EDITOR'S NOTE

Hopefully, by now all members have received the March issue of the News and hopefully most have received the February issue, also. Between membership renewals and the transfer of information and records, it has taken awhile to get everything sorted out. Please let me know immediately if you have a problem with the News.

As I told you in my note in the February issue, most of this publication is now being done by amateurs --- us. We are learning a lot. And, of course, the reason we are doing it ourselves, Ramona, Evelyn, and I, is to reduce costs and still be able to include your articles, results, and views.

One important phase we have become informed in is the reproduction of photographs. Black and white reproduces best, and for a magazine the size of ours, nothing larger than a 5 x 7 or smaller than a 3 x 4 is ideal. We know that most show photos are 8 x 10 colored and, of course, we will accept them; but please bear in mind when submitting photographs and when reading the News, that the best results come from 5 x 7 black and white and that a poor photo may be the result of the original picture.

As you can see from the March issue, several photographs turned out poorly in spite of the fact the half-tones were done by a reputable professional company. There is only so much which can be accomplished with a colored photograph.

I would like to extend my sincere appreciation to everyone who has submitted articles and information and many thanks to you all for your patience.

Marge Mehagian

Does it make sense to print a 2-dog Top Ten? I think so! They were the best the first few weeks of '78. Also, we have just heard that **EL CAZADOR'S RIPP VAN WRINKLE** has earned his Field Championship in the early competition of 1978.

CONGRATULATIONS TO FIELD CHAMPION EL CAZADOR'S RIPP VAN WRINKLE. While doing this Top Ten, I have noticed **Ripp Van Wrinkle** placing regularly -- not enough to get into the Top Ten, but often enough to catch my eye. Many of these placements have been in the Limited Gun Dog Stakes, and that's where the toughest competition is. It is, therefore, exceptionally pleasing to me to see **EL CAZADOR'S RIPP VAN WRINKLE** finish in the field.

Which brings me to my favorite subject -- Is there something inherently wrong with a system that fails to notice this sort of talent early in a dog's career? I think so! Is it possible to design a system that will accurately rank the Top Ten Field Dogs and identify the exceptional ones early in their careers? I think so! Is it possible to do all of this at a reduced cost to the greater Field Trial community? I know so! What do you think? Write me a letter. Tell me your ideas on how the Top Ten should be computed.

VIZSLA CLUB OF ILLINOIS

MID-WINTER ALL-BREED AMATEUR INVITATIONAL

By Jim Busch

Eighteen top amateur-handled dogs stepped to the line Sunday, February 5, to participate in what has quickly become the area's most prestigious Mid-Winter Field Trial event. Running in snow that ranged in depth from 2 to 14 feet and in temperatures that hovered just below minimally comfortable, **Fld. CH. TIMBERLAND'S BLUE DAWN** (Runner-up in the NGSPCA, 1977, Championship) owned and handled by Randy Sime, emerged as the Top Dog of the day. This was the kind of day on which oft-repeated legends are created. The faint-hearted stayed at home with their backsides pointed in the direction of the fire, but **Fld. CH., Am. Fld. CH. MISS KELLI'S TONYA,** owner/handled by Ken Wyderka, was there to capture Second Place in this classic of classics. These two men, Sime and Wyderka, will replace the frozen carcasses of Ken Crago and Jack Alger in the judicial saddles on the first Sunday of February next year.

This year's course featured SNOW, SNOW, and more SNOW! Some ragweed cane, a few willow thickets, and some unpicked corn provided the only cover on an otherwise featureless white landscape. Quail and pheasants were the game birds of the day. All dogs had bird work, and most of them were credited with multiple finds.

President Mike Florian, acting as bird planter and marshall, survived . . . . . ! Mr. Cline, from the Weimaraner Club, acted as driver of the dog wagon and we sincerely appreciate his help. Busch, Lucas, and Ciolkowski donated their horses for the day's activities --- the horses are all still alive . . . sore all over, but alive.

The other placements and an account of the running is included here. I believe we have the judges to thank for this account, for they are the only ones who watched all the dogs.

1 st Place - **Fld. CH. TIMBERLAND'S BLUE DAWN** (GSP - Male)
O/H: Randy Simes
Blue ran the most aggressive race, reaching objectives other dogs missed; always to the front and moving fast. He looked as if he liked running in six-foot high drifts of snow. He scored on pheasant and quail, pointing with style and intensity. "Blue," appropriately named for the weather, performed as a gun dog should in the call backs.

2nd Place - **Fld. CH., Am. Fld. CH. MISS KELLI'S TONYA** (GWP - Female)
O/H: Ken Wyderka
Ty ran an all-business race, powerfully deliberate and hard-hunting. She had multiple finds and finished well. Her call back was in order.

3rd Place - **Fld. CH. MILL KELI'S ANNABELLE** (GWP - Female)
O/H: John Schoonover
This young female plowed through the snow like a snowmobile, hitting objectives the way you like to see them hit. Her bird work and call back were in good order.

4th Place - **Fld. CH., Am. Fld. CH. KUAH'EA LIO ANUHE** (GSP - Male)
O/H: Dale Smythe
Anuhe was born in Hawaii, but took to the snow like an Alaskan native. A good, snappy race, pointing nicely on game contact, both on the back course and call back.

5th Place - **Dual CH., Am. Fld. Ch., V.C.A. 1976 Nat'l Fld. CH. BROOK'S WILLIE WHOMPUM** (Vizsla - Male)
O/H: Tony Lucas
Fast and animated, with multiple finds on pheasant and quail. Retrieving to hand in the call back. Taking advantage of the situation only when his handler was falling off and on his horse.

Honorable Mention - **RADBACH KARLA** (GSP - Female)
O/H: Joe Vicari

Honorable Mention - **RHEB'S REGAL EVA** (English Setter - Female)
O/H: Mike Behr

NOTE: Since an invitation to compete is itself an honor, we are including here an alphabetical list of the other eleven dogs and their handlers:

B. P. RINGO'S DYN-O-MITE (GSP)
O/H: P. Affrunti

FIELD TRIAL RESULTS

VIZSLA CLUB OF ILLINOIS

FUN TRIAL

(February 19, 1978)

"We must be doing something right!" With a record snowfall on the ground and temperatures to match, we were blessed with a beautiful sunny day for our annual February Fun Trial. The only complaints registered all day were from Two-Legged Beasts who would suddenly disappear from sight, only to emerge moments later covered with snow.

We had a total entry of thirty-five (35) dogs, which is a little less than we normally have, but it still took until 4:30 to run them all, due to the heavy snow. Not included in the entries were many new faces who came out for the first time. While the snow might have kept a few faces at home, it didn't stop bird planters John and Jimmy Busch, and Keith Crago from doing their usual excellent job. Thanks, Boys!

Also, many thanks to Judges, Tony Lucas, Chuck Boegel, Gene Woehrle, Art Ciolkowski and Jim Busch, and to Puppy Seminar Assistant extroidinair, Maryann Ingraffia. To Jim Busch, the coveted "Rubber-Legged" Man award for fleet-footing around the course for a record eight braces! To Joyce Smith, thanks for supplying the First Place trophies.
