RESOLUTION:

The officers and the Board of Directors--Vizsla Club of America--in cognizance of their respective responsibilities to protect the breed and foster its development, do hereby condemn crossbreeding of pure breed Vizslas and falsification of registration documents. All persons following the fancy of Vizslas are enjoined to subscribe to this ethic in the best interest of the breed.

RESOLUTION:

The Vizsla Club of America calls for all breeding stock to be radiographed and specifies that no dog or bitch with the slightest evidence of hip dysplasia be used for breeding purposes. In keeping with this resolution, the VIZSLA NEWS will not accept ads for any Vizsla as breeding stock that does not have an OFA number. Ads for litters of puppies will not be accepted unless the sire and dam had OFA numbers as of the date of the breeding. OFA numbers must be sent in with each ad request and will be printed with each ad. OFA requirements do not apply to dogs appearing in news articles or "Winning Ways." Winning Ways may not be more than one-half page which may include one picture, name of the dog, name of the owner, name of the breeder, name of the handler, and name of the win. Instructions for OFA diagnosis may be obtained, for a fee, from the Orthopedic Foundation for Animals, School of Veterinary Medicine, Columbia, Missouri 65521.

BISS AM. & CAN. CH. BOELTE'S TRIBUTE TO PANDERRE

OFA VZ-3502G39M-T

VIKING obtained his Canadian Championship from Junior Puppy Class; and, at his first U.S. showing, he won BOW at 10 months. He returned to Canada where he ruled the roost at Panderre Kennels in Palgrave, Ontario. At three years of age, he returned to his native America with spectacular results--finishing his U.S. Championship in six shows. He then won six consecutive Best of Breeds--including the first Independent Vizsla Specialty of the Conestoga Vizsla Club with an entry of 73 dogs.

VIKING's sweet, gentle nature is reflected in his favorite pastime of seeking the nearest lap (and heart) to warm and cheek to nuzzle.

In addition to his conformation activities, VIKING is also training for field and obedience work. He is shown exclusively in the U.S. by his breeder and co-owner Pat Boelte.

VIKING's get can be seen in show and obedience rings in Canada and the U.S. His son Can. Ch. Panderre's Rozdas Csilag is a multiple BOB winner in both Canada and the U.S. An October breeding is planned with VIKING and Can. Ch. Panderre's Gold Digger.

WANT TO GET INVOLVED???

Various Committees serving the VCA will be reviewed by the newly elected Board and Officers at their annual meeting October 19th and 20th. If you have any interest in serving the Club, please look over the list of Committees on page 3 of this newsletter and submit a letter of intent, including a paragraph about yourself, to Secretary-Elect Lynn Worth, P. O. Box 1462, Millbrook, NY 12545, as soon as possible.

August 18,1991

Dear General Members:

For the the first time in recent history the VCA has had a true election. You were given a choice for all elected positions except the AKC Delegate. With clear choices the general membership responded by casting a record number of ballots. This type of election is extremely healthy because it gives the general membership direct say on who will manage the Club affairs. I personally hope that this election has set a trend and has opened the door for meaningful elections in the future.

Now that the election is over and the new board will be seated, it is important that lines of communications be devised that will allow dialogues to develop between the general membership and the board so that the board knows precisely and clearly what the general membership expects. To start opening the lines of communication we have devised a questionnaire that will be mailed to all general members. The purpose of this questionnaire is to determine what the general membership believe are the most critical issues facing the VCA. Please take the time to respond to the questionnaire and voice your concerns.

Also, at the Nationals this fall the Board of Directors will sponsor a Wine and Cheese Gathering for the general members. This will be an excellent opportunity to get to know the individual board members and will also allow you to discuss your concerns with them. This gathering will be at the Ramada Inn on Wednesday, October 23 at 8:00 pm.

If you plan to be at the Nationals this fall, please attend the General Membership Meeting on Friday, October 25. We will discuss what is happening in the VCA and where the Club is going. Members will be given an opportunity to ask questions and to discuss their views and concerns.

Last but not least, feel free to contact me by phone or by mail if you have questions, concerns, criticisms, etc. and I promise a response to **all** inquiries. All board member are also available to help you. The VCA needs to come together as a cohesive body so that we can preserve the dual aspect of our breed!

