futurities- Suggestion made that the regional clubs that want them should hold their own futurities. Tony Lucas presented a plan to hold show and field futurities on the same week-end. This plan was tabled until the committee looks into it further.

5. Tony Lucas moved that in all upcoming VCOA trials all stakes except Puppy and Derby and Amateur Gun Dog be limited stakes. Seconded by Jim Rose, motion carried by a vote of 8 to 4.

6. Roger Paluska made a motion to appoint a Parliamentarian to attend future meetings; seconded; defeated.

7. Vizsla News- Complaints received were discussed. On a motion by Len Hartl, the President was instructed to communicate with the Editor and express the Board's feelings about the job being done,

8. Year Book- Len Hartl moved that Barbara Berlenbach be contacted to see if she would finish the club year book started by Connie Johnson. Seconded by Carlo Zezza and carried.

9. Training Book- how to dispose of them was discussed, and it was decided to send them to each new member until they are all gone.

Meeting Adjourned.

May Carpenter, Secretary

SECRETARY'S PAGE

To: Regional Vizsla Clubs

From: May Carpenter, Secretary, Vizsla Club of America, Inc.

Now that the Vizsla Club of America, Inc. is an AKC member parent club, the following procedure is necessary when planning an AKC event:

1. Keep the VCoA Secretary up to date on your club Secretary's name and address, so a supply of the permit forms can be mailed to you.
2. When an AKC trial or specialty is planned, fill out 4 copies of the form and return to the VCoA Secretary for her signature.
   (One copy will be returned to you for your files, one copy will be sent to AKC, one copy will be retained for VCoA files, one copy will be sent to VCoA Field/Specialty Show Chairman.)
3. When you receive your signed copy, procede as before- apply directly to AKC for their approval of your event.
4. When AKC issues the permit for your event, notify the Vizsla News Editor so it may be published and advertised. Notify the VCoA Secretary as well.

A new club should consult with all field trial clubs in its area before applying for a date for its first licensed trial. Clubs holding licensed field trials will establish a parent club "priority date" in the first year or so, and these would be reserved for that club, if they wish.

If there are any questions about procedure, please contact me and I will do my best to answer them.

VCOA FIELD TRIAL

Reported by The Rozaneks

The Fall Field Trial of the Vizsla Club of America, Inc. was held on the weekend of October 23-24, 1971 at Branched Oaks, Raymond, Nebraska. Bill Fisher served as Chairman and Betty Rozanek was Field Trial Secretary. Other Committee members were Bud Graff, Jane Graff, Bob Ekeler, Sylvester Armstead and Hank Rozanek. The Judges for the weekend were R. J. Buhman of Omaha; George Degidio, Bloomington, Minn; J. W. Dewey, Raymond, Neb; and Lew Simon of Antioch, Ill.

The weather was perfect for the running of the dogs. There was heavy fog in the early morning, leaving the fields damp. There was cloud cover for most of the trial, with intermittant rain.

There were 106 Vizslas entered. The Field Trial Committee would like to thank everyone who helped put on the field trial. Most everyone enjoyed a fine weekend with a delicious dinner at the Colonial Inn and a few new faces to look at!

The VCSC held a Sanctioned Field Trial on Oct. 16-17 at Lake Success, Porterville, Calif. All Stakes were open to outside breeds except Amateur Gun Dog. We had 46 entries of which 29 were Vizslas. The trial ran smoothly and our club is looking forward to a licensed trial in March. This will be the first Vizsla Club licensed trial in Calif. (west of the Rockies, as a matter of fact). At the present, we Californians have little or no chance to enter a licensed trial as most stakes are closed to Vizslas.

The following are the results of our trial:

Open Puppy (9 Vi, 3 IS, 3 GSP)
1. McHunters Shannon (IS)
2. Aprils Kimvarra Gamble (IS)
3. Csibesz Rotkopf/C Starbuck (Vi)

Vizsla Yearbook

This is to inform the membership of the status of the Vizsla "Yearbook".

The yearbook was started by Connie Johnson, and she got it off to a wonderful startm devoting many hours to this undertaking.

I feel nost fortunate to work on this project now and have Connie's invaluable advice.

May I ask for your assistance? If you receive a request for information on your champion, photo and pedigree (copy of AKC Certified if possible), please respond. Only with the members' help can this be a complete record.

Thank you in advance for your cooperation.

ATTENTION FIELD TRIALERS.....

As most of you know, the AKC rules were revised as of January 1, 1971. It amazed me this fall that so many trialers had not bothered to obtain a new rule book, the new book is orange and is free on request from the American Kennel Club, 51 Madison Avenue, New York, N. Y. 10010

The old rule book was fondly referred to by most as "the Blue book" but it is now outdated so if you don't have have an Orange Book, send for one today. And for those of you who are new to field trialing or are thinking about trialing your dog, you should have a copy of this rule book.

