

Welcome Party

Tuesday, April 26, 2022

When watching the biggest PGA Tour golfers consulting with their caddies, do you ever think you need a dog-show caddie?

It might be nice having someone point out that you've stacked your dog posting, or they might ask, "Why aren't you showing off that dog's beautiful neck?" Maybe you ran out of bait and need someone to retrieve some snappy. Perhaps you just need someone to fetch you an Old Fashioned to wash down the embarrassment of your breeding program's pride and joy, who just threw himself on the ground for a full tantrum in front of the National judge.

If this sounds familiar, we have just the ticket for you! This year at the Welcome Party, we'll be hosting a Calcutta where you can bid on your favorite ring help for a class of your choosing. All willing participants must provide consent to be placed into the Calcutta with their available class times. A list of potential participants will be printed on a menu card and bidding paddles available prior to commencement of the auction. This is intended to be an entertaining fundraiser for all who choose to participate.

As a bonus, the indispensable helper who assists the highest-placed dog-and-handler team will win an entry for the 2023 National Specialty and Companion Events.

Come join in the fun and camaraderie of our chosen sport and help raise some funds to contribute to the hosting of this fun-filled week!

Capture the Crown Calcutta will be held ringside, Tuesday, April 26 after the conclusion of the Veteran Sweepstakes.

Hors d'oeuvres will be served during the Welcome Party and Vendors will be invited to be open for an evening of shopping also. There will be a cash bar available throughout the evening.

RESERVATIONS:

We will need a head count for the Welcome Party, so please use the 2022 NSCE Store for your Welcome Party count at https://www.vcaweb.org/events/specialty_2022.shtml.

CALCUTTA:

Have someone you would like to see on the menu card to bid on? Submit names to Jill Hoffbeck (jill@shootingstardogs.com) and she will contact them for approval.