In closing, I would like to commend all candidates who ran for positions this year and to personally thank all members who cast ballots for the candidates of their choice. I look forward to meeting as many of you as I can and working as your president.

Sincerely,

Richard H. Hilderman, Ph.D.
President-Elect VCA

"AM I HOME ? IS MY MASTER HERE FOR ME FINALLY? WHERE IS HE?? WON'T I EVER SEE HIM AGAIN ??? HE USED TO COME FOR ME THIS WAY; A BIG DARK AREA WITH NOISE AND STRANGE PEOPLE ALL AROUND; BUT HE WAS ALWAYS THERE, ALWAYS WAITING FOR ME, READY TO TAKE ME HOME, TO A SHOW OR SOMEPLACE NICE. I HAVEN'T SEEN HIM IN SO LONG. OH, WHERE IS HE???"

THIS WAS GOING TO BE THE NEW MEMBER OF OUR FAMILY; TO BE LOVED, CARED FOR AND HOPEFULLY, FIT IN WITH THE REST. DID SHE LIKE CATS? WOULD THE OTHERS GET ALONG WITH HER? HAD MY DECISION BEEN FOR THE BEST??

THEN I LOOKED INTO THE SADDEST EYES I'VE EVER SEEN; THEY SEEMED TO PLEAD, "PLEASE, PLEASE LIKE ME, I'M SO LOST AND ALONE. CAN'T YOU UNDERSTAND WHAT I MEAN?? I'VE BEEN LIVING IN SEVERAL DIFFERENT HOMES FOR THE PAST FOUR MONTHS AND EVERY TIME I THOUGHT I WAS GOING TO STAY; SOMETHING WOULD HAPPEN, AND THEY WOULD SEND ME AWAY."

WE TOOK HER HOME AND INTRODUCED HER, BATHED HER, FED HER, AND TRIED TO GIVE THE OTHERS TIME TO GET USED TO HER. SHE WAS SO DIFFERENT FROM THE REST; ALL BOUNCE AND JOY, ROWDY AND BOISTEROUS, A CUCKOO IN THE NEST. SHE ROMPED AND PLAYED, SCAMPERED AND RAN; PAYING LITTLE HEED TO WHAT WAS SAID TO HER BY WOMAN OR MAN.

DAYS LATER A BOX ARRIVED; THINGS SENT FORWARD FROM HER OLD HOME. IN IT I FOUND HER PAST. A PAST SHARED WITH A GENTLE MAN WHO TREATED HER LIKE A BELOVED DAUGHTER. TODAY NOTHING IS EVER WHAT IT SEEMS; A SIMPLE CARDBOARD BOX IS A DEAD MANS DREAMS.

A BOX FILLED WITH TRYING AND SHARING; OF LOVE AND COMPANIONSHIP. I FELT ALMOST LIKE A VOYEUR LOOKING AT IT ALL. A BRASS PLATE ON HER PUPPY COLLAR WITH HER NAME CAREFULLY ENGRAVED; A TRACKING HARNESS, RED LEATHER CUSHIONED WITH LAMBSKIN SO AS NOT TO HARM HER SOFT SKIN; WINNING RIBBONS, BOTH SHOW AND MATCH, TO SHOW SHE WAS A CHAMPION; A DIARY KEPT BY HER MASTER OF EACH TRIUMPH AND FAILURE, AND HER TRAINING COLLAR, WELL WORN FROM HER BEGINNING OBEDIENCE CLASS.

THEN THERE WERE THE PHOTOS. PHOTOS OF HER AS A PUPPY ON TOP OF TWO STEPS TRYING TO FIGURE OUT HOW TO GET DOWN TO THE NEXT ONE, HER AS AN ADULT IN HER KINGDOM OF GREEN GRASS AND SUN, HER SHOW WINS, BUT MOST OF ALL, THERE WERE THE ONES OF HER WITH HIM.

AS I LOOKED AT A PHOTO OF THEM TOGETHER IN THE SNOW, HE LOOKING DOWN AT HER WITH SUCH TENDER LOVE AND AFFECTION, IT SEEMED I COULD FEEL HER OLD MASTER IN THE ROOM WITH ME, A SOFT PRESENCE JUST OUT OF VIEW. AS EMOTIONS WASHED OVER ME, I COULD ALMOST HEAR HIM SPEAK, "TAKE VERY GOOD CARE OF MY LITTLE GIRL AND LOVE HER AS MUCH AS I LOVED HER. I DIDN'T PLAN TO LEAVE SO SOON. WE NEVER GOT TO FINISH ALL OF THE THINGS WE STARTED BEFORE WE WERE PARTED. PLEASE DON'T LET OUR HOPES AND DREAMS DIE WITH ME!"