FROM THE PRESIDENT

The Chairman for the 1973 Futurities is Carl Richey Sr., P.O. Box 202, Bennington, Vermont 05201. Carl will be accepting nominations for bitches bred on or after November 1, 1971 for both Show and Field Futurities. The 1973 Field Futurity will again be held in conjunction with the VCOA Fall Field Trial at Branched Oaks, Raymond, Neb. The Show Futurity will be held in conjunction with the Specialty Show and will be held in September (1973) at the Westchester Kennel Club Show, Croton-on-Hudson, New York. Carl will not have a complete set of rules to return to the nominee for some time yet as we are trying to improve the running rules. As far as nominating bitches and litters, the rules will be the same as for the 1972 Futurities. So please be patient with us until the 1973 running rules are published.

Sylvester Armstead has resigned as Chairman of the Nominating Committee. I have appointed Jim Arrasmith of Winterset, Iowa to replace him. Others serving on this committee are Mrs. Carole Smith, Chester, N.H. and Bob Averill, Placentia, California.

Some of the membership will remember Mr. Hershell Grahan of Rising City, Nebraska. For those who do not remember the name, Mr. Grahan was the gentleman who donated a $1,000.00 to the Vizsla Club of America to hold a field trial at Rising City, Nebraska a few years ago. Mr. Grahan was killed in an auto accident early this fall. I received a nice thank you card from Mrs. Grahan for the flowers the VCOA sent.

MY CLUB

What kind of club would my club be,
If all club members were just like me!

You can thoughtfully ask yourself that question,
If not, perhaps it's a swell suggestion.

You can sit by the fireside smoking your pipe,
Find fault with the officers, censure and gripe.

Or you can be one who is always on call,
Both ready and willing to carry the ball.

To your fellow members you will soon be known
As a true loyal worker, or else as a drone.

You can encourage new members or your can refuse
to take any part beyond paying your dues.

You can stand on the side line, or jump in and play,
Attend every meeting or just stay away.

Whatever your talents, some job you can do.
Say to yourself as the past you review,

What kind of club would my club be,
If all club members were just like me????

HAVE YOU PAID YOUR DUES???? The 1972 Election of Officers and Board Members if coming up shortly after the first of the year. You will not receive a ballot if your dues remain unpaid!

This is Kenny Burdette with Ch. Carob's Miklos, C. D., shown taking second in a class of 25 at the Sibier Bay Kennel Club. This was Kenny's first time entered in Novice Jr. Handling.

Have had some nice news via the mails and telephone from Tom and Pat Kepler of Springfield, Pa. Their 10 month old puppy, Bratt's FK Satin Valentine has been doing some fine winning in the show ring. Val picked up her first point at the age of 6 mos. At 8mos she took a 3 point major, picked up 3 misc. points inbetween and last weekend at the age of 10 mos. got another 3 point major by going Best of Winners at the Maryland Kennel Club Show in Baltimore. Their male, Great Guns Riding High, has picked up eight points since August and was Winners Dog at the Maryland Show for his first major.

Joe Cunningham's Glen Cottage dogs have been in the winners circle. Both Glen Cottage ChiChi Barat and Glen Cottage Cruzana Tiki Barat completed their championships early this fall (AKC Confirmation pending), giving the late Ch. Puerco Pete Barat his 18th Champion. Co-owner Stan Nack of Hyde Park handled both dogs in the ring. Another Glen Cottage dog to finish this summer-G. C. Adam owned by Joan Marie Smith, Stony Brook, N. Y.

GENERAL NOTES ON THE VIZSLA CLUB OF AMERICA'S HIP DYSPLASIA PROGRAM

*****

The basic purpose of this program is two fold; it provides a means whereby the breeders may secure expert pelvic evaluation as an aid to better breeding. It also is used as a requirement for advertising stud services, pups and dogs for sale in our breed publication, THE VIZSLA NEWS. Regulations for advertising in the "News" may be obtained by writing to the Vizsla News Office.

When submitting your xrays to the University of Minnesota, a waiting period of approximately six weeks should be anticipated before your films and report are returned to you.

In the event that a diagnosis cannot be made from the xray submitted to the U. of M., a fee of only $1.00 is charged. The balance of $6.50 is applied on another xray when it is submitted, or it is refunded at the request of the owner.

The money from the fees that are charged is held in escrow by the Vizsla Club of America and is to be contributed, as it accumulates, to the University of Minnesota for use in canine research.

