

Raffle & FUNdraisers

Every year, we all look forward to what will be raffled and auctioned off at the National Specialty and thanks for a hard-working committee, this year will be no different!

Have an item you would like to donate? Reach out, let us know what is coming and if you will have it mailed or hand delivered.

Have a basket from your club highlighting your area? We love to offer it!

Have a special talent that people covet and want to out bid others to get their hands on? Think about making a donation!

Have a vendor or company you know would love to make an item donation? Let us know who and we are happy to contact them!
