

Meet The Stud Dog!

(It's sort of like speed dating for dogs!)

Thursday, April 28, 2022

This is a chance for stud dog owners to show off their dogs and an opportunity for breeders to get their hands on the stud dogs instead of just seeing them in pictures and have preliminary breeding discussions with the stud dog owners.

A complete listing of the stud dogs and their booth numbers will be provided to people as they enter the area so you know where to go if you are looking for a specific dog(s).

This event will run for approximately 2 hours and will be around the main show ring.

THINGS TO BRING:

Bring your stud dog along with a minimum of 10 copies of a 4-generation pedigree and health certification information (copies of OFA webpage is sufficient) so breeders may meet your dog, go over them, and ask general questions about them to determine if they are interested in them for breeding. We will also have an area for you to move your dog if breeders want to see that. This is a wonderful opportunity for you to "advertise" your stud dog for a very small fee.

DECEASED DOG?:

If your dog has passed, and you have frozen semen you would like to make people aware of, please bring at least 4 pictures of your dog for breeders to look at.

SPACE:

You will have enough space for a grooming table and 2 crates to be stacked along with a chair.

FEE:

\$25 per booth for first dog, \$10 for each additional dog per booth (only one owner per booth, friends cannot purchase booths together)

REGISTRATION:

To secure Meet The Stud Dog! Booth Space, use the 2022 NSCE Store at: https://www.vcaweb.org/events/specialty_2022.shtml

QUESTIONS:

Please contact Becky Smith (remark@centurytel.net)