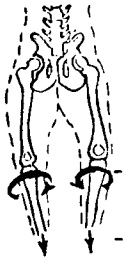
PROCEDURE FOR SUBMITTING RADIOGRAPHS THROUGH THE BREED IMPROVEMENT COMMITTEE OF THE VIZSLA CLUB OF AMERICA FOR EVALUATION BY THE UNIVERSITY OF MINNESOTA FOR CANINE HIP DYSPLASIA:

1. The following information must be imprinted on the radiograph with lead markers or other radiopaque materials: date of radiograph, dog's registration number, right or left side labeled.

2. The following must be submitted with radiograph: owner's name and address, sex of dog, age of dog in months, and a fee of $7.50. The dog's registered name should also be given.

3. Adequate anesthesia is essential to insure immobility of animal in the desired position.

4. Dog is positioned squarely on back with hind legs in maximum extension and abduction and as nearly parallel as possible. In this position the radiograph will appear much as a man standing. The pelvis should not be tilted - compare sizes of obturator foramens. The patellas should appear directly above the condyles of the femurs.



5. Density of the film should be of sufficient quality to give good definition to the osseous structures of both hip joints.

6. Radiographs with the above information and fee should be mailed to:

JIM ROSE
BREED IMPROVEMENT COMMITTEE, VIZSLA CLUB OF AMERICA
793 Merry Lane, Boulder, Colorado 80303

Those Vizsla owners and breeders who wish to have their radiographs diagnosed by the Orthopedic Foundation for Animals at the University of Missouri, School of Veterinary Medicine may do so by writing to the following address for instructions on their procedure:

ORTHOPEDIC FOUNDATION FOR ANIMALS, INC. Dysplasia Control Registry
817 Virginia Avenue, Columbia, Missouri 65201

The fee for the services of the OFA is $10.00. Their diagnosis may be used as qualification for advertising in THE VIZSLA NEWS by forwarding, to the Breed Improvement Committee, the original certificate issued by the OFA, or a duplicate copy, notarized. Original certificates will be duplicated and returned to the owner.

Dogs under 30 months will be temporarily approved only until reaching 30 months of age, regardless of when x-rayed (preferably not less than one year of age). Dogs over 30 months of age, if free of hip dysplasia are PERMANENTLY approved.

Dear Mrs. Smith:

I have been meaning to write this letter for the last month, but free time seems to be difficult for me to find lately - but enough of excuses.

I don't know if any Vizsla Club members were able to make it to the North American Versatile Hunting Dog Association's July Training Clinic in Canada and have written to you. If no one did, I hope this letter may of interest to you and other members of the Vizsla Club.

My wife Judy and I were lucky enough to be able to make the August Training Clinic. My five month old pup was the only Vizsla there and the people were surprised to see one. I found it to be well organized, very informative, and very interesting.

"Bodo" Winterhelt took us through thoroughly training a young dog on retreiving, including from water, trailing, and how to introduce a dog to birds in the yard to steady him. Also a number of other items that individuals in the group had questions about. The second day was devoted to field work and how to teach a young dog to cover the ground in front of his handler.

While we were there, I asked about their field trials and before I left I asked for a copy of their trial rules. Their trials, as I found out, might be of interest to a number of Vizsla owners, particularly those owners who are willing to or have trained their Vizsla in all phases of hunting, retreiving (on land and in the water), trailing a cripple and basic obedience, as well as pointing, but are not interested in having their dog range big as is desirable for pointer specialist trials. These trials are held strictly on foot and the dog that covers all the ground thoroughly and demonstrates stamina and staying power is scored highest. It does not matter wether the dog stays in gun range at all times or is 500 yards out - in fact the dog that runs straight out for 500 yards before starting to hunt will be scored lower that the dog starts hunting hard immediately in front of the handler and never ranges more than 30 yards in front of him.

A record of each dog's scores in every item he is scored on in these trials is kept by the Association. This is an invaluable aid to the breeder since the dog is scored on every characteristic that goes into the making of a top quality versatile hunting dog.

If there are any Vizsla owners who might be interested and would like more information on these trials and the association, they should write to Jerome J. Knap, Secretary NAVHDA, 191 Silvercreek Parkway, Apartment 404, Guelph, Ontario, Canada.

Sincerely,

Kenneth L. Fales

Dear Carole,

This is not a gripe, or dissatisfaction but is meant as constructive criticism. The format you are using makes it difficult to separate News, Views, and Advertising.

In the July-August issue there was a letter to the editor that read like a paid advertisement. In part it read "Miclos Heliker recently gained his championship, undefeated each time shown-" This is <u>not true</u> on April 4, 1971 at Kern County Kennel Club Jomars Cinnamon Cindy went Best of Winners and Ch. Debreceny Dezso went Best of Breed over Miclos Heliker, this is one exception there are probably others.

V.C.O.A. has the highest standards for advertising in the club paper of any club I know, however, dogs which appear in news articles are not subject to these, therefore it should be clear which are news and views, and those that are advertising.

Sincerly
Robert K. Burdette Jr.

