

We are now seeking award sponsors for the 2022 National Specialty and Companion Events, AND the Regional VCA Specialty!

Welcome to our online Trophy Sponsorship for 2022!

Each year we accept donations from our members for trophies and awards given at our National Specialty and Companion Events to be held April 25-30, 2022.

Recipients of these awards are very appreciative of those that generously donate to support first place trophies and those beautiful rosettes for every placement offered! Thank you! There are plenty of areas where you can direct your support! If you can't decide on a specific award, you can earmark your donation for the General Awards Fund or for the Venue of your choice: Agility; Conformation; or Obedience/Rally. All sponsors will be acknowledged at the National Specialty Event, in the National Events Catalog, and in the Vizsla News. You may also wish to dedicate your award in honor or in memory of a dog or a person.

If you are interested in donating to the 2022 National Conformation and Companion Events Awards Program, please visit our [ONLINE FORM](#):