I PICKED UP HER OBEDIENCE COLLAR AND WONDERED IF IT JUST MIGHT BE POSSIBLE TO CHANNEL ALL OF THAT RAW ENERGY INTO A HAPPY, WILLING OBEDIENCE DOG. RIGHT THEN AND THERE I MADE A PROMISE TO A MAN I NEVER KNEW NOR MET.

COME DEAR, THERE IS UNFINISHED BUSINESS YET TO COMPLETE. WELCOME LITTLE BEA, YOU'VE COME HOME AT LAST!

JAN C.

LETTER TO THE EDITOR:

Long Division?

Ten years ago, after graduating from Dental School, one of my first priorities was to obtain a good family dog. I grew up with dogs most of my life; I missed not having a four-legged companion while pursuing my professional career. Knowing that I would be an apartment dweller for sometime, I knew that one dog had to fit all my needs. My situation dictated a breed with short hair, good temperament, medium size, and hunting ability. I quickly eliminated Weimaraners and German Shorthairs as possibilities; I had the good fortune of discovering the Vizsla. I felt extremely lucky to have found a breed with such excellent attributes. Pleasant disposition, eye-appealing confirmation, grace, prowess afield, and ease of training are but a few of the breed's traits. Overall, I was quite satisfied with my choice. In fact, if the Vizsla has one negative aspect, it would have to be some of the owners' egos.

Over the past several years, I've noticed a disturbing and detrimental trend of disassociation and noncooperation. True local support for our national breed club is non-enthusiastic and often divisive. Important breed issues are often handled with partisan clanishness and egotistical ineptitude. National events are becoming flash points for confrontation instead of conclaves of communication. Some of the breed's chief proponents have resorted to abrasive name-calling and nefarious political maneuvers to impose their will on others. It is shameful that all of this negative energy is spent in the guise of "What's good for the breed".

The Vizsla, with its natural beauty and considerable talents in the field, make it a strong contender in both the show ring and bird field. Normal progress would dictate continued improvement of the breed in both areas. Unfortunately, we find some individuals who are not interested in the development of the complete dog. There are many people only concerned with winning BOB, BIS, BOS, etc. Conversely, there are those who only want horizon-seeking, bird-finding Field Champions. Believe it or not, our breed needs both of these types of dogs to continue improving the breed gene pool. Unfortunately, many owners don't feel the two types can exist in the same dog.

It was refreshing recently to see an Ad in the News noting the fact that we now have more than seventy dual champions. It's been so long since a published dual-list has been produced, that I forgot how many dual champions the breed actually has. I congratulate all those who have achieved this positive and considerable milestone. It is this "dualness" or versatility of the Vizsla that attracted me to the breed in the first place. I felt that if this was the type of dog the members of the VCA were producing, then surely these were the type of people to be associated with. In my inexperience of years ago, could I have possibly been wrong?

What I see now is "show people" breeding only to top show dogs and "field people" breeding to whatever can win a trial. This self-serving practice is changing the wonderful character of our unique breed. My vision for the future of our breed and breed club, at our present heading, will lead to uncharted territory that I term "long-division". I use this term to illustrate the possibility of our intentional creation of two separate but similar sub-breeds both called the Vizsla! Some will feel that my views are extreme and unsolicited, but the enlightened among you will see that my trepidation is well founded.

I have purposely not mentioned Obedience, Tracking, NAVHDA, NSTRA, Agility, Search and Rescue, Hunting, and etc., for these are not problems but additional assets to the breed. The problem is and will possibly still remain to be those owners with tunnel-vision as to usefulness of our dogs. I realize not every owner has the time or the ability to train and handle a dual-champion or the money to have this done for them by a professional. However, our national event in October is an opportunity for all Vizsla people to gather and bask in the glory of our breed. At that time, show people and field people can come together to observe the great ones on both sides. After all, who knows what greatness can be produced with a combination of these two (now different) types of dogs? I know that there are show people who wonder, "What if I infused some of that hot field blood into my show line?". There are also some field people who could benefit from the contributions of a dog show champion. Who knows what great future duals could be created!