Big Bird No Game

Chan Mayes, young son of Mr. and Mrs. C. E. Mayes of Mayesville, has a Vizsla dog (Red Hungarian Pointer) which came through with some big thinking a few days ago.

This dog has some illustrious hunting ancestry, but in his year and a half has not had any training or hunting experience. He's just a boy's pet.

Here's the story as told by "Buster" Mayes; A helicopter landed near the Mayes home recently and as it descended the dog "Steamboat" became quite excited, running around and barking noisily, was scolded and told to be quiet, which he did.

A little later, as the helicopter started its engines to depart Steamboat woke with a start and ran toward it. As he got closer, instead of barking or running about, he struck a classic point which he held like a veteran until the 'copter was airborne and "out of shot gun range."

In bird hunting terms that's "steady to wing and shot", but it was a mighty big bird.

This clipping was submitted by Archie Beattie of Bishopville, S. C. It is from the Lee County Messenger dated November 10, 1971.

My apologies to Richard Lesage of Moline, Illinois for not mentioning your letter sooner--It missed the October deadl ine by a few days and I then had typewriter problems with November.

Mr. Lesage donated a Vizsla Puppy for the Jerry Lewis Labor Day Telethon for Muscular Distrophy that was aired by WQAD-TV, Moline for 19 hours. The puppy was sired by Ch. Nik V Romarlin and was out of Penny V Romarlin. Mr. Lesage received a very nice thank you letter from the Telethon Coordinator Blaine Johnson. It was indeed good publicity for the breed and a very nice gesture on your part for such a worthy cause.

Mr. & Mrs. Frank Kasparek and Mr. & Mrs. Ed Sorowkowski of California attended the Worlds Hunting Exhibition and Dog Show in Budapest. I spoke with Mrs. Kasparek the other day and she is writing an article about their trip for the News.

The Kaspareks have slides and movie film of the show and hunting that they would be willing to share with the various Vizsla Clubs. All you have to do is notify them and they will mail the film to be seen at your meeting. Their address is: 2124 Ashton Avenue, Menlo Park, California 94025

Hello Everyone.....I imagine you are all as busy as I am these days with the holidays descending on us so quickly. Where does the time go?? Hope you all had a nice Thanksgiving.

I have received so many nice letters this past month and want to thank everyone who has written. I wish I had the time to personally answer alot of the letters but with my present schedule it just isn't possible.

I would like to thank Carolyn Arrasmith for marking a VCOA field trial catalog for me and sending it to me for my files(I never received one from the field trial committee).

Also, I would like to thank Sharon Simon and May Carpenter for thinking to send extra pictures of the fall trial to me to use along with the ones that accompanied the write up.

I have not received an official report of the 1971 Field Futurity as yet. I sure hope I'll receive one for publication. I understand that Dick Bakotic's "Butch Cassidy" won the Futurity. 2nd place went to Bundles Jodo Red Bud owned by the Robersons, and 3rd was Rippi of Webster Woodland, owned by Ken Crago of Illinois. Congratulations and I do hope I will be able to give you better coverage next month.

Dick Hurt of Silver Spring, Maryland sent me some pictures he took at the Conestoga Vizsla Club field trial last month. I'll use them Dick as soon as I receive the write up of the Field Trial. Valerie Piper wrote and mentioned that I'd be receiving their newsletter with trial coverage etc. but it hasn't arrived yet. Thanks for sending the pics. I appreciate!

Joe Cunningham, Middletown, New York, attended the VCOA Specialty this past August. Joe stopped in Phoenix to see the Mehagians and saw Betty Kenly while there. "She is well and has Ripp Barat with her...at 12 he looks great." "I was very impressed with the California dogs and the overall way the Specialty was conducted. May Carpenter and her committee are to be commended ..." Thank you Joe for your newsy letter and most of all your kind words re. the News!

Some of the letters recently received...Arne Haber, N.Y.; Maxine Averill; Valerie Piper; Pat Kepler, Pa; Evelyn Hilbert; Dr. Zsolt H. Koppanyi of Maryland; Robert Maciulis, Ill; Archie Beattie, South Carolina; Mrs. Frank Kasparek, California. Also, had a nice chat with Dr. Arthur Templeton of Michigan the other day.

Until next month.....HAPPY HOLIDAYS !!!! All of us here at Futaki Kennels wish all of you a VERY MERRY CHRISTMAS AND THE BEST NEW YEAR EVER!!! (cjs)

NOTE: Almost forgot...

Several people have written about the TOP TEN..... YES the AKC Gazette is <u>that slow</u>. August shows have not been published yet and neither have the September field trials The standings published on the Top Ten are as up to date as possible .

HAVE YOU SOLD A PUPPY

You can help the Breed by sending the names & addresses of people you have sold puppies to.

I will send them a sample copy of the News.