Please people, I urge you. Let's find a common denominator and see if this "Long Division" can be solved. The Vizsla as a breed would benefit greatly from a concerted national effort of all parties involved to settle petty conflicts and squabbles born of undisciplined ego.

If we can't do it for ourselves, then let us do it for the dogs. Those of you who know local Vizsla owners that don't belong to National, encourage them to pay their dues. Those who are able to, please come to the National this year, even as spectators. National officers, you can set an example of leadership without the tarnish of personal pride and prejudice getting in the way of breed business. General members, contact board directors and chairpeople to offer your help and suggestions. Vizsla owners, let's try to improve the breed by cooperating with one another as we work toward our common goal: a better Vizsla!!

Enjoy the Nationals!

Sincerely,

Wayne M. Taylor, DDS

Design by God. Power by Eukanuba.®

No fear in their heart.
No quit in their eyes. And no respect for their own body.
The great ones feel the power. They're above praise. They know when they've done well. Another trip to the line is the most-desired reward.

A great dog is a terrible thing to waste.

No dog can reach its full genetic potential with half-hearted nutrition. *As for Eukanuba — this is the last time you'll switch dog food.*
Eukanuba is the optimum in chicken-based nutrition. Regardless of what you are feeding now, you'll see surprising differences. Eukanuba not only powers dogs through intense physical activity — but does so without robbing the body of required nutrients for growth, maintenance and repairs.
Hard-working dogs fed Eukanuba develop thick, lustrous coats when others are struggling to hold weight. Field trialing doesn't last a day — it lasts a season. Dogs fed Eukanuba go home looking like they've been groomed for the show ring.

A great season is a costly thing to waste.

Unfortunately, field trialing is expensive. The cost of entry fees, training and travel is no small sum. And to say field trialing is competitive just might be an understatement.
With this much at stake, doesn't it make good sense to give your dog every advantage possible? Dogs fed Eukanuba shine. And so do their owners and trainers.

Sometimes I was a wreck between the Conformation Ring and Obedience Ring, but this Spunkey Monkey kept me going. Cajun completed her Canadian Championship with several B.O.B.'s and a Group 4. Her scores in the Obedience Ring ranged from 186-194 and placed in the ribbons four times. Many, Many Thanks to our new ONTARIO VIZSLA FRIENDS who added to the good memories. She loves to travel even more than I do, and that's saying something. Congratulations to our Dad, CH. COPPER BROK ROZSA, C.D., who also received his Canadian Championship and Companion Dog titles.

Backer completed his AKC championship title in 6 shows undefeated from the Open class with 4 majors. He continued to live up to his name while being shown in Canada. In 1989 he was shown in 6 shows completing his title in the first four and then going on to earn #3 Vizsla in Canada for the year. In a limited Specials career, Backer has earned multiple Group placements including Group I awards in both AKC and CKC competition handled by his breeder/owner.

Backer not only loves to show but loves to show off... He charmed spectators with his splendid attitude in obedience completing his AKC CD in three shows placing twice. He continued his winning format by finishing his Can. CD in just three trials. A fantastic companion, Backer has made everything he does look easy.

The officers and the Board of Directors--Vizsla Club of America--in cognizance of their respective responsibilities to protect the breed and foster its development, do hereby condemn crossbreeding of pure breed Vizslas and falsification of registration documents. All persons following the fancy of Vizslas are enjoined to subscribe to this ethic in the best interest of the breed.

WANT TO GET INVOLVED???

Various Committees serving the VCA will be reviewed by the newly elected Board and Officers at their annual meeting October 19th and 20th. If you have any interest in serving the Club, please look over the list of Committees on page 3 of this newsletter and submit a letter of intent, including a paragraph about yourself, to Secretary-Elect Lynn Worth, P. O. Box 1462, Millbrook, NY 12545, as soon as possible.

STUD DOG INDEX

The following listings do not necessarily constitute an endorsement by the VCA. Persons contacting decide for themselves which breeder is most suitable for their purpose. The VCA has resolved that all breeding stock is to be radiographed and that only those dogs and bitches OFA certified free of hip dysplasia be used as breeding stock. Puppy buyers are urged to inquire as to the OFA certification of sires and dams. Breeders listed must be VCA members.
